GUATEMALA'S REPLY

Her Official Communication Received by Mexico.

ITS CONTENTS NOT YET KNOWN

Her Ultimatum Will Be Sent to Her Southern Neighbor Next Week--Preparations for War.

CITY OF MEXICO, Jan. 25.—The official communication of Guatemala to the demands of Mexico over the threatening international boundary dispute came in on the Vera Cruz railway mail train last night, having been forwarded from Coatzacoalcos to Vera Cruz by a boat in waiting. Foreign Secretary Mariscal is engaged in making a careful reading of the voluminous document, which will be presented at the meeting of the cabinet today. It is generally understood that the import of Guatemala's reply is the same as indicated in the telegram received from Mexican Minister Godoy at the time it was delivered to him by the Guatemalan government.

It is generally understood that early next week an ultimatum will be sent to Guatemala by the corvette Saragosa, which will at once declare war on that republic unless it accepts the demands of Mexico in every particular. In any event the Saragosa will bear a note to Minister Godoy instructing him to request his passports from Guatemala. Should its answer be negative, he will be protected and landed on Mexican soil by the corvette, which will then be detailed for the transportation of troops and munitions of war.

The war department in this capital is all activity. The entire office forces are working over hours, and an unusual spirit of life and general animation is seen on every hand. The number of troops already on the frontier is 18,000, and several brigades are in readiness to be pushed to the frontier at a day's notice.

Arrangements have been quietly made by the Mexican war authorities for the Guatemalan invasion as soon as hostilities are declared. The armed corvette Saragosa, the gunboat Oaxaca and all Mexican gunboats on the Pacific will be employed in landing troops at San Jose, Guatemala, or at some other convenient point. Immediately on landing the forces will be pushed with all possible speed across the country toward the capital, which lies only about 50 miles from the coast, and where it is naturally expected hard fighting will occur.

the city of Guatemala. Artillery and other heavy guns will be shipped by sea, and as the Guatemalans will probably do all in their power to prevent the landing of Mexican forces, artillery mounted on Mexican ships and designed for besieging service will be immediately brought into play. There are several good landing places along the Guatemalan coast, and there will be no difficulty in eluding opposition, should it be shown at a regular harbor. The Guatemalan forces are altogether too small to put up a good fight at more than one or two points, so Mexico will have probably little trouble in gaining the land. The evident policy of Guatemala will be to concentrate all forces possible on the coast and northern frontier at strategic points, and have her forces fall back upon the fortifications at the Guatemalan capital if unable to hold their own against the Mexicans.

Incidents of the Joint Session.

SALEM, Jan. 25.—There was little excitement attended the vote for United States senator today. Representative Cooper of Benton county deserted Dolph and Speaker Moores was paired with Representative Scott of Linn county. Following is the vote: Dolph 42, Moore 11, Hermann 10, Lord 3, Williams 2, Barkley 1, Lowell 1, Hare (pop) 10, Bennett (dem) 8. The total vote cast was 88. Speaker Moores and Representative Scott, who is still very ill, not voting. Moores would have voted for Dolph, and Scott against him.

The Dolph men are still confident of ultimate success, while the caucus-bolters are jubilant over his loss of Cooper. It is understood, to continue to vote for him. More of Portland may be brought forward as a compromise candidate should the contest be prolonged. Another dark horse is said to be W. S. Newberry of Portland and D. P. Thompson of that city, is also frequently mentioned in that connection.

PHILADELPHIA, Jan. 25.—A joint meeting of the council of thirty-six and members of the association which proposes celebrating the closing of the 19th century of the Christians era at Jerusalem by erecting a temple "in honor of the Christ," was held at Carpenter's hall last evening. A memorial to be presented to congress was framed reciting that as five years hence will conclude the 19th century of the teachings of Christ, it is proper that the nations of the world be invited to appoint commissioners to meet in the city of Jerusalem to close the 19th and formally open the 20th century of the Christian era.

falling here shortly after midnight, and at noon there was no abatement. It is not cold. West of here, in Kansas, the storm is severe and accompanied with very low temperature. At Perry, O. T., the snow drifted over two feet in some places, with the thermometer below zero.

Carlton Cornwell, foreman of the Gazette, Middleton, N. J., believes that Chamberlain's Cough Remedy should be in every home. He used it for a cold and it effected a speedy cure. He says: "It is indeed a grand remedy, I can recommend to all. I have also seen it used for whooping cough, with the best results." 50 cent bottles for sale by Blakeley & Houghton Druggists.

St. Louis, Jan. 25.—The worst sleet storm in years prevailed here today, but beyond breaking a few telegraph and telephone wires, little damage was done.

There is good reason for the popularity of Chamberlain's Cough Remedy. Davis & Buzard, of west monterey, Clarion Co., Pa., say: "It has cured people that our physicians could do nothing for. We persuaded them to try a bottle of Chamberlain's Cough Remedy and they now recommend it with the rest of us." 25 and 50 cent bottles for sale by Blakeley & Houghton Druggists.
