A BAD SYSTEM.

The money question is up, and it will stay up until some definite solution of the matter is arrived at. Under the present system there is nothing to prevent the money kings raiding the U. S. treasury any time.

GOAT AND FOX IN THE WELL

A fox, who was a great rogue, fell down a deep well. Just then a goat came up who had a mind to slake his thirst, so he said to the fox, "Is the well a sweet one?"

Such was the fable of the good Aesop 2,500 years ago. And yet, as we peruse the list of bills introduced by the populist members of congress at its last session, the conclusion is irresistibly forced on us that he was acquainted with Senator Peffer.

The Oregon Pacific is not now troubling our Crook county friends much. The Prineville Review instead of mourning over the long delay in doing anything with that road or keeping up a perennial disturbance about it as our Astoria neighbors do, deliberately goes to work to prove that the coming of the railroad would be a misfortune, and that the longer it is delayed the better for Prineville.

As a result of the recent elections, three women will take their seats in the Colorado house of representatives, at the next session of the state assembly, and a woman will occupy one of the commodious offices in the new capitol building—that of state superintendent of public instruction.

The money question is causing whole lots of hard words between the advocates of the different systems. As for us, we don't care which measure is adopted, gold, silver or currency, just so that the one dollar will purchase as much as the other dollar, either in this country or elsewhere.

A bronze statue of William Penn has been placed on top of the city hall tower of Philadelphia. Penn has always been held up to the American school children as an exceptionally pure and just man; yet the truth is he was an utter hypocrite and a large sized sneak.

The Salem Statesman is authority for the unqualified statement that Governor-elect Lord is not and will not be a candidate for United States senator. This leaves the field for Hon. C. W. Fulton or Senator Dolph, with possibilities for Hon. T. H. Tongue and Hon. Binger Hermann.

Rev. Grant of Portland believes that all church property, except the church edifice should be taxed. It is safe to say that nine-tenths of all the taxpayers in the county agree with him.

On and after Dec. 1st, 1894, all county warrants issued by the county clerk will be made payable to order, and no county warrant will be stamped or listed by the county treasurer unless endorsed by the party to whom said order is issued.

Mr. Polk Mays of Wallawa county spent the last few days in the city, visiting his father, Hon. Robt. Mays.

Master Ray Short, who has been employed in this office for several months, left for Portland this morning to remain. His father resigning his position as captain of the Regulator caused this move on Ray's part.

In this city, Monday, Dec. 10th, to the wife of C. F. Williams, a son.

A Household Treasure. D. W. Fuller, of Cansjoharie, N. Y., says that he always keeps Dr. King's New Discovery in the house and his family has always found the very best results follow its use.

During this time the Dalles, Portland & Astoria Navigation Company will sell tickets from The Dalles to Portland and return, including two meals on the steamer Dalles City at \$2.50. Tickets limited to ten days from date of sale.

Flora—I don't always do unto others as I'd have others do unto me. Clara—Of course not. It isn't a girl's place to propose to a man.—Life.

For every variety and phase of the many diseases which attack the air passages of the head, throat, and lungs, Ayer's Cherry Pectoral will be found a specific. This preparation allays inflammation, controls the disposition to cough and prevents consumption.

Servant—There's a horrid tramp at the back door. Mistress—Show him right up to the best bedroom and then go out in the street and shriek. Quick, or he will get away. The Astors indeed!—The Smiler.

Garland Stoves and Ranges. The money question is causing whole lots of hard words between the advocates of the different systems. "When I was a Boy,"

Writes Postmaster J. C. Woodson, Forest Hill, W. Va., "I had a bronchial trouble of such a persistent and stubborn character, that the doctor pronounced it incurable with ordinary medicines, and advised me to try Ayer's Cherry Pectoral. I did so, and one bottle cured me. For the last fifteen years, I have used this preparation with good effect whenever I take

A Bad Cold, and I know of numbers of people who keep it in the house all the time, not considering it safe to be without it."

"I have been using Ayer's Cherry Pectoral in my family for 30 years, with the most satisfactory results, and can cheerfully recommend it as being especially adapted to all pulmonary complaints. I have, for many years, made pulmonary and other medicines a special study, and I have come to the conclusion that Ayer's Cherry Pectoral occupies a position pre-eminent over other medicines of the class."—Chas. Davenport, Dover, N. J.
