BATTLE FOUGHT LAST SATURDAY

Santos Acosta Upheld by General Camargo's Forces in Bogota—Will Bring a Large Premium.

NEW YORK, Feb. 19.—A dispatch from Panama says: News has been received here of a battle fought on Saturday between the rebels and the government forces near Santa Rosa, in the department of Boyaca. There were more than 200 killed on both sides.

The capitulation of the rebel forces in the northern part of the republic does not affect the rebellion in other sections. It is reported that General Modesto Garcia, with Benjamin Ruiz and Senior Giza, have left Costa Rica for Colombia. It is expected they will land on the west coast.

General Camargo's forces in Bogota have proclaimed Santos Acosta president.

French Government Asked to Forbid Their Importation.

PARIS, Feb. 19.—M. Gardaud, minister of agriculture, received today an agrarian delegation from the departments of Pas de Calais and the Nord. The delegates urged the importation of American cattle which, they said, threatened French cattle with contagious diseases. The minister said that the subjects had been placed already before a special committee, on the diseases of cattle, and any necessary steps would be taken soon. Premier Ribot also promised the delegates to give the matter full attention.

It is Said Dissolution of Parliament Is Imminent.

LONDON, Feb. 19.—Lord Roseberry hastily summoned a meeting of the cabinet today which lasted an hour. It is rumored that the dissolution of parliament is imminent. Last evening when the vote was being taken in the house of commons on Sir William Harcourt's motion to close debate on the address, in reply to the queen's speech, it was confidently believed by the opposition that the government would be defeated. The vote was 279 to 271.

Rothschild & Sons Arranging to Sell American Bonds.

LONDON, Feb. 19.—N. M. Rothschild & Son will issue a prospectus this afternoon for the sale of the new United States bonds, of which half is to be taken here. Subscriptions will open tomorrow and close Thursday. The price will be £227 for every \$1000. Messrs. Rothschild will issue scrip installments to extend into July. It is Thought America Will Pay Canadian Sealers.

LONDON, Feb. 19.—In the house of commons today, replying to questions. Under Foreign Secretary Grey said he had reason to believe that the present American congress would vote money for the payment of the award of the Behring sea tribunal as a compensation to Canadian sealers. Also that an agreement existed between Russia and the United States regarding sealing in the North Pacific ocean similar to that existing between Russia and England.

Silver Bill the Attraction.

WASHINGTON, Feb. 9.—There was a large attendance on the floor of the senate today, and the galleries were filled in anticipation of a struggle, and perhaps vote, on the silver bill, adroitly forced to the front last night as unfinished business. There was hardly an absentee on the democratic side. It was evident at the outset that the silver strength would be augmented by another vote, as the credentials of Wilson,

the new senator from Washington, had been received.

A report from the secretary of the treasury, in response to a resolution concerning needed legislation to meet deficiencies, was read. The secretary stated that an available balance of \$99,875,000, exclusive of over \$55,000,000 gold reserve, is on hand. He expressed the opinion that it would be desirable for the secretary to have authority to issue and sell time bonds to meet the deficiencies, but added no such deficiency now exists or is likely to, and was of the opinion that there will be ample revenue for the coming fiscal year.

Blackburn reported from a conference of the committee on diplomatic and consular bill than an agreement had been reached on all items except \$500,000 for beginning the Hawaiian cable. The report was confirmed and further conference on the Hawaiian cable item was ordered.

The ayes and noes were called on Jones' motion to take up the silver bill in the senate today, and it was carried, 3 to 27. George voted in the affirmative today, and Wilson of Washington, who has just been sworn in, also voted for the silver bill. After the silver bill had been taken up Senator Jones tried to get a time fixed for the vote, but senators objected. Jones gave notice that he would ask the senate to sit tonight until a vote was reached. Vilas then took the floor for a speech.

In the House.

WASHINGTON, Feb. 19.—The house today agreed to a joint resolution directing the secretary of the treasury to suspend operations of so much of the revised statutes as permits the transfer in bond through the United States of articles destined for the free zone of Mexico.

After passing a number of small bills today, the house resumed consideration of the naval appropriation bill.

Murdered by Mexican Bandits Near Cordova.

CORDOVA, Mex., Feb. 19.—G. R. Morrison, of Detroit, Mich., was killed by Mexican bandits 90 miles south of here on Saturday. He was on his way to inspect coffee lands with a view to investing, when the outlaws attacked him. He was robbed of considerable money. Four of the bandits have been captured and will be shot.

Students Remain Away From the Toronto University.

TORONTO, Ont., Feb. 19.—All but five of the 700 students at Toronto university remained away from the lectures today as they threatened to do if Professor Dale was not reinstated, and an investigation into the management granted. The government will not yield.

Approved by the President.

WASHINGTON, Feb. 19.—The president has approved the act to adopt special rules for the navigation of harbors rivers and inland waters of the United States, except the Great Lakes and their connecting and tributary waters. Also the act providing for an additional circuit judge in the ninth (Pacific coast) judicial district.

To Marry a Slave.

LONDON, Feb. 19.—The Times' correspondent in Cairo says: "The khedive will sign tomorrow the marriage contract with the slave girl who bore him a daughter a week ago. This excites much comment even in native circles. It was expected he would follow the European custom."

The New Judge.

WASHINGTON, Feb. 19.—The president today nominated Erskine M. Ross, of California to be United States circuit judge for the ninth judicial circuit, provided for by the act approved February 18, 1895.

Going to Europe.

WASHINGTON, Feb. 19.—Secretary and Mrs. Carlisle left here for New York this morning, with their son, W. K. Carlisle, of Chicago, who will sail for Europe tomorrow for the benefit of his health.

The new vegetable shortening is the most popular food product of the day. Its use means good food, good health and a goodly saving in the end. Since the introduction of Cottolene, lard has no longer place in food or kitchen.

Cottolene

serves every purpose of lard, and serves it without grease, odor or indigestion. Those who have given Cottolene a fair trial never go back to lard. Be sure and get the genuine. Don't let any dealer palm off any of the many worthless imitations on you.

Demands a Governor's Recall.

Marvelous results.

From a letter written by Rev. J. Gundersman, of Dimondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist Church at Rivers Junction she was brought down with Pneumonia succeeding La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results." Trial bottles free at Snipes-Kinersly Drug Co's Store. Regular size 50c. and \$1.00.

Weather Moderating.

LONDON, Feb. 19.—The weather has grown warmer in the east and south of England. Rain has fallen intermittently today and the snow is thawing.

Exposure to rough weather, dampness, extreme cold, etc., is apt to bring on an attack of rheumatism or neuralgia; chapped hands and face, cracked lips and violent itching of the skin also owe their origin to cold weather. Dr. McLean's Volcanic Oil Liniment should be kept on hand at all times for immediate application when troubles of this nature appear. It is a sovereign remedy. 25c, 50c and \$1.00 per bottle.

"Castoria is so well adapted to children that I recommend it as superior to any prescription known to me." H. A. ANONER, M. D., 111 South Oxford St., Brooklyn, N. Y.

"For several years I have recommended your 'Castoria,' and shall always continue to do so, as it has invariably produced beneficial results." EDWIN F. PARKER, M. D., 123th Street and 7th Ave., New York City.

"The use of 'Castoria' is so universal and its merits so well known that it seems a work of supererogation to endorse it. Few are the intelligent families, who do not keep Castoria within easy reach." CARLOS MARTIN, D. D., New York City.
