## The Independent Workers.

Last evening your correspondent visited the I. O. G. T. people at Fraternity hall. On entering the hall the first thing to meet the eye was a beautiful silk banner, which had been placed over the chief templars station. On closer examination we found it to be the new banner of the Juvenile Temple and is "a thing of beauty" and will be "a joy forever" to the little Templars. It is in reality one of the finest works of art in the banner line in the state of Oregon. It was designed by Mrs. E. Joles and our art painter and decorator, Josh Hardy, executed the designs furnished him, in the highest style of the art; and it certainly does him great credit.

The Independent Workers initiated one gentleman on Monday evening, in the most impressive ceremonies of the order. A goodly number were present and the young people as well as the old people of The Dalles, who want a good time once a week, would find a pleasant way to spend a few hours Monday evenings by joining this company of temperance workers. Know Nothing.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature to do its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of Testimonials. Address:

Orthodoxy—Brethren, I have been asked so many times during the last week to pray for rain that at last I consent, knowing however that it is useless, for the wind is stiff in the west.—Harlem Life.

Any one who has children will rejoice with L. B. Mulford, of Plainfield, N. J. His little boy, five years of age, was sick with croup. For two days and nights he tried various remedies recommended by his friends and neighbors. He says: "I thought sure I would lose him. I had seen Chamberlain's Cough Remedy advertised and thought I would try it as a last hope and am happy to say that after two doses he slept until morning. I gave it to him next day and a cure was effected. I keep this remedy in the house now and as soon as any of my children show signs of croup I give it to them and that is the last of it." 50 cent bottles for sale by Blakeley & Houghton Druggists.

It would be ever so much better for the democracy to have one good party instead of these numerous at homes.—Philadelphia Times.

## A Household Treasure.

D. W. Fuller, of Canajoharie, N. Y., says that he always keeps Dr. King's New Discovery in the house and his family has always found the very best results follow its use; that he would not be without it, if procurable. G. A. Dykeman Druggist, Catskill, N. Y., says that Dr. King's New Discovery is undoubtedly the best cough remedy; that he has used it in his family for eight years, and it has never failed to do all that is claimed for it. Why not try a remedy so long tried and tested. Trial bottle at Snipes-Kinersley Drug Co.'s Drug Store. Regular size 50c. and \$1.00.
