A BLIZZARD RAGING

Heavy Snow Storm in the East and South.

SEVEREST WEATHER IN YEARS

The Storm Extends From Toronto, Canada, to St. Louis, Mo.—Heavy Gales on the Atlantic Coast.

WASHINGTON, Dec. 27.—From a weather bureau view, the chief characteristic of the present storm has been the rapidity of its development and movement, this result being largely due to a barometric pressure in Montana of 31.3 inches, the highest recorded by the weather bureau. Rain or snow has fallen generally east of the Mississippi, while from the west of the river cold weather and high winds are advancing. Bismarck leads the cold-weather stations with 22 below, and it is 18 below at many points in the far northwest.

Storm signals are displayed all along the Atlantic and Gulf coasts. Damage to shipping is feared, as the wind's velocity will range from 40 to 70 miles an hour.

The Waves Unusually High.

New York, Dec. 27.—There is no direct telegraphic communication between this city and Sandy Hook, owing to the storm. All the messages are received by way of Long branch. At Sandy Hook the wind is blowing a moderate gale from the northeast, and rain continues. The water along Staten Island shore is unusually high, and in many places the waves made a clean breach over the docks. At Quarantine the waves are breaking over the stone wall to protect the shore. Reports from the interior indicate more or less serious interruption to railway traffic, central New York showing the most general disturbances.

Twelve Inches and Still Falling.

PITTSBURG, Dec. 27.—A snow storm which started last evening has proved the heaviest known here in several years. Up to 10 o'clock this morning 12 inches of snow had fallen and it is still snowing. Street-car travel in the city is seriously interfered with, and in some parts of the city the telephone and telegraph wires are down. The blizzard was general over this section, and especially severe in the Allegheny mountains, where the snow drifted and impeded travel. Through trains from the east are four hours to seven hours late, and from the west they were nearly as much behind time.

Hospital Burned by Brazilian Troops.

NEW YORK, Dec. 27.—A special cable to a morning paper from Montevideo, Uruguay, says that a house at San Gabriel, used as a hospital, was burned by Brazilian troops. More than 120 rebels perished. Several who tried to escape were forced back into the flames by bayonets. Over 200 soldiers, it is reported, have deserted near Cruzalta, and have gone over to the rebels.

A Consular Agent's Son's Trouble.

LONDON, Dec. 27.—A dispatch from Lorenzo Marques, East Africa, of December 4, says the son of James McIntosh the United States consular agent, who got into trouble by shooting a native burglar, has been sentenced to three months' imprisonment, with the option of paying a fine of 1,000 reis daily, for resisting the police.

Gresham Informed of the Refusal.

WASHINGTON, Dec. 27.—Secretary Gresham stated today that he had been informed by United States Minister Terrell that the sultan had finally refused the request made the president that United States Consul Jewett be permitted to inquire into the state of affairs in Armenia, and that ended the matter. Both Frozen to Death.

EUREKA, Cal., Dec. 27.—The overland stagedriver arriving yesterday reported that Jesse Faulkner, aged 40 years, and his son, aged 17 years, were found frozen to death near Bridgeville, in the southern part of the county, Sunday. The father and son left Bridgeville in a blinding snow storm Saturday afternoon to walk home, a distance of six miles. Not having arrived Sunday morning, another son was sent out by the mother to look for them, and found them within half a mile of the house, seated alongside of the road, frozen to death.

Much Damage by Sleet.

PHILADELPHIA, Dec. 27.—A sleet storm following last night's fall of snow wrought great damage to telegraph and telephone circuits within a radius of 50 miles of this city. The Western Union and Postal Telegraph companies are badly crippled on every circuit. The snow is from four to eighteen inches deep over Pennsylvania today. Six horses and two mules were killed today by coming in contact with deadly electric light wires blown down by the storm.

Armenian Refugees Arriving From Turkey.

LONDON, Dec. 27.—The Daily News' correspondent at Odessa says that numerous Armenian refugees from Moosh and Bulank are arriving at Sarallamish. They are on their way to Etchmiadzin. All are in a wretched condition. The correspondent says that several conspicuous Armenians in Moosh have been forced to embrace Islamism to save their lives and property and the honors of their wives and daughters.

