Michigan Suffering From Another Severe Blizzard.

DETROIT, Feb. 21.—Reports from all sections of the state show the worst blizzard of the season set in yesterday afternoon, and it still prevails. Trains are delayed, and some abandoned. Business in some cities is at a standstill.

Chinese Officials Sentenced.

LONDON, Feb. 21.—A Tien-Tsin dispatch says an imperial decree has been issued that Tatoi Kung and General Yeh Chi Cao shall be imprisoned until autumn and then be beheaded for the loss of Port Arthur.

AZUSA, Cal., Feb. 21.—Elsworth Myers stood an examination yesterday before Judge Cook for the attempted bank robbery at this place on Feb. 18, and was bound over to answer before the superior court. P. C. Daniels, the cashier, who was shot by the officer, who thought him to be the robber, is in a serious condition.

Want the Next President.

WASHINGTON, Feb. 21.—"Silver Dollar" Bland, in an interview this morning, declared that the free silver men intend to get together and nominate a free-coinage man for president in the next campaign. He said the money question will be the only issue of the struggle.

TIEN-TSIN, Feb. 21.—It is now certain that Li Hung Chang will go to Japan as an envoy to negotiate for peace.

Resolution Expressing Appreciation of Honors to Minister Gray.

WASHINGTON, Feb. 21.—The senate today passed the house joint committee resolution for the suspension of certain features of the law authorizing the transportation of goods through the United States to the free zone of Mexico, as long as the Mexican free zone law exists.

A resolution was agreed to expressing high appreciation by the senate of the honor accorded by the Mexican government on the occasion of the obsequies of the late Minister Gray. A copy of the resolution will be sent to the Mexican authorities.

A motion by Gorman, to reconsider the action of the senate in adopting the conference report amending the income tax, was rejected, and the Indian appropriation bill was taken up. Gorman's purpose was to require corporations to make a report of all their high salaried officials.

Pacific Roads Committee.

WASHINGTON, Feb. 21.—The house committee on Pacific roads today decided to report a new bill based on the Reilly bill but having certain changes recommended by Chairman Reilly. The amended bill will provide that the principal of the government debt be paid at once, and the first mortgage bonds and interest due the government at the date the bill takes effect be extended and paid in installments through a period of 50 years. The extended first mortgage bonds will bear interest at 4 per cent, and extended interest will be secured by practically a third lien on

the property, subsidiary to the claims of parties who advance funds to pay the principal of the government bonds, and who will be entitled under the bill to 5 cent interest on all their advances.

Senator Allen Says the Country is Bond Mad.

WASHINGTON, Feb. 21.—During discussion in the senate on a proposition to issue bonds for increased sewerage in Washington, Allen declared the country had gone bond mad. Everybody, he said, wants bonds issued except the populists. Carlisle had ample authority to use millions of silver now in the treasury, but he doggedly refused to do so. He (Allen) would not by his vote authorize Carlisle to issue an interest-bearing obligation. He further asserted that every bond issued by Carlisle was null and void, inasmuch as the act of January 14, 1875, under which he claimed authority to issue bonds had been repealed. He characterized the recent attempt to pass a free coinage bill as "A grandstand play, a spectacular performance." He expressed the hope that before another year there would be sufficient accessions to the populists from both old parties to prevent the issuance of further bonds.

Women Still in Session at the National Capital.

WASHINGTON, Feb. 21.—In the woman's national council today the first paper was read by Mrs. Fanny Burdette Palmer, of Providence, on "The Need of Co-operation of Men and Women." The ground generally taken was that men and women should work together in all correctional work. Some of the women held, however, that in some branches of correction work women were better fitted than men.

President Sewall made a touching reference to the death of Douglass, and paid a high tribute to his memory.

Mrs. Johnson, of Massachusetts, read a paper on "Woman's Work in Managing Public Institutions." A discussion followed this paper, and at its conclusion recess was taken.

In a Prosperous Condition.

CHICAGO, Feb. 21.—The receivers of the whisky trust submitted a report of exports to Judge Grosceup today, giving a detailed statement of the affairs of the trust. The report declares the concern has \$5,178,000 above all indebtedness. The balance sheet submitted shows quick assets of \$2,075,000 in excess of all liabilities. The amount of rebate certificates is \$568,026, after deducting all disputed certificates. In Olmstead's original bill for a receiver it was stated that over \$1,000,000 in such certificates would fall due in February.

Belligerent Republicans.

CHICAGO, Feb. 21.—In the republican city convention today trouble arose over the credentials. Delegates armed themselves with canes and chairs and wounded each other generally and indiscriminately. The battle lasted a quarter of an hour, resulting in many bad bruises and sadly battered hats. Police interference stopped the row.

George B. Swift was nominated for mayor by acclamation. He acted as mayor after Carter Harrison's assassination.

Trouble Because His Daughter's Company Stayed Too Long.

CHICAGO, Feb. 21.—William Brookman called last night on Miss Alida King, on West Twenty-second street. At 2 o'clock this morning Mr. King heard the lovers giggling in the parlor. Revolver in hand, he rushed into the room and ordered Brookman to leave. The latter not obeying promptly, King fired, but instead of hitting the young man he shot his daughter, who had rushed between the two. Miss King was wounded in the arm.

There Will Be an Abundance of Peaches in New Jersey.

FLEMINGTON, Feb. 21.—Out of 265 inquiries sent out among the largest peach growers in this vicinity, 200 substantially report that the prospects for an enormous crop next season are good. The buds were reported frozen several times,

but the growers contradict the statements, and say that the buds are in a healthy condition. The blackberry crop is probably killed.

Marvelous results.

From a letter written by Rev. J. Gundersman, of Dimondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist Church at Rivers junction she was brought down with Pneumonia succeeding La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results." Trial bottles free at Snipes-Kinerly Drug Co's Store. Regular size 50c. and \$1.00.

Refused to Concur.

WASHINGTON, Feb. 21.—The house, by a vote of 114 to 152, refused to concur in the senate amendment to the diplomatic and consular appropriation bill appropriating \$500,000 for a Hawaiian cable.
