

Scott's Emulsion

will cure a stubborn cough when all the ordinary cough remedies have failed. Try it for yourself. We are putting up a fifty-cent size chiefly for that purpose. A cough is usually the telltale of a weakened physical condition. Correct that condition by the use of a proper remedy and the cough will soon disappear.

Scott's Emulsion of Cod-liver Oil and Hypophosphites acts in two ways. It nourishes, strengthens and builds up the system, at the same time allays the irritation and heals the inflammation. It gives immediate relief at night from the choking sensation so often accompanying a cold.

Don't be persuaded to take a substitute! Scott & Downe, N. Y. All Druggists. 50c. and \$1.

All Arrangements Made for the Gould-Castellane Wedding.

NEW YORK, March 2.—The arrangements for the Gould-Castellane wedding have been completed. The marriage ceremony will take place at the residence of George Jay Gould at 12 o'clock Monday. Archbishop Corrigan, assisted by two priests from the cathedral, will officiate. There will be no civil ceremony. There will be present the relatives of both parties and intimate friends of the bride's family, less than 100 people in all. The invitations have been limited to that number, as no more can be comfortably accommodated in the house.

Ten days loss of time on account of sickness and a doctor bill to pay, is anything but pleasant for a man of a family to contemplate, whether he is a laborer, mechanic, merchant or publisher. Jas. O. Jones, publisher of the Leader, Mexia, Texas, was sick in bed for ten days with the grip during its prevalence a year or two ago. Later in the season he had a second attack. He says: "In the latter case I used Chamberlain's Cough Remedy with considerable success, I think, only being in bed a little over two days. The second attack I am satisfied would have been equally as bad as the first but for the use of this remedy." It should be borne in mind that the grip is much the same as a very severe cold and requires precisely the same treatment. When you wish to cure a cold quickly and effectually give this remedy a trial. 50 cent bottles for sale by Blakeley & Houghton Druggists.

The Men Must Return to Work at Once on the Nine-Hour Basis.
NEW YORK, March 2.—The electrical contractors have resolved to treat only with their own men in the settlement of the present strike upon the condition that the men return to work at once on a nine-hour basis. The contractors set forth that the eight-hour day shall commence May 15. If the men do not resume Monday, it is stated that nonunion men will be employed.

A Secret.
If all the ladies knew the simple secret that a bad complexion is due to a disordered liver, there would be fewer sallow faces and blotchy skins. This important organ must be kept active and healthy to insure a clear and rosy color. Dr. J. A. McLean's Liver & Kidney Balm as a purifier, beats all the creams and lotions in existence and will produce a more permanent effect. Removes bad taste in the mouth, offensive breath, yellow tinge in the skin, wind on the stomach and that dull, bilious feeling which so surely indicates the torpid liver. Price \$1.00 per bottle. Snipes-Kinersly Drug Co.

The Third Griswold Bank Robber.
COUNCIL BLUFFS, Ia., March 2.—Sheriff Hazen today received a letter from the mayor of Carson City, Ia., saying that a man supposed to be Riley, the escaped Griswold bank burglar, had been captured there. Officers have started for Carson to bring the prisoner here.

The Discovery Saved His Life.
Mr. G. Caillouette, druggist, Beaversville, Ill., says: "To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians for miles about, but of no avail, and was given up and told I could not live. Having Dr. King's New Discovery in my store, I sent for a bottle and began its use, and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it." Get a free trial at Snipes & Kinersly's.

Howard Gould in Rome.
New York, March 2.—Howard Gould arrived from Europe on the steamer New York today to attend his sister's wedding. Mark Twain also arrived by that steamer.

Captain Sweeney, U. S. A., San Diego, Cal., says: "Shiloh's Catarrh Remedy is the first medicine I have ever found that would do me any good." Price 50c.

Two Dead, One Fatally Wounded.

VALLEYFIELD, Quebec, March 2.—John Loy, a clerk, and Max Lebauf, the watchman, for the Montreal Cotton Company, were shot and killed last night, and Hugh Wilson, another clerk, was shot and perhaps fatally wounded, by C. E. Shortis, formerly the private secretary of the manager of the company, but recently discharged on account of his irregular habits. Between 1 and 11, Loy and Wilson were making up the pay-rolls when Shortis entered the office. He was ordered to leave. He grabbed a loaded revolver from the paymaster's desk and began firing. Shortis, after attempting to open the door of the vault, escaped, no one being able to interfere. About midnight Wilson was able to reach the electric button and sounded an alarm, which brought assistance. Shortis has been arrested.

Mrs. Emily Thorne, who resides at Toledo, Washington, says she has never been able to procure any medicine for rheumatism that relieves the pain so quickly and effectually as Chamberlain's Pain Balm and that she has also used it for a lame back with great success. For sale by Blakeley & Houghton Druggists.
