

## Scott's Emulsion

will cure a stubborn cough when all the ordinary cough remedies have failed. Try it for yourself. We are putting up a fifty-cent size chiefly for that purpose. A cough is usually the telltale of a weakened physical condition. Correct that condition by the use of a proper remedy and the cough will soon disappear.

Scott's Emulsion of Cod-liver Oil and Hypophosphites acts in two ways. It nourishes, strengthens and builds up the system, at the same time allays the irritation and heals the inflammation. It gives immediate relief at night from the choking sensation so often accompanying a cold.

Don't be persuaded to take a substitute!  
Scott & Bowers, N. Y. All Druggists. 50c. and \$1.

"Perhaps you would not think so, but a very large proportion of the diseases in New York comes from carelessness about catching cold," says Dr. Cyrus Edson. "It is such a simple thing and so common that very few people, unless it is a case of pneumonia, pay any attention to the cold. New York is one of the healthiest places on the Atlantic Coast and yet there are a great many cases of catarrh and consumption which have their origin in this neglect of the simplest precaution of every day life. The most sensible advice is, when you have one get rid of it as soon as possible. By all means do not neglect it." Dr. Edson does not tell you how to cure a cold but we will. It will relieve the lungs, aid expectoration, open the secretions and soon effect a permanent cure. 50 cent bottles for sale by Blakeley & Houghton Druggists.

### The Discovery Saved His Life.

Mr. G. Caillouette, druggist, Beaverville, Ill., says: "To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians for miles about, but of no avail, and was given up and told I could not live. Having Dr. King's New Discovery in my store, I sent for a bottle and began its use, and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it." Get a free trial at Snipes & Kinerly's.

### Cure for Headache.

As a remedy for all forms of headache Electric Bitters has proved to be the very best. It effects a permanent cure and the most dreaded habitual sick headaches yield to its influence. We urge all who are afflicted to procure a bottle, and give this remedy a fair trial. In cases of habitual constipation Electric Bitters cures by giving the needed tone to the bowels, and few cases long resist the use of this medicine. Try it once. Large bottles only fifty cents at Snipes & Kinerly's drug store.

### Dynamite Beats Nine Boys.

UNIONTOWN, Pa., March 5.—Nine boys were painfully injured in an explosion of dynamite, while attempting to blast out a ground hog last evening. One boy had his eyes blown out.

A severe rheumatic pain in the left shoulder had troubled Mr. J. H. Loper, a well known druggist of Des Moines, Iowa, for six months. At times the pain was so severe that he could not lift anything. With all he could do he could not get rid of it until he applied Chamberlain's Pain Balm. "I only made three applications of it," he says, "and have since been free from all pain." He now recommends it to persons similarly afflicted. It is for sale by Blakeley & Houghton Druggists.

Symptoms of kidney troubles should be promptly attended to; they are nature's warnings that something is wrong. Many persons die victims of kidney diseases who could have been saved had they taken proper precautions. The prompt use of Dr. J. H. McLean's Liver & Kidney Balm has saved thousands of valuable lives. If you have any derangement of the kidneys try it. Price \$1.00 per bottle. Sold by Snipes & Kinerly, druggists.

Exposure to rough weather, dampness, extreme cold, etc., is apt to bring on an attack of rheumatism or neuralgia; chapped hands and face, cracked lips and violent itching of the skin also owe their origin to cold weather. Dr. McLean's Volcanic Oil Liniment should be kept on hand at all times for immediate application when troubles of this nature appear. It is a sovereign remedy. 25c. 50c and \$1.00 per bottle.

In these days of telephone, telegraph, electricity and steam, people cannot afford to wait days or as many hours for relief. This is our reason for offering you One Minute Cough Cure. Neither days, nor hours, nor even minutes elapse before relief is afforded. Snipes-Kinerly Drug Co.

Pain has no show with Dr. Miles' Pain Pills.

### Eight Mile Doings.

The weather for the past week has been lovely. Farmers are scouring up their implements for their spring seeding.

The grand concert Saturday evening was a grand success. Great praise is due the committees in arranging the hall and beautifying the stage. For the occasion the walls behind the curtain were hung with choice pictures, which lent beauty and culture to the scene, together with the ease and gracefulness of the actors in performing their several parts, and no doubt has cast an impression on the memory of the large audience that time itself cannot efface. The only drawback we noticed was the scarcity of seats and standing room. Still the audience behaved in a manner showing their interest was still centered on the stage, where the harmony group of singers, under the leadership of Prof. McGreggor, with Miss Nellie Allen as organist, discoursed the sweet strains of melody, as well as harmony, throughout the evening, not forgetting the interlude of violin and guitar contributed by C. C. and D. Doyle. We will here mention a few of the names of those that had contributed to the evening's entertainment in the way of recitations, dialogues, etc.: Ashford Ferguson, George Ryan, Robert Ryan, Charles Thompson, Mrs. Laura Thompson, Miss Bessie Hastings, Miss Luella Harris, Lulu Taylor, Clara Williams, Ollie and Ruby Wagner, Fred Keller, Gus Folmer, John Ryan, Harvey Smith, Myrtle and Ida Patterson and Ivy Leabo. We may have omitted some of the names of those taking part, as we have not the list at hand at the time of this writing. The committee in charge express their thanks to those who contributed to make the entertainment a success. The receipts of the evening from a 15-cent admission amounted to \$10, part of the proceeds being used to pay the expenses of the evening, the balance being turned over to the school district, whose building the class had used for their meeting all winter. The receipts for the evening would have been much larger were it not for an opposition dance, gotten up for the occasion, at the residence of Deacon Angel, which drew a few of the lovers of that sport hither.

The harmony class will appear again before the public May 1st, at Williams' grove, on 8-Mile, where arrangements have been completed for a grand May day party there. The several committees will give ample notice of arrangements later on.

## KNIGHTS OF THE MACCABEES OF THE WORLD!

The Deputy Supreme Commander Expresses His Gratitude.

**Amaurosis Cured by Dr. Miles' Nervine**  
Deputy Supreme Commander's Office, Knights of the Maccabees of the World, Emporium, Pa., Dec. 15, 1893.

Dr. Miles Medical Co., Elkhart, Ind.  
Gentlemen:—I feel very grateful to you and your valuable medicine—Dr. Miles' Restorative Nervine. My little daughter, Helen, was almost blind from loss of power in the optic nerve. Her eyes looked perfectly nature, but there was a gradual failure of sight until on some days she could hardly tell daylight from darkness. We had several prescriptions from oculists and tried several remedies, but without success. It happened to see in a paper accounts of what Dr. Miles' Nervine had done for others, and I purchased a bottle one day of Dr. Lamb. To our great joy it restored her eyesight. I bought two bottles more and they made a final cure. Thanking you for what it has done for us, I can and will recommend it to others.

Yours with gratitude,  
GEO. DICKINSON.

### THREE MONTHS LATER.

BELIEVING THE CURE PERMANENT HE WANTS EVERYBODY TO KNOW IT.
