### THE BOND ISSUE IS CERTAIN

### Grosscup After Pullman.

CHICAGO, Feb. 7.—Judge Grosscup appeared determined today to find out whether George H. Pullman evaded service of the subpoena issued for him by the defense in the Debs conspiracy case. William R. Johnson, the colored door-keeper of Pullman's private office, was called, and said he saw Pullman enter the office Monday morning at 10:30, an hour after Deputy United States Marshal D. B. Jones called. Jones wrote his name and official title on a card, which Johnson said he gave F. S. Sweet, Pullman's private secretary, who entered the inner office, and, returning, said Pullman was not in. Johnson said he did not see Pullman come out of the office, nor did he know if Pullman was there at the time the card was sent in. Judge Grosscup asked for Sweet, and was informed by the counsel for defense that Sweet had disappeared also. "Never mind, then," said the judge, "we will postpone inquiry until Sweet is found and brought before the court."

Jennie Curtis, an ex-Pullman employe, took the stand and told of the poverty of many of the Pullman Company's employes before the strike. Debs was called for cross-examination by the government, which took up the greater portion of the session.

**Spreckels' Part In It.**

SAN FRANCISCO, Feb. 7.—A special from Honolulu gives further particulars of Rudolph Spreckels' connection with the rebellion. Among the papers seized at Liliuokalani's house was a diary with entries made last June and July referring to Rudolph Spreckels' advice that she resort to force to regain her throne. The general impression in Honolulu is that Rudolph Spreckels did not purchase arms for the revolutionists himself, merely advancing funds for the arms which were purchased for the ex-queen by some one else. Liliuokalani's diary refers to the commission appointed by Washington and ascertain if President Cleveland would take further steps to restore her to power. She writes that she informed Spreckels that she thought Cleveland would favor arbitration rather than force of arms. The special correspondent at Honolulu claims to have positively learned that some of the leaders of the rebellion have been sentenced to death.

**Fully Confirmed.**

WASHINGTON, Feb. 7.—Secretary Gresham has received a long telegram from Willis which fully confirms the United Press Honolulu dispatches printed yesterday.

**Thurston Hears From Home.**

WASHINGTON, Feb. 7.—Minister Thurston has received a dispatch confirming the trial of the rebels and the abdication of ex-Queen Liliuokalani. He says his dispatch contains nothing about the interference of Willis concerning any offenders.

**Coldest February Weather Ever Recorded.**

WASHINGTON, Feb. 7.—The weather bureau furnishes the following bulletin: During the past 24 hours the storm in Louisiana has moved to the South Atlantic coast increasing in intensity and area. The high pressure has moved from the north of Montana to North Dakota and the South Atlantic coast sharp barometric gradients will cause the severest cold wave and the lowest tem-

perature in the Indian territory and in northern portions of Texas and Louisiana has fallen 36 to 48 deg. in the past 24 hours, and is now 40 deg. below normal. Emergency warnings for northwest gales and freezing weather have been sent out from Louisiana and Mississippi, Alabama, Georgia South Carolina and Florida.

### RATE WAR GOES ON.

Cheap Transportation Between the Sound and San Francisco.

SAN FRANCISCO, Feb. 7.—The Pacific Coast Steamship Company now advertises a freight rate of \$2 per ton to Puget Sound ports. The opposition line of Meyer & Akman agree to cut under these figures, and also under the cabin passenger rate of \$10. The opposition line is doing a good business, and announces that its rate to the Sound will be permanently reduced.

### Announcement of Another Bond Issue.

WASHINGTON, Feb. 7.—It is confidently expected that the announcement of another bond issue will be made tomorrow or Saturday, independent of the action of the house this afternoon, on the Springer bill. The net result of the negotiations in progress for the last two or three weeks is said to be a practical agreement among London and New York bankers and the president for the issue of \$100,000,000 4 per cent bonds on an interest basis of at least 3 1/4 per cent, if not greater. It seems almost certain that \$50,000,000 will be offered to our people and the other \$50,000,000 sold in London.

### Japanese Still Firing on Island Forts a Wei-Hai-Wei.

LONDON, Feb. 7.—A Shanghai dispatch reports that the Japanese warships continue to bombard the island forts at Wei-Hai-Wei and the Pei-Yang fleet of Chinese war vessels which are lying in the harbor. The Japanese are confident that the forts will be taken in a few days. It is expected the Chinese fleet will either engage the Japanese ships or be destroyed by Admiral Ting to prevent the vessels from falling into the hands of the Japanese. Soldiers retreating from Wei-Hai-Wei continue to arrive at Che-Foo.

