UNDER A WHITE FLAG

Admiral Ting's Offer to the Victorious Japanese.

WOULD YIELD FORTS AND FLEET

Official Report of the Losses of the Japanese Before Wei-Hai-Wei—Chinese Lost 700 Men.

YOKOHAMA, Feb. 13.—It is officially announced that Captain Nurus, of the Japanese squadron, operating at Wei-Hai-Wei, reports that on the 12th a Chinese gunboat approached the Japanese fleet, flying a white flag. She brought a message from Admiral Ting offering to surrender Wei-Hai-Wei and the vessels, providing the lives of the soldiers, crews and foreigners are spared. Captain Nurus reported that the formal surrender was yet to be arranged.

The commander of the second Japanese army, in his official report of the operations before Wei-Hai-Wei, says the losses from the 20th of January to the 1st of February were 83 killed, including General Oetars and three other officers. During the same period 700 of the enemy were killed.

Terrible Torture Inflicted on an old Man
SAYBROOK, Conn., Feb. 13.—Charles Mappell, 75 years old, living near here, recently employed Jack Antonio, a Spaniard, as a farm hand. Sunday he found the Spaniard ransacking his silverware and discharged him.

At 10 o'clock that night a masked man burst into Mappell's bedroom and presented a revolver, demanded the farmer's money or his life.

The old man on refusing, was then bound and gagged, and tortured with a hot poker. As Mappell still refused to reveal the whereabouts of his money, the robber seized a shovelful of red hot coals and held the victim's feet over them until Mappell revealed the hiding place. His visitor secured \$294, a gold watch worth \$100 and valuable silverware. As he left, the robber tore the mask from his face and the old man recognized his farm hand. Antonio had a sleigh waiting and escaped in the direction of the Saybrook woods.

A Man and His Wife Elope With Step-Children
NAPOLEON, O., Feb. 13.—John Rollins, who lives just over the line in Putnam county, a year ago married the Widow Dalryng, who has a daughter aged 17. John eloped with the daughter Monday and the wife eloped with John's 23-year-old son. Both father and son are wealthy farmers, owning large tracts of land, and both have always occupied the same house. The father and his inamorita went East, possibly to Pittsburg. The wife's attorney has filed a petition for divorce, and the old man's lawyer will doubtless soon receive instructions to file a cross-petition.

Many believe that the two couples will go to living in the same house a year from now, the father married to his step-daughter, while his son will wed his father's wife.

Overtures for Peace Will Be Heard There.
BERLIN, Feb. 13.—The Cologne Gazette learns from Japanese sources that overtures for peace will not be regarded by Japan until Peking shall have been captured. The Japanese will demand possession of Korea, the Lian Tung peninsula and Port Arthur, together with a pecuniary indemnity. Japan's only fear is that England and Russia will forestall this program by bringing about peace in their own way.

McDonald on the Stand in His Own Defense.
SAN FRANCISCO, Feb. 13.—Defense in the trial of R. H. McDonald, jr., for perjury reopened its case today and made the defendant a witness. McDonald

testified that he never swore to the bank statement. He recognized his signature to the statement upon which the complaint was based, but said he had no recollection of signing it. He denied he was ever manager of the bank, and said his father had assumed full control, directing all business, even when absent, telegraphing instructions daily. The prosecution in rebuttal made witnesses of two depositors who had lost heavily by the failure of the Pacific bank. Each angrily asserted that Dick was perfectly sane and responsible for his actions.

The Southern Pacific Track Washed Away.

CALIENTE, Cal., Feb. 13.—The biggest flood of the season is on here in full force and has washed out some of the Southern Pacific track about half a mile north of this place, causing a bad wreck to No. 19, the south-bound passenger train, last night at 11 o'clock.

The train was a double-header, as usual, and struck the washout with great force. Both engines, two baggage, one express and one mail car were turned over into the water. Fireman Chester was badly hurt by being caught under the tank. No others were hurt.

All trains in this section are at a standstill until a track can be laid around the wreck.

Irrigation Ditches in Fresno County Fall to Overflowing.

FRESNO, Cal., Feb. 13.—The heaviest job of work which the Fresno Canal and Irrigation Company has had for years is now on their hands. The waters are booming in every creek and ditch, and north of town the country is inundated all along the line of the Herndon ditch for miles. The Mill ditch has overflowed its banks at the Eggers vineyard, and the Barton vineyard and in the Gould colony. A force of 200 men has been despatched to the threatened points. At this hour (noon) the danger of a flood in Fresno seems to be past, as the water is flowing off to the north.

