

Scott's Emulsion

will cure a stubborn cough when all the ordinary cough remedies have failed. Try it for yourself. We are putting up a fifty-cent size chiefly for that purpose. A cough is usually the telltale of a weakened physical condition. Correct that condition by the use of a proper remedy and the cough will soon disappear.

Scott's Emulsion of Cod-liver Oil and Hypophosphites acts in two ways. It nourishes, strengthens and builds up the system, at the same time allays the irritation and heals the inflammation. It gives immediate relief at night from the choking sensation so often accompanying a cold.

Large Number of Spanish Troops En Route to Cuba.

LONDON, March 1.—A dispatch received this morning from Madrid confirms the Associated Press report of last night, announcing that the Spanish government was preparing to send large reinforcements of troops to Cuba, it such a step was found necessary.

It is stated that the Spanish government has issued definite orders for the immediate transportation of seven battalions of troops, each composed of 900 men, to Havana. Another battalion has been ordered to Havana from Porto Rico, making over 7000 men dispatched in haste to Cuba.

Ten days loss of time on account of sickness and a doctor bill to pay, is anything but pleasant for a man of a family to contemplate, whether he is a laborer, mechanic, merchant or publisher. Jas. O. Jones, publisher of the Leader, Mexia, Texas, was sick in bed for ten days with the grip during its prevalence a year or two ago. Later in the season he had a second attack. He says: "in the latter case I used Chamberlain's Cough Remedy with considerable success, I think, only being in bed a little over two days. The second attack I am satisfied would have been equally as bad as the first but for the use of this remedy." It should be borne in mind that the grip is much the same as a very severe cold and requires precisely the same treatment. When you wish to cure a cold quickly and effectually give this remedy a trial. 50 cent bottles for sale by Blakeley & Houghton Druggists.

Spaniards Think the Uprising Will Be Soon Quelled.

MADRID, March 1.—The government of Spain believes that the rising in Cuba will be quelled without much difficulty. There are 42,000 Spanish troops there. The rising is said to be lacking the support of the union constitutional, autonomist and reformist parties in Cuban politics, which groups are represented in the cortex and united to pass the Cuban reforms bills of February 13th.

A Secret.

If all the ladies knew the simple secret that a bad complexion is due to a disordered liver, there would be fewer sallow faces and blotchy skins. This important organ must be kept active and healthy to insure a clear and rosy color. Dr. J. A. McLean's Liver & Kidney Balm as a purifier, beats all the creams and lotions in existence and will produce a more permanent effect. Removes bad taste in the mouth, offensive breath, yellow tinge in the skin, wind on the stomach and that dull, bilious feeling which so surely indicates the torpid liver. Price \$1.00 per bottle. Hall in Custody.

Hall had \$600 on his person.

The Discovery Saved His Life.

Mr. G. Caillouette, druggist, Beaversville, Ill., says: "To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians for miles about, but of no avail, and was given up and told I could not live. Having Dr. King's New Discovery in my store, I sent for a bottle and began its use, and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it." Get a free trial at Snipes & Kinnersly's.