**Chinese Embassies at Marseilles, En route for Paris.**

LONDON, Feb. 7.—A dispatch to the Globe says the Chinese fleet has shelled the part of Wei-Hai-Wei, which was occupied by the Japanese. Shanghai papers assert that the Japanese general, Nodzu, was killed at Hai-Cheng, and General Tai, commanding the Chinese land forces at Wei-Hai-Wei, is dead.

The Globe publishes a dispatch from Marseilles, which states that Chinese emissaries have arrived there en route to Paris. Their mission is to persuade the European powers to arrange peace between China and Japan.

### Engineers and the Southern Pacific Company Will Compromise.

SAN FRANCISCO, Feb. 7.—A settlement of the dispute between the Southern Pacific Company and its engineers is considered probable. Chief Arthur says he did not come here to act as an arbitrator, but as advisor. He believes an amicable understanding will be reached, saying both the engineers and the officers of the company show a disposition to compromise. He deprecates a strike.

**Another Witness Substantiates Blixt's Story.**

MINNEAPOLIS, Feb. 7.—In the Hayward murder trial today Hans Barlow testified that he was in the basement of the Ozark flats when Blixt cut the "T" rail in two for Harry Hayward. He helped Blixt cut the rail and heard Harry Hayward scold Blixt for cutting it instead of simply bending it. On cross-examination he admitted he had served a term in the workhouse.

### Two Outlaws Killed.

TULSA, I. T., Feb. 7.—Jim French and Verdigris Kid, two of the remaining members of the original Bill Cook gang, attempted last night to rob the store of John Irvine, and were shot and killed by Irvine.

### Highest of all in Leavening Power.—Latest U. S. Gov't Report

**Royal Baking Powder**  
ABSOLUTELY PURE

**You can Get it**

Cottolene—the new shortening—the only pure and healthful and perfectly digestible frying and shortening material in the market—is now to be had at all first-class grocers throughout the United States and Canada.

**How to use it**

In using Cottolene for shortening, it is of the greatest importance to use only about one-half or two-thirds as much as would be used of lard. This is essential to success in the cooking, as well as an important feature for one's pocket book.

**Nothing Like it**

Cottolene, like all other good things, has found several imitators, all of very inferior quality, and sure to cause dissatisfaction. To be sure of getting the genuine Cottolene, the best way to buy it is in the tin pails bearing the name and Trade-Mark.

Made only by  
**THE FAIRBANK COMPANY,**  
ST. LOUIS and  
Chicago, New York, Boston.

### Nearly Asphyxiated.

HARRISBURG, Feb. 7.—Two members of the legislature, Porter and Hunter, were partly asphyxiated by gas in a room at Hersbury house last night. Porter's condition is critical.

### Marvelous results.

From a letter written by Rev. J. Gundersman, of Dimondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist Church at Rivers junction she was brought down with Pneumonia succeeding La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results." Trial bottles free at Snipes-Kinersly Drug Co's Store. Regular size 50c. and \$1.00.

### Factories Burned.

PHILADELPHIA, Feb. 7.—The gingham mills of Walker & Rothmond, at Powermill Lane, on Frankfort creek, burned this morning. The loss is \$70,000.

### A Secret.

If all the ladies knew the simple secret that a bad complexion is due to a disordered liver, there would be fewer sallow faces and blotchy skins. This important organ must be kept active and healthy to insure a clear and rosy color. Dr. J. A. McLean's Liver & Kidney Balm as a purifier, beats all the creams and lotions in existence and will produce a more permanent effect. Removes bad taste in the mouth, offensive breath, yellow tinge in the skin, wind on the stomach and that dull, bilious feeling which so surely indicates the torpid liver. Price \$1.00 per bottle. Snipes-Kinersly Drug Co.

### Chinese Warships Sunk.

LONDON, Feb. 7.—The correspondent at Wei-Hai-Wei telegraphs that the Chinese ironclads Chen Yuen and Ting Yuen have been sunk.

Symptoms of kidney troubles should be promptly attended to; they are nature's warnings that something is wrong. Many persons die victims of kidney diseases who could have been saved had they taken proper precautions. The prompt use of Dr. J. H. McLean's Liver & Kidney Balm has saved thousands of valuable lives. If you have any derangement of the kidneys try it. Price \$1.00 per bottle. Sold by Snipes & Kinersly, druggists.

### Stevens Critically Ill.

AUGUSTA, Feb. 7.—Ex-Minister to Hawaii Stevens is critically ill with nervous prostration and heart trouble. All pain banished by Dr. Miles' Pain Pills.
