Woman's Friend Stove Mat.

10e each. Former price, 50c.

DIRECTIONS.

Use, as a general thing, just on top of stove. If great heat is required, use without the stove lid.

No stirring required for oat meal, milk, rice, custards, blanch mange, jellies, butters, catsups, apple sauce, etc., etc. In fact, nothing will burn on it. Coffee will not boil over if the pot is on the mat; bread toasts nicely on it. Try it and be convinced. For the nursery, there is nothing equal to heat, the milk and food for the baby. If a grate fire, lay the mat on the open fire. If the mat becomes soiled, do not wash or scrape, but turn the soiled part next to fire, and burn until clean.
