NEW YORK IS ICEBOUND

A Solid Sea of Ice From the Narrows to Sandy Hook.

CONTINUANCE OF THE STORM

Reports From All Sections of the East and South Are of Excessive Cold and More Snow.

New York Feb 9.—Today New York was practically icebound. The bay, from the Narrows to Sandy Hook, is almost a solid field of ice. The upper bay would be as bad were it not that a number of tugs are at work breaking the ice to permit the passage of craft and that small steamers are plying in the North and East rivers. Tugs are constantly at work clearing a passageway for the Staten Island ferry boats. Two boats of the Lehigh Valley were stalled in the East river for over an hour and a tug that went to their assistance was also stopped by the ice. Reports from the interior of the state tell of the continuance of the great storm. Trains on the central Hudson river are from five to eight hours late. The Danneburg and Mechanicsville branch of the Delaware & Hudson canal road have been abandoned, and no effort will be made to operate them until the storm abates. The Genesee branch of the Erie is blocked. The Port Jarvis and Monticello railway and branches are so badly blocked by snow that they can scarcely be opened before next week. The main line of the Erie Western is closed, no through trains having passed since Thursday. All through trains on the Rome, Watertown & Ogdensburg are abandoned.

A Lyons telegram says a second blizzard began at 6 o'clock this evening, and within a couple of hours it was snowing and blowing harder than at any time since the big storm commenced. Four New York Central engines are off the track in the Lyons yards and traffic there is at a standstill.

Through Pennsylvania.

PHILADELPHIA, Feb. 9.—At the Pennsylvania and the Philadelphia & Reading stations all trains are from five to ten hours late. The roads, however, are being cleared up and trains are expected to be running regularly before long. The situation in the country districts is practically unchanged.

At Carlisle, at noon, the Cumberland Valley railroad called in all hands and announced all trains would be abandoned. Nothing will be done until the storm abates. The Philadelphia & Reading also abandoned all trains in that section. Four trains and five engines are in the drifts in that neighborhood. At Sunbury the railroads are still blockaded and the situation is not improving. The first mail from Philadelphia since Thursday arrived at Sunbury today. A passenger train and seven engines are snowed in at McClure on the Sunbury & Lewiston road.

PITTSBURG, Feb. 6.—A blizzard swept over this section furiously all night causing much suffering among the poor. The thermometer registered below zero. Trains arrive from one to four hours.

Through Delaware.

WILMINGTON, Feb. 9.—The situation of the Delaware road is serious. A train which left here at 10 yesterday morning and a train that left Harrington yesterday morning are stalled six miles below Middletown. A relief train is also stuck in a heavy drift, and a construction train that left Wilmington this morning was held by a drift at Farnhurst, near here. No trains have been run over this road since Thursday night.

Through Maryland.

BALTIMORE, Feb. 9.—Annapolis is snowbound. Reports come from there

that seven men and their horses were drowned today in an attempt to cross the Severn river on the ice. Cumberland, in the western part of the state, reports that two passenger coaches and nine engines are fast in a snowdrift on the West Virginia Central railroad at Black Oak bottom. The damage on the Chesapeake bay and tributaries by the storm is very great. North Point and Kent Island shore are strewn with wreckage, and loss of life is feared. The heavy snow and wind was almost unprecedented. Small craft and crews are suffering many hardships.

Charges and Specifications Against Ex-Queen Liliuokalani.

VICTORIA, B. C., Feb. 9.—Hawaiian advices by the steamer Warrimoo, to February 2d, were brought tonight, and are as follows:

"There is a lull in the affairs here and quietness will probably reign until the military court now sitting will have finished its work. A large number of conspiracy cases are yet to be tried, and the probabilities are that the court will sit for two or three weeks at least. Great interest is attached to the forthcoming trial of the queen. The government claims to have more than sufficient evidence to convict her. What her punishment will be in case of conviction is hard to conjecture. Her case will probably come up next Monday. She is charged with treason. The charge reads:

"Treason, by engaging in open rebellion against the republic of Hawaii; by attempting, by force of arms, to overthrow and destroy the same; by levying war against the same by adhering to the enemies of the republic of Hawaii, giving them aid and comfort within the Hawaiian islands and elsewhere."

"There are six specifications in the charge. The military commission has brought in findings in twenty-four cases. Those in whose cases verdicts were found are:

"R. W. Wilcox, S. Nowlein, H. R. Bertelman, Carl Wideman, W. H. C. Greig, Louis Marshall, W. C. Lane, J. C. June, C. T. Gulick, W. H. Rickard, W. T. Seward, T. B. Walker, Solomon Kania, Pelahua, Lot Lane, Thomas Poole, J. Kalakukoa, Robert Palau, J. W. Kipikane, Killiona, Joseph Clark, D. Januha, W. Widdifield, Joa. Kiakahi.

"Of the foregoing, D. Janna and J. Kalakukoa were acquitted. The others were all found guilty and their sentences were fixed by the commission, subject to review by President Dole. The sentences vary much, all the way from sentences of death to imprisonment for five years with fines. The lowest sentence for treason by the Hawaiian statute is imprisonment for five years and a fine of not less than \$5,000.

"The six leaders were all sentenced to be hung. They are: Charles T. Gulick, William H. Rickard, William T. Seward, Robert W. Wilcox, Sam Nowlein and Henry Bertelman. Sentences in the last two cases will be commuted, as both men have furnished valuable evidence for the government. Gulick was born in this country, and Rickard is an Englishman. Wilcox is a Hawaiian. The only one of the four who is entitled to the protection of the United States is William T. Seward. As yet no date has been set for the executions. The only important case tried before the military court since the departure of the Australia was that of V. V. Ashford. He is charged with misprision of treason. A batch of twenty native rebels, charged with treason, is now occupying the attention of the court.

"United States Minister Willis has changed his attitude somewhat since last advices. He is not so belligerent in his demands. His latest communication to the government is a request that if the death penalty is imposed in the cases of any Americans, the executions be postponed until he can communicate with his government. The British minister has made a similar request.

"Thus far, but two men who claim American protection have been tried. They are Louis Marshall, charged with

open rebellion, and Thomas Walker, who pleaded guilty to the charge of treason. The government has decided to banish three persons from the islands for complicity in the rebellion. They are J. F. Cranston and A. Muller, for conspiracy to use dynamite, and J. B. Johnstone, a special police officer, who turned traitor. The men will be sent in the Warrimoo leaving for Victoria. Cranston and Muller were to blow up the Central Union church on the night when the rebellion broke out."

Marvelous results.

From a letter written by Rev. J. Gunderman, of Dimondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist Church at Rivers junction she was brought down with Pneumonia succeeding La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results." Trial bottles free at Snipes-Kinerly Drug Co's Store. Regular size 50c. and \$1.00.

A Secret.

If all the ladies knew the simple secret that a bad complexion is due to a disordered liver, there would be fewer sallow faces and blotchy skins. This important organ must be kept active and healthy to insure a clear and rosy color. Dr. J. A. McLean's Liver & Kidney Balm as a purifier, beats all the creams and lotions in existence and will produce a more permanent effect. Removes bad taste in the mouth, offensive breath, yellow tinge in the skin, wind on the stomach and that dull, bilious feeling which so surely indicates the torpid liver. Price \$1.00 per bottle. O. W. O. Hardman, Sheriff of Tyler Co., W. Va., appreciates a good thing and does not hesitate to say so. He was almost prostrated with a cold when he procured a bottle of Chamberlain's Cough Remedy. He says: "It gave me prompt relief. I find it to be an invaluable remedy for coughs and colds." For sale by Blakeley & Houghton, Drug-gists.