Retreating Chinese Army.

YOKOHAMA, Dec. 27.—General Katsura reports from Hai Chong Monday that the Chinese army under General Sung, after its defeat at Kogasi, fled back to New Chwang, and thence retreated to Denshodai, being joined by the Chinese troops stationed at New Chwang, which town was completely evacuated. Scouts sent in the direction of Pochi report that about 1,100 Chinese are advancing from Cilco alongside the seashore.

German Socialists Barred.

BERLIN, Dec. 27.—An order has been issued prohibiting socialists from attending the theaters in any considerable number during the holidays. This is done to prevent demonstrations in the theaters against the anti-revolution bill.

The Pope's Photograph.

ROME, Dec. 27.—The pope has presented Commander Newell, of the Detroit, with his photograph, with his autograph and the words "Deus Magnificata est Gloria tu Super Coelus."

Continues Without Abatement.

DUBOIS, Pa., Dec. 27.—The storm which began at dusk last evening continues without abatement. The ground is covered to a depth of 20 inches. Traffic on the Pennsylvania Valley road is practically at a standstill. Telegraph and telephone wires are prostrated.

Heavy Snow in the South.

ST. LOUIS, Dec. 27.—All incoming trains at this point bear evidence of the storm in the Mississippi valley. Those from the south, especially, are covered with snow. The conductors report 14 inches of snow at Paducah. Western trainmen do not report so heavy a fall.

An Old Man Frozen.

MARTIN'S FERRY, O., Dec. 27.—John Moreland was found frozen this morning at Gleim's Run, near his home. He was an old soldier, and worked in the Elson glass factory. He started to walk home from here last night, and was caught in the storm.

A Veritable Blizzard.

CHICAGO, Dec. 27.—The mercury fell with snow here today, and the storm developed into a veritable blizzard. Railway trains were generally on time, but street blockades were numerous.

Chinese Evacuate New Chwang.

LONDON, Dec. 27.—A Yokohama dispatch says the Chinese have evacuated New Chwang.

Growing More Liberal

That's what the human race is doing—particularly the American part of it. There are a few left who are satisfied with ancient history. But most people are ready to apply modern progress and common-sense to the treatment of the human stomach—an organ that demands its rights whether or no; that resents the insults of worn-out methods. All this is to emphasize the facts about

Cottolene

There was once a prejudice against Cottonseed oil. But people who are alive, who investigate, who have no bigotry in their composition, have found that pure, refined cottonseed oil combined with selected beef suet is a better article in every conceivable way than hog's lard. And so they wisely use it for cooking—and are correspondingly healthy and happy. The sales of COTTOLENE are enormous and constantly increasing; a proof that it is appreciated by appreciative persons. Ask your grocer for it.

Street Railways Demoralized.

TORONTO, Ont., Dec. 27.—A blizzard struck this city early this morning, demoralizing street-railway traffic for three hours. The velocity of the wind decreased toward noon, but snow is still falling. In the eastern part of the province there is a heavy snow storm, with the mercury hovering about the bulb.

A Secret.

If all the ladies knew the simple secret that a bad complexion is due to a disordered liver, there would be fewer sallow faces and blotchy skins. This important organ must be kept active and healthy to insure a clear and rosy color. Dr. J. A. McLean's Liver & Kidney Balm as a purifier, beats all the creams and lotions in existence and will produce a more permanent effect. Removes bad taste in the mouth, offensive breath, yellow tinge in the skin, wind on the stomach and that dull, bilious feeling which so surely indicates the torpid liver. Price \$1.00 per bottle. Snipes & Kinnerly, Drug Co.

Storm Off California Coast.

SAN FRANCISCO, Dec. 27.—The weather bureau says: "Storm southeast signals are displayed at Point Reyes for a storm of moderate energy, central off the California coast. High southeast winds are prevailing at Point Reyes."

McLean's Liver & Kidney Balm has saved thousands of valuable lives. If you have any derangement of the kidneys try it. Price \$1.00 per bottle. Sold by Snipes & Kinnerly, druggists.
