ANOTHER MAN IS SHOT

Thomas Carney Wounded by a Soldier.

RECOVERY IS ALMOST IMPOSSIBLE

They Demand Immediate Relief From the Blockade—Notes of the Strike.

BROOKLYN, Jan. 23.—Thomas Carney was shot in the side by a soldier this afternoon. Carney had thrown bricks from the roof of a building on the soldiers below. He will probably die.

BROOKLYN, Jan. 23.—At least one life has been sacrificed by the strike of the motormen and conductors of the trolley lines. Henry Ahns, who for disregarding a command to halt, was shot by the militia last night, died today. The injured can be counted by scores, but most have been kept under cover in order that they may not be prosecuted by the police for creating disturbances.

This is the tenth day of the big strike, and still the result hangs in the balance. The railroad companies can operate their lines as far as mechanical arrangements go, but up to the present they have secured only about 400 new men.

At 10:45 o'clock car No. 304, of the Court street line, and 300, of the Halsey street line, came down Third avenue to the Fifty-eighth street depot. There were 25 non-union men on each car, drawn from the Court and Halsey street lines. Four police officers rode on the cars, while two mounted policemen rode in the rear of each car. The cars were escorted by companies I and F. of the Second regiment, while two other companies of the same regiment guarded the Fifty-eighth street depot. Both cars were run into the Fifty-eighth street depot, through crowds of strikers, who jeered and hooted the non-union men. The strikers were driven off by the troops, and the windows and doors of houses in the vicinity ordered closed. The police drove workmen employed on a number of new buildings, in course of erection on Fifty-sixth and Fifty-seventh streets, from the buildings, and placed a guard of policemen there to prevent the strikers from carrying off the material used in construction of buildings, for purposes of obstructing tracks.

A committee of citizens of the seventeenth ward who were appointed at mass meeting, held last night, waited on the mayor this forenoon and asked that immediate relief be afforded them. Rev. Dr. Laven was the principal spokesman. The following resolutions, which were adopted at a meeting last night, were presented:

"Resolved, That we protest against the monster monopoly of the railroad systems of our city, and that they be compelled by the city authorities to run their cars in compliance with their charters, and that in the event of their non-compliance the city authorities take control of the roads so that the people may have immediate and permanent relief. It is now the ninth day since any car has been operated in the seventeenth ward, and all business has been practically destroyed at a great loss to our citizens, and we demand immediate relief."

In every quarter of the city the wires were cut during the night, and the stables and power-houses were subject to a desultory bombardment of stones. A few of the malefactors were arrested on many lines.

The Myrtle avenue line opened about 3 o'clock this morning, three policemen guarding each car. Soldiers were stationed at all cross streets for a distance of 30 blocks from the depot. Every window was ordered closed, and no one was allowed to stand in the streets. The car went on its way downtown without molestation.

Instructions were received by Judge Page of Astoria, Tuesday morning from the officials at Washington to not send the bark Glandinorwig to another port to be disinfected but to have the local health officers fumigate her throughout and then release her from quarantine.

From little acorns grow, so also do fatal diseases spring from small beginnings. Never neglect symptoms of kidney troubles; if allowed to develop they cause much suffering and sorrow. Dr. S. H. McLean's Liver and Kidney Balm is a certain cure for any disease or weakness of the kidneys. A trial will convince you of its great potency. Price \$1.00 per bottle. Sold by Snipes & Kinnersly, druggists.

Many stubborn and aggravating cases of rheumatism that were believed to be incurable and accepted as life legacies, have yielded to Chamberlain's Pain Balm, much to the surprise and gratification of the sufferers. One application will relieve the pain and suffering and its continued use insures an effectual cure. For sale by Blakeley & Houghton Druggists.

Highest of all in Leavening Power.—Latest U. S. Gov't Report

Royal Baking Powder

ABSOLUTELY PURE

Until 9 o'clock the number of cars in operation was about half that of yesterday. The Fulton street and Flatbush avenue lines succeeded in getting only one or two cars through to the bridge, for the reason that the wires had been cut and the men refused to repair them. The companies are also short of motormen.

