## AT MIDNIGHT FRIDAY.

As nearly all the papers in the state give Saturday as the time fixed for the adjournment of the legislature, while a few fix the end of the session at midnight Friday, we have been asked to state the correct time. The law provides that the legislature shall meet on the second Monday in January, and may set forty days, drawing pay for that time. It may continue twenty days longer without pay. The session beginning on the 14th would have eighteen days in January, and would therefore close at midnight of the 22d of February.

The 22d day of February is a legal holiday, but is not a non-judicial day, so that, without bringing in the question of the legislature's right otherwise to hold a session on that day, it would be legal for it to do so under the provisions of the law. The session will, therefore, terminate at midnight day-after-tomorrow, Friday. It is quite probable that the adjournment will not take place until some time Saturday, in order that bills may be signed and the business of the session properly wound up.

It is really to be hoped that this democratic congress will pass an act providing for the construction of a cable to Hawaii. It would not cost much, and in view of the conditions governing the islands and our interests in them, the cable is of the utmost importance. It seems that a democratic congress ought to be able to pass a little bill like that. Of course it is not expected of it that it should pass any large bill. It has failed to grasp the opportunity and provide for the Nicaragua canal. It has failed to pass any financial bills to relieve the defunct condition of the treasury. It has failed signally to do anything that it should have done and that it promised to do; but we hope this one poor little orphan bill may find power enough in itself to wriggle through.

The bill creating two more judicial districts in Eastern Oregon, passed both houses without a skip. This new arrangement will compel the appointment of one judge and two district attorneys and will cost the people \$7500 a year. There was no more need of these new districts than a wagon has for five wheels, but it makes places by which the legal fraternity will get a small swipe at the public crib.

## THE BUSINESS MAN'S LUNCH.

### Hard Work and Indigestion go Hand in Hand.

Concentrated thought, continued in, robs the stomach of necessary blood, and this is also true of hard physical labor. When a five horse-power engine is made to do ten horse-power work something is going to break. Very often the hard-worked man coming from the field or the office will "bolt" his food in a few minutes which will take hours to digest. Then too, many foods are about as useful in the stomach as a keg of nails would be in a fire under a boiler. The ill-used stomach refuses to do its work without the proper stimulus which it gets from the blood and nerves. The nerves are weak and "ready to break," because they do not get the nourishment they require from the blood, finally the ill-used brain is morbidly wide awake when the overworked man attempts to find rest in bed. The application of common sense in the treatment of the stomach and the whole system brings to the busy man the full enjoyment of life and healthy digestion when he takes Dr. Pierce's Pleasant Pellets to relieve a bilious stomach or after a too hearty meal, and Dr. Pierce's Golden Medical Discovery to purify, enrich and vitalize the blood. The "Pellets" are tiny sugar-coated pills made of highly concentrated vegetable ingredients which relieve the stomach of all offending matters easily and thoroughly. They need only be taken for a short time to cure the biliousness, constipation and slothfulness, or torpor, of the liver; then the "Medical Discovery" should be taken in teaspoonful doses to increase the blood and enrich it. It has a peculiar effect upon the lining membranes of the stomach and bowels, toning up and strengthening them for all time. The whole system feels the effect of the pure blood coursing through the body and the nerves are vitalized and strengthened, not deadened, or put to sleep, as the so-called "candy" compounds and laxative mixtures do—but refreshed and fed on the food they need for health. If you suffer from indigestion, dyspepsia, nervousness, and any of the ills which come from impure blood and a disordered stomach, you can cure yourself with Dr. Pierce's Golden Medical Discovery which can be obtained at any drug store in the country.
