## STRIKERS AT WAR

**Brooklyn Companies Unable to Operate Cars.**

**MORE WIRES CUT LAST NIGHT**

**A Battle Reported Between the Striking Carmen and the Seventh Regiment, in East New York.**

BROOKLYN, Jan. 22.—There was an unusual calm this morning at the Alabama-avenue station, but the Fulton-avenue line conductors were stoned.

Each stable is crowded with tired soldiers. Outside in the fog, where they could see only three paces before them, pickets halted every passer-by to know his business. They were in no humor for nonsense, and it was with ill grace that they stood the fusillade of missiles hurled from the impenetrable darkness.

While they did not make an open manifestation, the mobs busied themselves with cutting wires on Gates and Myrtle avenues. On Gates avenue, between Knickerbocker and Central avenues, they cut the wires and carried them away. At Flatbush it was discovered that a man had made his way into the stable and attempted to bribe the new men here to desert their posts under the promise of being well paid for staying away from work. It was discovered that some other miscreant had tampered with the motor-boxes of some of the cars. He was discovered in the stables and fought like a demon, and finally made his escape.

Every precaution is being taken to prevent any stranger from entering the power-houses, as there have been threats that the stable and power-houses would be blown up. The companies are still further hampered by the refusal of linemen to repair cut wires.

After midnight last night a non-union motorman named O'Neill was knocked down and kicked until almost unconscious. He was then bound hand and foot with wire, carried into an empty lot and kept there until daylight. His fetters were then removed and he was escorted to the Broadway ferry. His fare was paid, and he was told not to return under a penalty of worse treatment next time.

Saloons in the neighborhood of the car stables are crowded with strikers and friends.

Two boys were badly injured by being trampled upon by the strikers in the conflict between the soldiers and rioters last night at Ridgewood. The companies are still unable to secure new men to run all their cars, and it is not expected that any more cars will be running today than yesterday.

Col. Appleton has ordered his men when assaulted henceforth to respond point blank with lead.

Another conference between Brigadier-General McAleer, Mayor Schieren, and the executive committee of the strikers and the presidents of the railroad companies will be held today.

This afternoon Presidents Lewis, Norton and Wicker say that the outlook is brighter for the resumption of normal travel on their lines. They made a slight gain this morning in the number of cars operated, but did not succeed in starting cars as promptly and quietly as they planned to do last night. President Norton did, however, run cars on three lines which have been closed since the strike was begun. The cut wires and the refusal of linemen to make repairs prevents Presidents Lewis and Wicker from starting new lines. They made an improved showing on lines operated yesterday, but on only a half-dozen lines out of a total of 46 lines affected was there anything like resumption of normal traffic.

The first disturbance of the morning

was in the vicinity of the Fifty-eight street and Third avenue stables, where the strikers made an attack on a wagon containing a motorman and a conductor, on their way to the stables. A howling mob followed the vehicle, jeering and throwing missiles of all kinds at the men. By the time the wagon reached the stables a mob of nearly 1,000 had gathered, and the situation looked quite threatening.

At this point officers in command of the troops were ordered to charge, and the streets were soon cleared. During the charge a shot was fired, but no one hurt.

About 2 o'clock this afternoon a mob at Buffalo avenue attacked a Fulton street-car. Troop A, under the command of Lieutenant Bagley, came to the assistance of the police, and the strikers were dispersed.

The cars of the Broadway line have stopped on account of the cutting of wires at Rockaway avenue. A large crowd has congregated there. Captain Gorman and a wagon load of policemen have gone to the scene of the trouble. Several other brushes between the police and strikers occurred.

It is reported that the seventh regiment is having a fierce fight with strikers in East New York. It is reported several soldiers have been injured. The strikers are throwing stones and breaking cars at the stables.

**Mexico Will Not Concede One Iota to Guatemala.**

CITY OF MEXICO, Jan. 22.—After a very stormy cabinet meeting last night, President Diaz notified Guatemala through its minister, that he would not concede one iota, Guatemala would have to give in to Mexico's demands or suffer the consequences. Other Central American representatives at the meeting made a statement to President Diaz that they understood Mexico was trying to grasp Central American territory. Diaz denied the assertion, and stated that Mexico would have her right, and the boundary lines should be as Mexico claims, but that Mexico had all the territory she needed. It looks as if the other Central American republics were behind Guatemala. All government students are marching in the streets with bands, and shouting "Viva Mexico!" "Viva Diaz!" and "On to Guatemala!"

**Wyoming's New Senators.**

CHEYENNE, Wyo., Jan. 22.—The Wyoming legislature voted for two United States senators at noon today. For the six-year term Francis E. Warren, rep., received 33 votes in the house, 14 in the senate. **Japanese Still Advancing.**

WASHINGTON, Jan. 22.—The secretary of the navy has received the following cablegram from Admiral Carpenter, dated Chemulpo, January 21: An army has landed on the Shanghai promontory, China, under cover of the Japanese fleet. The Baltimore leaves Chemulpo for Chee Foo. This places the Japanese forces between Peking and Fortress Wei-Hai-Wei.

**Persia Shaken by Earthquakes.**

TEHERAN, Jan. 22.—An official dispatch from Meshed, the capital of the province of Khorassan, says that a severe earthquake shock was felt there at noon Thursday, January 17. The vibration extended in a north-westerly direction as far as Chinaran. There was a second shock the same evening. No lives were lost.

Carlton Cornwell, foreman of the Gazette, Middleton, N. J., believes that Chamberlain's Cough Remedy should be in every home. He used it for a cold and it effected a speedy cure. He says: "It is indeed a grand remedy, I can recommend to all. I have also seen it used for whooping cough, with the best results." 50 cent bottles for sale by Blakeley & Houghton Druggists.

**In Tennessee.**

NASHVILLE, Jan. 22.—The ballot for United States senator in the house today stood: Ishman G. Harris, dem., 60; E. J. Sanford, rep., 29; A. L. Mills, pop., 6. Senate—Harris, 19; Sanford, 10; Mills, 3.

There is good reason for the popularity of Chamberlain's Cough Remedy. Davis & Buzard, of west monterey, Clarion Co., Pa., say: "It has cured people that our physicians could do nothing for. We persuaded them to try a bottle of Chamberlain's Cough Remedy and they now recommend it with the rest of us." 25 and 50 cent bottles for sale by Blakeley & Houghton Druggists.
