WELLS AS A PLATYPUS.

David A. Wells, the eminent statistician and recognized authority on tariff matters, has discovered a new constitutional objection to the income tax laws.

Now, Mr. Wells has stubbed his toe over another nest, which this time contains an income-tax egg, which the eminent statistician aforesaid, is firmly of the opinion, was born out of wedlock.

It is stated that the democrats in the legislature will cast their vote for Hon. A. S. Bennett, of this city, for United States senator.

MERCURIAL POISON

Is the result of the usual treatment of blood disorders. The system is filled with Mercury and Potash remedies - more to be dreaded than the disease - and in a short while is in a far worse condition than before. The most common result is RHEUMATISM.

for which S. S. S. is the most reliable cure. A few bottles will afford relief where all else has failed. I suffered from a severe attack of Mercurial Rheumatism, my arms and legs being swollen to more than twice their natural size, causing the most excruciating pains. I spent hundreds of dollars without relief, but after taking a few bottles of S. S. S. I was completely cured. I can heartily recommend your wonderful medicine to anyone afflicted with this painful disease. W. F. DALEY, Brooklyn Elevated R. R.
