AGAINST THE EMPEROR

Alleged Plot to Overthrow the Manchu Dynasty.

LI HUNG CHANG SEEKS REVENGE

It Is Said the Conspiracy Has Been Fostered Since the Premier's Degradation—Disturbances Increasing.

LONDON, Feb. 20.—A dispatch from Shanghai today, printed here this afternoon, says it is positively asserted that the journey of Li Hung Chang to Peking is intended to give him a chance to accomplish what he has long awaited, the overthrow of the present Manchu dynasty in China. Li Hung Chang will begin his journey to Peking tomorrow.

The same dispatch also says that Kung, ex-taotai of Port Arthur, has made a confession showing the traitorous designs of Li Hung Chang. It is stated that Li Hung Chang has been leagued with officials in the palace at Peking for the overthrow of the dynasty ever since he was deprived of his yellow jacket and peacock feather, and lost various offices.

An Improbable Story Which Comes From Peking.

LONDON, Feb. 20.—A Peking dispatch says the opinion generally is that Li Hung Chang was only reinstated in order to render him an acceptable envoy to Japan. It is expected he will be made a scapegoat when the mission is ended.

Probably Exaggerated.

LONDON, Feb. 20.—A Hong Kong dispatch is published here saying 2000 people were killed by the explosion of the magazine of the fort at Takao, Formosa. The dispatch is believed to be an exaggerated version of a previous dispatch stating 50 were killed and many injured.

Captured Ships Sent to Japan.

TOKIO, Feb. 20.—A dispatch says the victorious Japanese fleet entered the harbor of Wei-Hai-Wei, February 17. The captured Chinese ships, except the Chen Yuen, will be sent to Japan. The Ywang Chi was disarmed and given up as a conveyance to Admiral Ting's body.

Inquiring Into Affairs.

LONDON, Feb. 20.—A Peking dispatch says that ex-United States vice-consul at Tien-Tsin, Pethick, has gone to meet Li Hung Chang. The emperor demands a full explanation of the Chinese defeats and the disposition of the war expenses.

Wants More Money.

YOKOHAMA, Feb. 20.—A bill was presented in the house this afternoon for a fresh appropriation of 100,000,000 yen on account of the war. Should it be voted, the total war appropriation will be 250,000,000 yen.

Disturbances Increasing.

HONG KONG, Feb. 20.—Reports received today from Formosa state disturbances on the island are increasing, and merchants are alarmed and leaving.

Large Loss of Stock.

MILES CITY, Mont., Feb. 20.—Reports from the northern and eastern part of the state indicate that the loss of live stock from the excessive cold weather has been large. The number of sheep that have died will reach 50,000. A warm wave has struck the state, and it is believed no more cold weather will be experienced this winter. Reports from the ranges near Livingstone are that stock have survived the cold spell and are in good condition. The snow is disappearing rapidly from the feeding grounds.

Trance Instead of Death.

NEW YORK, Feb. 20.—Mrs. Bowden, 75 years old, who lives with her daughter, Mrs. Harvey Hallock, in Bridgehampton, L. I., seemed to be stricken with heart failure Sunday. The family

physician did all he could, but she sank rapidly.

Old friends were called in, and the sorrowing family waited for the end. Her breathing became weaker and weaker, until it ceased. The doctors listened vainly for the heart beats, and pronounced the woman dead.

The undertaker was about to measure the body for a casket, when one of the family insisted that the woman might not be dead. The physician, to satisfy him, injected a heart restorative. There was a perceptible movement of the eyelids, and the woman's breast moved up and down faintly. Soon she began to breathe, and finally opened her eyes.

Those about the bedside watched in amazement. The woman soon got up, and in less than an hour was walking about the room. Mrs. Bowden says the attack seemed like a fainting spell.

KILLED HER FATHER.

The Deed of a Young Girl in West Virginia.

CHARLESTON, W. Va., Feb. 20.—Cordelia Hill, residing at Rippon, shot her father, Robert Hill, yesterday. Her father was unmercifully chastising one of his sons, who tore away and ran to his mother for protection. The father then beat the mother, throwing her on the floor and choking her, when the daughter ran in with a revolver, placed it near the back of her father's head, and fired. Death was instantaneous. An indictment for murder was found against the child a few hours after the homicide.

Jones Did Not Want to Jeopardize the Appropriation Bill.

WASHINGTON, Feb. 20.—Shortly after the senate met today, Jones, in a statement, said he gave up the fight for the passage of an unrestricted coinage bill. He declared that it was not at any time the intention of those favoring the bill to jeopardize the appropriation bill or to run the risk of forcing an extra session. The Wolcott resolution brought forward last evening will not be presented.

On the motion of Gorman, the senate, by a vote of 55 to 12, took up the Indian appropriation bill, thus displacing the silver bill.

A Prominent Citizen of Norwich Kills Himself.

NORWICH, Conn., Feb. 20.—Gustave Geduldig, a prominent florist of this city, suicided by poison this morning, the result of shame and remorse because a woman of ill-fame had died in a room which they jointly occupied on Monday night. The woman's death was due to alcoholism. He was a man of family and heretofore bore an unblemished reputation.

Damaging Evidence Given.

CONSTANTINOPLE, Feb. 20.—The latest intelligence from Moosh of the proceedings of the commission inquiring into the outrages in Armenia has made a deep impression upon Turkish officials here. Witnesses recently examined gave evidence generally reflecting upon officials in Armenia. Five witnesses testified they saw the massacre of children.

Presidential Nominations.

WASHINGTON, Feb. 20.—The president today nominated Joseph Rhodes, of Indiana, for first secretary of legation; William C. Crichton, of West Virginia, secretary of legation at Brazil; Fred Ellison, of Indiana, consul at Belize, British Honduras; William W. Master-son, of Kentucky, consul at Aden, Arabia.

Fort Bridger Military Reserve.

WASHINGTON, Feb. 20.—Secretary Hoke Smith has approved the report of the appraisers who examined the land abandoned by the Fort Bridger military reservation in Wyoming. Ten thousand nine hundred and thirty-one acres will be opened to settlement under the homestead law.

Family Frozen to Death.

IRONDALE, Mo., Feb. 20.—During the recent blizzard, a woodchopper named Warner and his family were frozen to death, seven persons in all. They lived in a cabin on Beaufort mountain.

Naval Appropriation Bill.

WASHINGTON, Feb. 20.—The naval appropriation bill has passed the house by a vote of 199 to 67. Sayers' motion to strike out the provision for three new battleships was defeated by a vote of 43 to 121.

Marvelous results.

From a letter written by Rev. J. Gundersman, of Dimondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist Church at Rivers junction she was brought down with Pneumonia succeeding La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results." Trial bottles free at Snipes-Kinlerly Drug Co's Store. Regular size 50c. and \$1.00.
