## WILL BE DEPORTED

Queen Lil to Be Sent to Tahiti.

## THE SECRETARY KNOWS NOTHING

That Is, He Knows Nothing About the Capture of Armenian Officers by Chinese.

### The Rejected Credentials.

LONDON, Feb. 5.—A dispatch to the Times from Yokohama says the credentials of the Chinese peace envoys, which Japan refused on account of the insufficiency of their powers, were as follows: "By decree we appoint you our plenipotentiary to meet and negotiate the matter with the plenipotentiaries appointed by Japan. You will, however, telegraph to Tsung Li Yamen, of the Chinese foreign office, for the purpose of obtaining our commands by which you will abide. Members of your mission are placed under your control. You will conduct your mission in a faithful and diligent manner, and fulfill the trust reposed in you."

A dispatch from Peking says that the capture of Leng Chou and Wei-Hai-Wei has made a deeper impression upon the Chinese than the fall of Port Arthur. The dispatch adds that the reported refusal of Japan to treat with the Chinese envoys confirms the belief expressed in Peking that the Japanese are not willing to name their own terms of peace.

### Still Hold the Forts.

HIROSHIMA, Feb. 4.—Up to noon yesterday the Chinese still held the forts on Liu Tung Kau island. The Japanese attack continues.

### Chinese Officers Degraded.

LONDON, Feb. 4.—A Tien Tsin dispatch says two Chinese colonels and two captains have been degraded for retreating from Yung Cheng.

### Defendants in the Debs Conspiracy Released.

CHICAGO, Feb. 5.—Four of the defendants in the Debs conspiracy trial were discharged by Judge Grosvenor today. They were Dennis Larkin, Frank Dreyer, James McDonald and John Burke. The court reserved its decision as to John F. McVean and John J. Hannahan, directors of the American Railway Union. Regarding the other eleven defendants, including Debs, the judge simply said to the attorneys for the defense "You may go ahead with your side case."

The defense opened by calling President Thomas, of the Western Indiana road. He was asked about the proceedings of the General Managers' Association. He produced reports, but requested they should not be made public. The defense attempted to prove by Thomas' testimony that an agreement existed previous to and during the strike between the general managers and the Pullman Company, but he denied this. President Rosewell Miller, of the Chicago, Milwaukee & St. Paul, was asked if Attorney Walker, who assisted the government, was not attorney of his road. A brisk legal battle followed, the defense claiming Walker's service as attorney for the interested railroad should disqualify him from serving as counsel for the prosecution. The matter was finally ruled out by the court. General Manager Hurley, of the Chicago, Milwaukee & St. Paul, was examined as to the proceedings of the General Managers' Association, but could remember but little of what occurred.

### Mrs. Quigley Will Live in Sing Sing Village.

SING SING, N. Y., Feb. 5.—Mrs. Louise Downs Quigley, wife of Edwin O. Quigley, the self-confessed forger of Western bonds who was sentenced to 15½ years in Sing Sing prison, has been an almost daily visitor to the prison since her husband arrived. She has not been allowed to see him, but she has brought his wearing apparel, bed clothing and other articles, to decorate his cell. She has decided to give up her house in Orange, N. J., and come, with her family, to Sing Sing village, so that she may at least be near her husband.

### Chief Arthur Thinks Matters Will Be Amicably Arranged.

SAN FRANCISCO, Feb. 5.—When seen late last night, Chief Arthur said: "We have accomplished nothing so far, but we expect to arrive at some settlement of the dispute on Thursday. I am going away for a day or two, but will be back here to meet the Southern Pacific officials on Thursday. We have submitted several propositions to them and they want time to consider them. The nature of the propositions I must positively decline to discuss. I can only say that I expect to see this matter amicably adjusted on Thursday."

## DID YOU EVER

hear tell of a purchaser wanting to buy an imitation? Why do men who try to sell such articles speak of the act as "working them off?" Simply because people want the best, and it takes work and likewise deception to sell them the worst. This unpleasant experience may befall the housekeeper who determines to

## TRY COTTOLINE

the new vegetable shortening. The healthfulness, flavor, and economy of this wonderful cooking product has won for it the widest popularity, which in turn has attracted the attention of business parasites who are "working off" imitations and counterfeits. Forewarned is forearmed. Be sure you get the only genuine vegetable shortening—COTTOLINE.

Sold in 3 and 5 pound pails. Made only by The N. K. Fairbank Company, ST. LOUIS and Chicago, New York, Boston.

### Rebels Again Defeated.

COLON, Colombia, Feb. 5.—General Reyes, with 3000 government troops, recently attacked and defeated the rebels at Hond. General Aldono and 90 rebels were killed.

### Marvelous results.

From a letter written by Rev. J. Gunderman, of Dimondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist Church at Rivers junction she was brought down with Pneumonia succeeding La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results." Trial bottles free at Snipes-Kinersly Drug Co's Store. Regular size 50c. and \$1.00.

### Returned to London.

LONDON, Feb. 5.—The Princess of Wales returned to London today, having been absent in Russia and Denmark since a short time prior to the death of the czar. She was heartily cheered at the railroad station by the crowd.

### A Secret.

If all the ladies knew the simple secret that a bad complexion is due to a disordered liver, there would be fewer sallow faces and blotchy skins. This important organ must be kept active and healthy to insure a clear and rosy color. Dr. J. A. McLean's Liver & Kidney Balm as a purifier, beats all the creams and lotions in existence and will produce a more permanent effect. Removes bad taste in the mouth, offensive breath, yellow tinge in the skin, wind on the stomach and that dull, bilious feeling which so surely indicates the torpid liver. Price \$1.00 per bottle. Snipes-Kinersly Drug Co.

### Appeal Denied.

SAN FRANCISCO, Feb. 5.—The petition presented by Henry E. Highton, attorney for Alice Edith Blythe, in which she asked for a rehearing of her appeal in the Blythe estate contest, has been denied by the supreme court.

Symptoms of kidney troubles should be promptly attended to; they are nature's warnings that something is wrong. Many persons die victims of kidney diseases who could have been saved had they taken proper precautions. The prompt use of Dr. J. H. McLean's Liver & Kidney Balm has saved thousands of valuable lives. If you have any derangement of the kidneys try it. Price \$1.00 per bottle. Sold by Snipes & Kinersly, druggists.
