A HEALTHY GROWTH ONLY.

There is every indication of a large emigration from Nebraska, the Dakotas and Kansas this winter and next spring

We are growing in population steadily, and that growth is a healthy growth. By all means let it continue at that.

KISSING FOR REVENUE ONLY.

A peculiar suit is pending in New York state. Miss Mueller gave free kisses at a church festival for the benefit of the church.

The Oregonian thinks the system of maintaining convicts in the penitentiaries as gentlemen; keeping them clad in citizens clothes, and making trustees of them a failure, or at least thinks the system has not proved a success

General Wade Hampton advocates a system of train protection to railroad trains against robbers. His idea is messengers and shotguns. The remedy is not in this line.

the punishment is made certain, speedy and severe, train robbing will stop and not before. The offense should be made punishable with death, because if murder is not done, the parties go prepared to do it if necessary, and if it is not done it is simply because the resistance is not sufficient to demand it.

Senator Dolph is vigorously championing the construction of the Nicaragua canal. It ought to be built, and the United States ought to control it.

A Hard Trip.

On Sunday Mr. T. P. Madill, who lives 50 miles from Albany, on the North Santiam, with the assistance of two neighbors; came into the city on a handcar, for the purpose of procuring a burial casket for his father-in-law, Mr. Geo. W. Whitman, who had died the day before, and returned with it, making the trip in sixteen hours.