Will Not Be Pardoned.

LONDON, Feb. 13.—In the house Clancy, a member from Dublin, moved that sentences imposed upon Irish political prisoners be reconsidered. Home Secretary Asquith replied that he was convinced the prisoners had been justly convicted. In view of the atrocious character of their crimes he found himself unable to extend clemency. Morley, chief secretary for Ireland denied the assertion that he had promised amnesty to dynamiters.

They Deny the Sinking of Vessels at Wei-Hai-Wei.

LONDON, Feb. 13.—A dispatch to the Times from Shanghai says it is reported in Tien-Tsin that the Chinese warships Chen Yuen, Chin Yuen and Kwang Ting are still afloat at Wei-Hai-Wei. Their immunity from destruction is ascribed to having netting to protect them from torpedoes and other quick-firing guns. The same reports also say that the forts on Lai Kung Tao island are still in possession of the Chinese.

The Unusual Termination of a French Duel.

PARIS, Feb. 13.—A duel with swords was fought today between Lieutenant Marcel Canrobert, son of the late Marshal Canrobert, and M. Hubbard, a socialist member of the chamber of deputies. The combat arose over an expression used in the chamber by M. Hubbard during the debate on granting credit for the marshal's funeral. Hubbard received a deep wound in the chest.

Agitation Among Students Has Had Too Serious Results.

ST. PETERSBURG, Feb. 13.—An agitation of a serious nature has occurred among the students of the Moscow university, and the husbandry institute will, in consequence, be closed. A large number of students have been arrested. The authorities of the university at St. Petersburg have issued a warning to students to abstain from taking part in all manifestations, under the severest penalties.

Threatened by Famine.

BUDA PESTH, Feb. 13.—Famine is

Don't be Deceived

By those who offer substitutes for Cottolene. Its success has been so phenomenal that numerous imitations are now being offered, which are claimed to be "just as good." All these

Imitations

lack the intrinsic merit of Cottolene, and will prove disappointing and disagreeable to those who use them. These counterfeits differ widely from Cottolene, and are mere

Experiments

when compared to the reliable shortening—Cottolene. Save money, annoyance, and your health by refusing all substitutes offered to take the place of Cottolene.

threatened in the district of Hungary, southeast of Buda Pesh. Socialists have taken advantage of the situation to incite riot, and gendarmes have been compelled to disperse the rioters at the bayonet's point.

A Secret.

If all the ladies knew the simple secret that a bad complexion is due to a disordered liver, there would be fewer sallow faces and blotchy skins. This important organ must be kept active and healthy to insure a clear and rosy color. Dr. J. A. McLean's Liver & Kidney Balm as a purifier, beats all the creams and lotions in existence and will produce a more permanent effect. Removes bad taste in the month, offensive breath, yellow tinge in the skin, wind on the stomach and that dull, bilious feeling which so surely indicates the torpid liver. Price \$1.00 per bottle. Snipes-Kinersly Drug Co.

Invaded by Wolves.

ROME, Feb. 13.—Hundreds of hungry wolves from the Alps have invaded the plains in the province of Piedmont, and several villagers have been killed by them. The authorities have sent troops to shoot them, and many have thus been destroyed.

Great Oaks

From little acorns grow, so also do fatal diseases spring from small beginnings. Never neglect symptoms of kidney troubles; if allowed to develop they cause much suffering and sorrow. Dr. S. H. McLean's Liver and Kidney Balm is a certain cure for any disease or weakness of the kidneys. A trial will convince you of its great potency. Price \$1.00 per bottle. Sold by Snipes-Kinersly Drug Co.

The Khedive's Daughter.

CAIRO, Feb. 13.—The harem favorite of the khedive became the mother of a daughter today. The khedive is represented as being greatly disappointed, as he was hoping for the birth of a son who would be an heir to the throne.

Symptoms of kidney troubles should be promptly attended to; they are nature's warnings that something is wrong. Many persons die victims of kidney diseases who could have been saved had they taken proper precautions. The prompt use of Dr. J. H. McLean's Liver & Kidney Balm has saved thousands of valuable lives. If you have any derangement of the kidneys try it. Price \$1.00 per bottle. Sold by Snipes & Kinersly, druggists.
