TROOPS IN KENTUCKY

Have Been Ordered to be Held in Readiness.

NEEDED AT MOUNT STERLING

Both Fatally Wounded--A Marshal Murdered by Robbers--Stabbed With a Pocketknife--A Burglar is Killed.

LINCOLN, Ky., Jan. 21.—Adjutant Sharley has received a telegram from Colonel E. H. Gather, of the Second regiment, state guard, ordering him to have in readiness 40 members of company D., of this city, until Tuesday. The colonel has been telegraphed for particulars, but none have come, and the officers of the militia here do not know what the trouble is. One theory is that the troops will be wanted at Mount Sterling during the sitting of the circuit court, which begins there today. It is said that detectives have fastened the lynching of Tom Blair on 15 men, and that they will be indicted by the grand jury. It is said that Mount Sterling officials have received threatening letters declaring that the town will be burned unless Blair's murderers are punished. Blair was taken from the Morgan county jail January 1 and hanged by a mob. He was charged with the killing of Captain J. L. Bomar, in Mount Sterling, but was acquitted on the trial.

A Fourteen-Story Building Falls.

CHICAGO, Jan. 21.—During the heavy wind storm today the Dearborn building, corner of Clark and Monroe streets, was wrecked. Timbers were blown from position, and falling fourteen stories, buried two men and injured a number of others. J. D. Burke, ticket broker, is thought to be fatally injured. Others seriously injured are: A. J. Donaldson, clerk, shoulder crushed; Frank Woodward, teamster, arm crushed; William Luytus, printer, scalp badly bruised; H. H. Irwin, clerk, dangerous internal injuries; George Bey, stenographer, head badly cut.

CHICAGO, Jan. 21.—About 2 o'clock a 30-foot flagstaff on Kingsley's hotel, opposite the government building, was torn from its base and hurled into the street, dangerously injuring Edward Harper, an expressman. It was thought his skull was fractured. A heavy plate-glass window in the Hartford building, at Dearborn and Madison streets, was blown in. James Henson was struck by a large section of glass and cut almost in two. He died in a few minutes.

No Appropriation to Be Made for Reprinting Treasury Notes.

WASHINGTON, Jan. 21.—An important meeting of the house appropriations committee was held today in which Secretary Carlisle took part at the request of Chairman Sayres. The conference was over the adoption of a policy by which the secretary hopes to put into circulation an increased volume of silver certificates of small denominations in place of treasury notes. The committee decided to strike from the sundry civil bill the stipulation that for several years has been added to the item, providing for printing treasury notes to replace those received at the treasury.

The Chicago building bill passed the house by a vote of 197 to 51.

In the senate today Lodge offered a resolution declaring the United States should keep a warship at the Sandwich islands, and that measures should be taken for the construction of a cable from San Francisco to Honolulu and for annexation of the Sandwich islands to the United States. Blackburn objected to its present consideration, and the resolution went over. At 2 o'clock the

Nicaragua canal bill came up, but was also set aside for the consideration of the urgent deficiency bill. Hill discussed the elimination of his amendment relative to the income-tax questions.

Catherine Ging's Murderer.

MINNEAPOLIS, Jan. 21.—The trial of Harry Hayward, for the murder of Catherine Ging, was formally begun today. Harry Hayward went to his seat blithely, as if entering the theater. He chewed gum vigorously, and played with his spaniel while waiting for the proceedings to begin. W. W. Irvin, already well known from his connection with the Homestead and Debs' cases, and John Day Smith, a local attorney, represented the defendant. County attorney Frank M. Nye, the humorist, and Alfred H. Hall are the prosecutors. It was deemed significant that the attorney of Claus Blixt sat upon the prosecution's side of the table. Soon after the proceedings began Miss Julia Ging, twin sister of the murdered woman. Took a seat not six feet from the prisoner. The county attorney moved the case of Blixt be reset for February 5, and this was agreed to by Blixt's attorney. It is believed the work of securing a jury will consume a week.

His Windpipe Severed.

LOS ANGELES, Jan. 21.—A serious cutting affray occurred in this city at about 5:30 o'clock last evening in a saloon at the end of the Central-avenue electric line. Two carpenters named Taylor and Vaughn, while drunk, quarreled at their boarding house on Flower street, and adjourned to meet at the saloon named to fight it out. Taylor, who is the larger man, was getting the best of the fight, when Vaughn pulled a pocket knife, stabbing Taylor in four places, once in the throat, barely escaping the jugular vein, but severing the windpipe. Another blow was in the back, making a wound three inches long and four inches deep. Two bad cuts were also made in the right arm. Taylor's injuries are pronounced serious. Vaughn was arrested.

Opium Smuggler Arrested.

SAN FRANCISCO, Jan. 21.—Deputy Surveyor Ruddle and his assistants in the government service were successful, Saturday night, in unearthing frauds that have for some months been suspected. The government officers found 30 five-tael tins of opium concealed in the trunk of John Clifford, a fireman of the donkey engine on the Alameda. It is suspected that fireman Charles Johnson, of the Alameda, is the chief conspirator in the smuggling. The opium was seized and Clifford was arrested, but Johnson has not yet been found.

Oakland Water Front Case.

WASHINGTON, Jan. 21.—The railroad wins the Oakland water front case. The United States supreme court will dismiss the case, and will say that it is not a federal question, and that it has no jurisdiction in the premises. Today is the day set for handing down decisions, and it is not improbable that this case will be among them, though the announcement of the decision may be deferred for some time yet.

Sherman Anti-Trust Law.

WASHINGTON, Jan. 21.—The supreme court rendered an opinion in the case of the Sugar Trust Company vs. E. O. Knight and others, involving the validity and constitutionality of the Sherman anti-trust law. The decision holds the law to be inapplicable to the case in hand, and confirms the opinion of the circuit court.

Eloped With an American.

BERLIN, Jan. 21.—Count Benstororf, a member of a wealthy family prominent in Berlin society, has eloped with Sophia Harrison, an American performer in the Winter Garden variety theater. The affair created a sensation in society.

Italian Troops in Egypt.

MASSOWAH, Egypt, Jan. 21.—General Barateiri and the bulk of the Italian troops have arrived at Azamara, on their way to the coast.

The WREN in Business

It is characteristic of the Wren that it will sneak in and occupy the nest made by another bird, in preference to building one of its own. This same trait is often seen in business. It is shown by the imitators of

COTTOLENE

No sooner has the wonderful merit of this new vegetable shortening, so much better than lard, created for it a remarkable sale and popularity, than the business wrens are ready to move upon the market with many worthless counterfeits. Any housekeeper can be easily and cheaply convinced of the value of COTTOLENE by simply giving it a trial. They will then be unwilling to go back to lard, or go down to fraudulent imitations

Killed by a Detective.

LOS ANGELES, Jan. 21.—Detective Auble shot and fatally wounded William Beane, a young Englishman whom he detected entering a fruit store at Temple and Hill streets. Beane made a dying statement, in which he claimed to have come from Pueblo, Colo., in search of work, which he could not find.

It May Do as Much for You.

Mr. Fred Miller, of Irving, Ill., writes that he had a Severe Kidney trouble for many years, with severe pains in his back and also that his bladder was affected.
