N. R. PACKARD'S CASE.

A few days since, commenting on a telegram stating that N. R. Packard had been arrested in California charged with falsifying the county records or something of that kind, we stated that Mr. Packard was at one time county clerk here, and that he left here with serious charges hanging over him.

We make this statement for the reason that the article in question has been copied in some of the California papers and may work an injustice to Mr. Packard.

It is confidently asserted by those who claim to be best informed that Dolph will be elected today. The claim is based on the alleged statement of some of the bolters that they would vote for Dolph, rather than leave the office vacant.

The beautiful snow has about all disappeared from the hill sides, and the merry jingle of the sleigh bells from the high ways. The robin and the meadow lark have filed their right to a homestead by the fence post, where their song will be heard from the rising of the sun to the setting of the same.

O. W. O. Hardman, Sheriff of Tyler Co., W. Va., appreciates a good thing and does not hesitate to say so. He was almost prostrated with a cold when he procured a bottle of Chamberlain's Cough Remedy. He says: "It gave me prompt relief. I find it to be an invaluable remedy for coughs and colds."

That the blood should perform its vital functions, it is absolutely necessary it should not only be pure but rich in life-giving elements. These results are best effected by the use of that well known standard blood-purifier, Ayer's Sarsaparilla.

"My furnace," said the man who keeps house, "is out of sight." "So is mine," replied another; "out of anthracite."—Washington Star.

Winks—Did Mckick have much to say on the subject of railroad monopoly while you were there? Minks—Well no. You see, just after I called, a cartman drove up with a box for him. The railroad freight on it for 100 miles was a quarter, the cartman's charges for hauling it six blocks was 50 cents.—New York Weekly.

In Our Great Grandfather's Time,

big bulky pills were in general use. Like the "blunderbuss" of that decade they were big and clumsy, but ineffective. In this century of enlightenment, we have Dr. Pierce's Pleasant Pellets, which cure all liver, stomach and bowel derangements in the most effective way.

Assist Nature a little now and then, with a gentle, cleansing laxative, thereby removing offending matter from the stomach and bowels, toning up and invigorating the liver and quickening its tardy action, and you thereby remove the cause of a multitude of distressing diseases, such as headaches, indigestion, or dyspepsia, biliousness, pimples, blotches, eruptions, boils, constipation, piles, fistulas and maladies too numerous to mention.

If people would pay more attention to properly regulating the action of their bowels, they would have less frequent occasion to call for their doctor's services to subdue attacks of dangerous diseases.

That, of all known agents to accomplish this purpose, Dr. Pierce's Pleasant Pellets are unequalled, is proven by the fact that once used, they are always in favor. Their secondary effect is to keep the bowels open and regular, not to further constipate, as is the case with other pills. Hence, their great popularity, with sufferers from habitual constipation, piles and indigestion.

A free sample of the "Pellets," (4 to 7 doses) on trial, is mailed to any address, post-paid, on receipt of name and address on postal card.

We have made arrangements with the San Francisco Examiner to furnish it in connection with THE CHRONICLE. Having a clubbing rate with the Oregonian and N. Y. Tribune for our republican patrons, we have made this arrangement for the accommodation of the democratic members of THE CHRONICLE family.

You Don't Have to Swear Off. says the St. Louis Journal of Agriculture in an editorial about No-To-Bac the famous tobacco habit cure. We know of many cases cured by No-To-Bac, one, a prominent St. Louis architect, smoked and chewed for twenty years; two boxes cured him so that even the smell of tobacco makes him sick.