Despite the assurances of Mayor Schieren that the military force in Brooklyn is sufficient to do all that is required of it, it is believed he has made a request for additional troops to be held in readiness for an emergency.

The excitement began today about 9:30, when a wagon load of about a dozen non-union men arrived in charge of troop A, of New York. At Fifty-first street and Third avenue, the strikers' headquarters, a lot of stones were thrown at the troops and wagon, but the troops charged the mob and drove them back into their headquarters and down the side streets.

Fifty rioters had a fight with the militia at Fifth avenue and Twenty-fourth street. One soldier got a black eye, being hit with brass knuckles. Red pepper is freely used by rioters, and many policemen and soldiers are suffering from sore eyes.

During the night pickets at Twenty-fourth street and Fifth avenue were fired on by the rioters. None of the soldiers were injured. They fired in the direction whence the shots came, but probably without effect.

At 8:15 today a crowd gathered in front of the Bushwick Cottage hotel and jeered at the non-union men at Ridgewood depot. Companies G and D, of the Seventh regiment, charged on the mob and succeeded in dispersing it. No shots were fired.

Blue Jackets in Che-Foo.

LONDON, Jan. 23.—A dispatch from Che-Foo says that sailors from all foreign warships have been landed to protect the consulates.

Advice to the Pall Mall Gazette, under date of December 4th, published this afternoon, report that a panic existed then among the inhabitants of Che-Foo, on account of the proximity of Japanese soldiers to the city. The Chinese troops were said to be upon the point of mutiny. It is added that owing to diplomatic objections the plan was not to land any bluejackets from foreign warships without urgent necessity for so doing, but signalmen ashore and aloft were to remain on the lookout day and night.

The correspondent says: "All male foreigners, numbering about thirty, are armed, and are able to hold the Chinese in check until help arrives, but God help outlying American missions."

Senator Palmer Wishes the Mortgage Paid in Silver.

WASHINGTON, Jan. 23.—Senator Palmer introduced a bill today directing that the senior mortgage bonds of the Union Pacific railroad be payable in silver dollars. The bill provides further that if there are not enough silver dollars coined and in the treasury the secretary may coin from bullion in the treasury enough to meet the deficit. "I do not expect to see the bill passed this session," said Palmer, "but it will serve to counteract the proceedings commenced in the federal courts of St. Louis to foreclose these senior mortgages." The Illinois senator thinks the proceeding in court is in the nature of a menace to force congress to pass a bill extending the time of the payment of its debt to the government.

Further Proceedings Against the Union Pacific Railroad.

LINCOLN, Neb., Jan. 23.—Proceedings in foreclosure against the Union Pacific railway similar to that instituted at St. Louis, were begun yesterday in the federal court before Judge Dundy by F. G. Dexter and Oliver Ames, trustees of the mortgage bondholders. The plaintiffs set up that the company defaulted on the interest of July 1, 1894, and continued in default until November 27th, when the receivers offered to pay the defaulted interest. Plaintiffs relate the

Carlton Cornwell, foreman of the Gazette, Middleton, N. J., believes that Chamberlain's Cough Remedy should be in every home. He used it for a cold and it effected a speedy cure. Broker Quigley Secured \$16,000 From the Pequot National Bank.

BRIDGEPORT, Conn., Jan. 23.—It was learned last night that another bank had been caught by Broker Quigley. The Pequot National bank has a loan of \$16,000, and \$26,000 in bonds as collateral. Cashier Prindle says the loan was made before the firm of Quigley & Tuttle was dissolved and that he will hold Tuttle's property to protect the bank. Cashier Prindle has not examined the bonds and thinks that some of them may be genuine.

There is good reason for the popularity of Chamberlain's Cough Remedy. Davis & Buzard, of west Monterey, Clarion Co., Pa., say: "It has cured people that our physicians could do nothing for. We persuaded them to try a bottle of Chamberlain's Cough Remedy and they now recommend it with the rest of us." 25 and 50 cent bottles for sale by Blakeley & Houghton Druggists.
