Gunst is Denounced.

SAN FRANCISCO, Jan. 12.—Citizens responded by thousands to Sutro's call for a mass meeting to protest against the appointment of Mose Gunst as police commissioner, to denounce United States Attorney Knight for his refusal to issue a warrant for the arrest of C. P. Huntington for a violation of the interstate commerce law, and to denounce the frauds that were committed at the last election. Metropolitan hall was crowded to the doors and thousands of people were turned away. The meeting was very business-like. Representative citizens were there; speeches were made by prominent men, and appropriate resolutions were adopted. The resolutions adopted denounced C. P. Huntington as a self-confessed briber, and accuse him of taking \$56,000,000 from English stockholders in the Central Pacific. A solemn protest is entered against the passage of the funding bill, and the speaker of the house is appealed to protect the people of California by refusing to give a special order for a day to the Pacific railroad committee. Each individual member of congress is appealed to not to overlook 200,000 protests against this bill filed by inhabitants of the Pacific railroad committee. The resolutions demand that the legal authorities of the United States in this judicial district shall issue a warrant for the arrest of Huntington. The president is appealed to see that justice is done and that he demand that Attorney Knight and Commissioner Heacock do their full duty under the law, or that they be removed from the offices that they are disgracing and degrading. The other resolutions denounce ex-Governor Markham as the tool of the Southern Pacific, and the appointment of Mose Gunst as police commissioner is characterized as a burning shame and disgrace to the respectable portion of the community. It was resolved that a committee of three be appointed to wait upon Gunst and request him to resign the office of police commissioner; also, that a committee of 11 be appointed to effect a permanent organization to act with other organizations of like character in securing the reforms so earnestly desired.

The Tax Will Be Collected.

WASHINGTON, Jan. 12.—Senator Gordon of Georgia in a conversation with a senator said: "The defeat of the appropriation will not defeat the collection of the income tax. Under section 29, all persons and corporations with incomes above \$3,500 are required to make returns, according to the form prescribed by the revenue department, to the secretary of the treasury. Those who hope to escape payment of the income tax through the failure of congress to make the appropriation asked for, and who are thus led to neglect making their returns at the time fixed by law, will find themselves involved in 50 per cent heavier taxes and be compelled to pay them."

Great Oaks

From little acorns grow, so also do fatal diseases spring from small beginnings. Never neglect symptoms of kidney troubles; if allowed to develop they cause much suffering and sorrow. Dr. S. H. McLean's Liver and Kidney Balm is a certain cure for any disease or weakness of the kidneys. A trial will convince you of its great potency. Price \$1.00 per bottle. Sold by Snipes & Kinnersly, druggists.

Exposure to rough weather, dampness, extreme cold, etc., is apt to bring on an attack of rheumatism or neuralgia; chapped hands and face, cracked lips and violent itching of the skin also owe their origin to cold weather. Dr. McLean's Volcanic Oil Liniment should be kept on hand at all times for immediate application when troubles of this nature appear. It is a sovereign remedy. 25c, 50c and \$1.00 per bottle.

Shiloh's Cure is sold on a guarantee. It cures incipient Consumption. It is the best cough cure. Only one cent a dose 25cts., 50cts., and \$1.00.

Montana's Next Senator.

HELENA, Jan. 12.—Thomas H. Carter, who was last night nominated by the republican caucus to succeed Senator Power, was born in Scioto county, Ohio, and is about 40 years old. He worked on a farm in Illinois, and was afterward admitted to the bar in Iowa, where he practiced law at Burlington. He came to Helena in 1882, where he practiced law till nominated for congress in 1888. He was later elected to congress, and once defeated, having run three years in succession on account of the admission of Montana as a state. He was commissioner of the general land office under President Harrison, and was made chairman of the national republican committee in 1892. He is married, and has two children.

A Secret.

If all the ladies knew the simple secret that a bad complexion is due to a disordered liver, there would be fewer sallow faces and blotchy skins. This important organ must be kept active and healthy to insure a clear and rosy color. Dr. J. A. McLean's Liver & Kidney Balm as a purifier, beats all the creams and lotions in existence and will produce a more permanent effect. Removes bad taste in the mouth, offensive breath, yellow tinge in the skin, wind on the stomach and that dull, bilious feeling which so surely indicates the torpid liver. Price \$1.00 per bottle. Snipes & Kinnersly, Drug Co.

There is good reason for the popularity of Chamberlain's Cough Remedy. Davis & Buzard, of west montevideo, Clarion Co., Pa., say: "It has cured people that our physicians could do nothing for. We persuaded them to try a bottle of Chamberlain's Cough Remedy and they now recommend it with the rest of us." 25 and 50 cent bottles for sale by Blakeley & Houghton Druggists.
