You can Get it

Cottolene—the new shortening—the only pure and healthful and perfectly digestible frying and shortening material in the market—is now to be had at all first-class grocers throughout the United States and Canada.

How to use it

In using Cottolene for shortening, it is of the greatest importance, to use only about one-half or two-thirds as much as would be used of lard. This is essential to success in the cooking, as well as an important feature for one's pocket book.

Nothing Like it

Cottolene, like all other good things, has found several imitators, all of very inferior quality, and sure to cause dissatisfaction. To be sure of getting the genuine Cottolene, the best way to buy it is in the tin pails bearing the name and Trade-Mark.

Made only by THE N. K. FAIRBANK COMPANY, ST. LOUIS and Chicago, New York, Boston.

Manager—Why don't you get off something that will make the people laugh? Artist—Impossible. The people in the audiences here would have to have a house fall on them to see anything. Manager (sadly)—And we can't get a house.—Detroit Free Press.

From a letter written by Rev. J. Gunderman, of Dimondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist Church at Rivers junction she was brought down with Pneumonia succeeding La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results." Trial bottles free at Snipes-Kinnersly Drug Co's Store. Regular size 50c. and \$1.00.

Harry—Billy, did you read about that fellow who patented a self-opening umbrella? Billy—Yes; but I'm getting up to beat him; I'm getting up an umbrella that will drop all to pieces the minute it is stolen.—Smith, Gray & Co's Monthly.
