Five or Six Feet of Snow Along the Railroad.

ASHLAND, Or., Dec. 20.—The heavy storms of the past week have left lots of snow in the mountains and high lands of Southern Oregon and Northern California. On the south side of the Siskiyou, in the Mount Shasta section, there is a depth of five or six feet along the railroad. The road has been kept clear, though, with buck plows, and the rotary has not yet been used. Several cars on the overland northbound today were somewhat damaged by a collision with a boulder on the Siskiyou and laid in Ashland three hours this evening for repairs to be made.

Among the passengers on the train this evening were a number of negroes, who are being imported direct from South Carolina to work in the coal mines in the Coos Bay country. There were 50 men, 7 of them with families.

Sold by Snipes & Kinnersly, druggists.

Think Cleveland is Fooling.

MADRID, Dec. 20.—In political circles here it is not believed President Cleveland intends to increase the duty on sugar imported into the United States from Cuba in consequence of the increased Cuban duty on United States flour.

Exposure to rough weather, dampness, extreme cold, etc., is apt to bring on an attack of rheumatism or neuralgia; chapped hands and face, cracked lips and violent itching of the skin also owe their origin to cold weather. Dr. McLean's Volcanic Oil Liniment should be kept on hand at all times for immediate application when troubles of this nature appear. It is a sovereign remedy. 25c, 50c and \$1.00 per bottle.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature to do its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of Testimonials. Address: F. J. CHEENEY & Co., Toledo, O. Sold by Druggists, 75c.
