## Castoria

For Infants and Children.  
Castoria promotes Digestion, and overcomes Flatulency, Constipation, Sour Stomach, Diarrhoea, and Feverishness. Thus the child is rendered healthy and its sleep natural. Castoria contains no Morphine or other narcotic property.

"Castoria is so well adapted to children that I recommend it as superior to any prescription known to me."  
H. A. ABRAMS, M. D.  
114 South Oxford St., Brooklyn, N. Y.

"For several years I have recommended your 'Castoria,' and shall always continue to do so, as it has invariably produced beneficial results."  
E. W. F. FARMER, M. D.  
128th Street and 7th Ave., New York City.

"The use of 'Castoria' is so universal and its merits so well known that it seems a work of supererogation to endorse it. Few are the intelligent families who do not keep Castoria within easy reach."  
CARLOS MARTELL, D. D.  
New York City.

THE CHEYEAH COMPANY, 77 Murray Street, N. Y.

Frank Landry, a resident of Pendleton, for 20 years, and at one time proprietor of the Pendleton hotel, died in that city Thursday.

**A Secret.**  
If all the ladies knew the simple secret that a bad complexion is due to a disordered liver, there would be fewer sallow faces and blotchy skins. This important organ must be kept active and healthy to insure a clear and rosy color. Dr. J. A. McLean's Liver & Kidney Balm is a purifier, beats all the creams and lotions in existence and will produce a more permanent effect. Removes bad taste in the mouth, offensive breath, yellow tinge in the skin, wind on the stomach and that dull, bilious feeling which so surely indicates the torpid liver. Price \$1.00 per bottle. Snipes-Kinersly Drug Co.

Receiver Cox, of the First National bank of Arlington, will pay a dividend of 15 per cent early in February.

**Great Oaks**  
From little acorns grow, so also do fatal diseases spring from small beginnings. Never neglect symptoms of kidney troubles; if allowed to develop they cause much suffering and sorrow. Dr. S. H. McLean's Liver and Kidney Balm is a certain cure for any disease or weakness of the kidneys. A trial will convince you of its great potency. Price \$1.00 per bottle. Sold by Snipes & Kinersly, druggists.

Woodburn has a new bridge, for which the city contributes the materials and the citizens the labor.

Mrs. T. S. Hawkins, Chattanooga, Tenn., says, "Shiloh's vitalizer 'saved my life.' I consider it the best remedy for a debilitated system I ever used." For dyspepsia, liver or kidney trouble it excels. Price 75 cts.

## THEY WILL FIGHT

Mexico Thinks She Would Like a Small War

WITH A VERY SMALL NEIGHBOR

And Wants to Do Up Guatemala—She Refuses to Listen to Any Suggestions.

She Will not Arbitrate.

New York, Jan. 28.—The Herald's Washington correspondent telegraphs: war between Guatemala and Mexico seems inevitable, Guatemala can only prevent it by complying with the demands of Mexico, and this she is apparently unwilling to do. Mexico will not arbitrate. Efforts at arbitration by the United States have failed. I learn from absolutely reliable authority to-night that Mexico has politely but most positively declined to entertain the suggestion of our state department that the difficulty be submitted to arbitration. Stripped of all polite and diplomatic frills, Mexico's answer is to the effect that Guatemala has been very insulting and impudent and deserves a thrashing. The reply was received at the state department late yesterday afternoon and read to the president by Secretary Gresham late last night. It was a disappointment to the administration authorities.

A Pennsylvania Farmer Cut Off His Own Foot.

HARRISBURG, Jan. 28.—Two years ago Robert Galbraith, aged 74, a farmer of Payne township, Indiana county, fell from a load of hay and injured his left ankle and foot. The injury has caused him great suffering ever since, and the family physician has long insisted that unless the foot was amputated the farmer could never be any better. Galbraith stubbornly refused to have the operation performed. One morning last week the farmer's daughter went into his room. "Dad," said he, "the job is done. The foot is amputated." On the bed by his side lay his foot. On the other side was a razor. The old farmer had amputated his own foot with his razor, and had done it neatly, too, at the ankle joint. Although he is now 75 years old, Farmer Galbraith is not suffering from the shock of his self-amputating operation, and the doctor says he could not have taken the foot off more neatly himself.

