from taking medicine. They don't like its taste. But they are eager to take what they like—Scott's Emulsion, for instance. Children almost always like Scott's Emulsion.

And it does them good. Scott's Emulsion is the easiest, most palatable form of Cod-liver Oil, with the Hypophosphites of Lime and Soda added to nourish the bones and tone up the nervous system. The way children gain flesh and strength on Scott's Emulsion is surprising even to physicians.

All delicate children need it. Don't be persuaded to accept a substitute! Scott & Bowne, N. Y. All Druggists. 50c. and \$1.

### Prince Kung Talks of the Japanese War

LONDON, Feb. 27.—A Peking dispatch gives an interview with Prince Kung, in which he says Japan made the Korean troubles the pretext of war. He questioned very seriously whether Japan could claim possession of the territory she had conquered together with 400,000,000 taels indemnity, "China," he said "stands upon principle, and Japan upon power. If the conclusion of peace will be possible. If her demands are exorbitant China will continue the fight." He added he did not think Japan could overrun all the Chinese provinces even if war was continued.

Ten days loss of time on account of sickness and a doctor bill to pay, is anything but pleasant for a man of a family to contemplate, whether he is a laborer, mechanic, merchant or publisher. Jas. O. Jones, publisher of the Leader, Mexia, Texas, was sick in bed for ten days with the grip during its prevalence a year or two ago. Later in the season he had a second attack. He says: "in the latter case I used Chamberlain's Cough Remedy with considerable success, I think, only being in bed a little over two days. The second attack I am satisfied would have been equally as bad as the first but for the use of this remedy." It should be borne in mind that the grip is much the same as a very severe cold and requires precisely the same treatment. When you wish to cure a cold quickly and effectually give this remedy a trial. 50 cent bottles for sale by Blakeley & Houghton Druggists.

Minister Denby Annoyed. LONDON, Feb. 27.—H Peking dispatch says that United States Minister Denby is greatly annoyed at the duplicity exhibited by the Tsung-Li-Yamen in the matter of issuing credentials to the late peace envoys to Japan.

Was taken with La Grippe and tried all the physicians for miles about, but of no avail, and was given up and told I could not live. Having Dr. King's New Discovery in my store, I sent for a bottle and began its use, and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it." Get a free trial at Snipes & Kinersly's.
