Professor and Student Not Sufficiently Orthodox.

OAKLAND, Calif., 23.—Charles W. Woodworth, professor of entomology at the state university, and W. C. Maxwell, a student of the same place, have been expelled from the First Baptist church of Berkeley on charges of heterodoxy, preferred against them by the Rev. W. C. Learned and the deacons of the church. Professor Woodworth was superintendent of the Sunday school at the church, and Maxwell was a member of the same church. Some time ago Maxwell began to express opinions in religious circles that were regarded by church members as heterodox in their nature. The young dissenter was brought before the pastor and deacons, and made to answer to the charge of heresy. Maxwell refused to recant, and Professor Woodworth upheld him, expressing the same beliefs. He published a circular giving his views, the main point of which was that baptism is not a prerequisite to church membership, nor to the Lord's supper. Then both offenders were expelled.

Might Have Realized More

LONDON, Feb. 23.—Commenting on the new loan, the Economist says that Cleveland underrated the credit of the United States. If the government had appealed to investors direct, it would have realized more. The paper says it is Cleveland's duty to speedily call an extra session of congress.

The Statist predicts that if the new congress does not afford necessary relief further loans will be necessary.

A Secret.

If all the ladies knew the simple secret that a bad complexion is due to a disordered liver, there would be fewer sallow faces and blotchy skins. This important organ must be kept active and healthy to insure a clear and rosy color. Dr. J. A. McLean's Liver & Kidney Balm as a purifier, beats all the creams and lotions in existence and will produce a more permanent effect. Removes bad taste in the mouth, offensive breath, yellow tinge in the skin, wind on the stomach and that dull, bilious feeling which so surely indicates the torpid liver. Price \$1.00 per bottle. Snipes-Kinnersly Drug Co.

Ten days loss of time on account of sickness and a doctor bill to pay, is anything but pleasant for a man of a family to contemplate, whether he is a laborer, mechanic, merchant or publisher. Jas. O. Jones, publisher of the Leader, Mexia, Texas, was sick in bed for ten days with the grip during its prevalence a year or two ago. Later in the season he had a second attack. He says: "In the latter case I used Chamberlain's Cough Remedy with considerable success, I think, only being in bed a little over two days. The second attack I am satisfied would have been equally as bad as the first but for the use of this remedy." It should be borne in mind that the grip is much the same as a very severe cold and requires precisely the same treatment. When you wish to cure a cold quickly and effectually give this remedy a trial. 50 cent bottles for sale by Blakeley & Houghton Druggists.

Four Big Successes.

Having the needed merit to more than made good all the advertising claimed for them, the following four remedies have reached a phenomenal sale. Dr. King's New Discovery, for consumption, Coughs and Colds, each bottle guaranteed—Electric Bitters, the great remedy for Liver, Stomach and Kidneys. Bucklen's Arnica Salve, the best in the world, and Dr. Arica's New Life Pills, which are a perfect pill. All these remedies are guaranteed to do just what is claimed for them and the dealer whose name is attached herewith will be glad to tell you more of them. Sold by the Snipes-Kinnersly Drug Co.

Gold for the Bonds.

WASHINGTON, Feb. 23.—Up to and including today the treasury department has received \$29,675,708 in gold on deposit on account of the Belmont-Morgan bond purchase; it has issued \$28,422,774

in certificates for the same, and has carried to the gold reserve \$29,339,289. The treasury interest payments on account of recent bond issues, and the gold bond issues up to date, aggregate this fiscal year \$23,000,000, or about 11 per cent of the total receipts of the government for the fiscal year to date.

Mrs. Emily Thorne, who resides at Toledo, Washington, says she has never been able to procure any medicine for rheumatism that relieves the pain so quickly and effectually as Chamberlain's Pain Balm and that she has also used it for a lame back with great success. For sale by Blakeley & Houghton Druggists.

A Deposit in New York.

New York, Feb. 23.—The Morgan-Beimont syndicate deposited \$300,000 at the treasury today, and asked for a receipt without stating whether the gold was a payment on account of the bonds or not.

There is much excitement in Wall street over the allotment of bonds. It is said small investors and savings banks will be given the preference.

The syndicate was announced that the total subscription to the new 4 per cent loan in the United States amounts to \$200,000,000.

Exposure to rough weather, dampness, extreme cold, etc., is apt to bring on an attack of rheumatism or neuralgia; chapped hands and face, cracked lips and violent itching of the skin also owe their origin to cold weather. Dr. McLean's Volcanic Oil Liniment should be kept on hand at all times for immediate application when troubles of this nature appear. It is a sovereign remedy. 25c, 50c and \$1.00 per bottle.

Great Oaks

From little acorns grow, so also do fatal diseases spring from small beginnings. Never neglect symptoms of kidney troubles; if allowed to develop they cause much suffering and sorrow. Dr. S. H. McLean's Liver and Kidney Balm is a certain cure for any disease or weakness of the kidneys. A trial will convince you of its great potency. Price \$1.00 per bottle. Sold by Snipes-Kinnersly Drug Co.

Bucklen's Arnica Salve.

The best salve in the world for cuts, bruises, sores, ulcers, salt rheum, fever sores, tetter, chapped hands, chilblains, corns, and all skin eruptions, and positively cures piles, or no pay required. It is guaranteed to give perfect satisfaction, or money refunded. Price 25 cents per box. For sale by Snipes & Kinnersly.

DeWitt's Witch Hazel Salve cured J. G. Gorrell of the worse case of eczema ever known in the state of Indiana. It cures scalds, burns, indolent sores and never fails to cure piles. Snipes-Kinnersly Drug Co.

The Best Medicine.

J. O. WILSON, Contractor and Builder, Sulphur Springs, Texas, thus speaks of Ayer's Pills:

"Ayer's Pills are the best medicine I ever tried; and, in my judgment, no better general remedy could be devised. I have used them in my family and recommended them to my friends and employes for more than twenty years. To my certain knowledge, many cases of the following complaints have been completely and

permanently cured by the use of Ayer's Pills alone: Third day chills, dumb ague, bilious fever, sick headache, rheumatism, flux, dyspepsia, constipation, and hard colic. I know that a moderate use of Ayer's Pills, continued for a few days or weeks, as the nature of the complaint required, would be found an absolute cure for the disorders I have named above."

"I have been selling medicine for eight years, and I can safely say that Ayer's Pills give better satisfaction than any other pill I ever sold."—J. J. Perry, Spotsylvania C. H., Va.