Fire Ravages Corvallis.

CORVALLIS, Jan. 28.—Fire this morning destroyed the grocery store of Pearce, Clark & Co., on Main street, the saloon of B. Woldt, and two houses belonging to J. E. Sorbin, and damaged a building belonging to John Zeis. The losses are: Pearce, Clark & Co., grocery store, stock and fixtures, \$4,500; insurance, \$3,500.

B. Woldt, liquors, \$400; uninsured.  
J. E. Sorbin, \$3,500; insurance, \$1,300.  
John Zeis, \$200; uninsured.  
Sol Smith, aged 20, had his leg broken during the fire.  
"Tex" Daniels and Harry White were arrested for stealing liquors during the fire. The stolen goods were recovered.

Eight Indictments Against one Man.

BAKERSFIELD, Cal. Jan. 28.—The grand jury today returned nine indictments against J. J. Early for embezzlement while deputy tax collector, and eight against N. R. Packard, ex-county clerk, there for perjury and five for embezzlement. The indictments against Packard are made upon a few specific charges, all of his defalcations not yet being fully reported, nor will they be until the expert completes his report. His speculations it is claimed, will amount to about \$2,500. Expert Moore is absent in Los Angeles, and on his return a full report will be made.

Bound to be a Fight.

CHICAGO, Jan. 28.—The Grand Trunk has notified all the western roads that it will not advance rates to California and Pacific coast points. It was notified in return, that the western roads would demand full percentages on all trans-Missouri and transcontinental business, and under no circumstances will any reduction be accepted. No progress had been made with the Union Pacific in its row with the western lines. It demands a share of the Puget sound business, and the other lines are equally determined that it shall not have it. Unless something gives way, there is bound to be a fight in passenger rates.

A Verdict of Acquittal.

CHEHALIS, Wash., Jan. 28.—The trial of Max F. Haass, who on December 26th shot Joseph Patek dead in this city, was concluded this morning in the superior court. The jury brought in a verdict of acquittal, after being out 36 hours. Haass shot Patek in front of the City drugstore. The murder was the result of a quarrel over Patek's wife. Acquittal followed the plea of self-defense.

Not Guilty of Embezzlement.

BOSTON, Jan. 28.—The jury in the case of Attorney John F. Dore, brought from Seattle, Wash., charged with the embezzlement of \$250,000, returned a verdict today finding him not guilty on six counts. On the other three, the jury could not agree. It is improbable that the case will come up again.

SING SING, N. Y., Jan. 28.—David Hampton was electrocuted at 11:13 today. His crime was the murder and robbery of Mrs. Anita Kerns, in New York, December 29, 1892.

De Pieters Temporary Successor.

ST. PETERSBURG, Jan. 28.—M. Shishkin, assistant of the late M. de Giers, minister of foreign affairs, has been appointed to succeed the latter temporarily.

Troops Called For.

COLON, Colombia, Jan. 28.—It is reported that serious trouble has occurred in the interior. Troops have been sent from Cauca.

The largest cedar tree ever cut in Northwestern Washington was last month felled near Burlington by Robert DeLaney. It was cut 10 feet above the surface of the ground, where it measured 14 feet 2 inches in diameter. It will make 300,000 shingle bolts, worth when manufactured about \$500.

Bad literature seems to have had its effect upon three boys of McMinnville. They had blankets and food prepared for leaving by boat via Dayton, Sunday morning, for an indefinite career as a new "James boys" combination. The father of one of the boys unearthed the plot, and the grub and blankets, and the youngsters are still at home.
