## BEHRING SEA MATTERS

Subject of Discussion in the House of Commons.

### THE GOVERNMENT QUESTIONED

Nothing Will be Done Before Congress Reassembles This Fall—Gresham Expresses Regrets at the Delay.

LONDON, March 7.—Sir Richard Webster, one of the British counsel before the Behring tribunal arbitration, in the house of commons today questioned the government regarding negotiations for settlement with the United States of British sealers' claims for seizure prior to the arbitration proceedings.

Sir Edward Gray, parliamentary secretary of the foreign office, said Canada had agreed to accept a lump sum of \$425,000 from the United States, but as yet the money had not been paid. No representations, however, had been received from Canada on the subject of the refusal of the American congress to agree on an appropriation.

Sir Edward Gray added that negotiations which were originally in progress respecting all claims of British subjects for injuries, sustained at the hands of United States cruisers were suspended when the United States offered the payment of a lump sum. He also said that Secretary Gresham had expressed deep regret at the unfortunate delay which had taken place in discharging the obligations of the United States.

### He Killed His Wife.

LOS ANGELES, March 7.—The Record will publish exclusively this afternoon the story of the probable murder of Mrs. Louis L. Hoffman by her husband, formerly a Los Angeles constable, but now a local butcher.

Recently one human leg was found in the garbage dumps, and yesterday afternoon Mrs. Walbridge called on the chief of police and said she believed that her daughter, the wife of Hoffman, had been murdered and her body mutilated by the butcher. They had been married five years, but had quarreled frequently of late, owing to it having leaked out that the supposed 8-year-old son of Mrs. Walbridge was in reality the son of her daughter before she married Hoffman.

About a month ago Mrs. Hoffman disappeared, and her mother has sought in vain to get Hoffman to give her any information as to her whereabouts. He showed her notes purporting to have been written by Mrs. Hoffman, but her mother believes them to be forgeries.

Interviewed today Hoffman said Mrs. Hoffman left in a temper and went to New York, February 3. He professed to have heard from her since, but when asked for the letters could not produce them. He said he intended to leave in a few days for San Francisco, where he has a sister, or else go to New York. He claims to be related to "Hoffman House" Hoffman, of that city. He was very nervous when pinned down to the facts about the time of his wife's leaving.

Mrs. Walbridge says Hoffman once threatened to chop his wife up with a cleaver. Hoffman said he did not know the whereabouts of his wife, who is stopping in New York.

Hoffman's first wife was Abbie Russell. Detectives are watching his butcher shop to see that he does not leave town until the mystery is cleared up.

### A Lost Steamer Located.

ST. LOUIS, Mo., March 7.—A short time ago two young men near Elk Point pre-empted a piece of sandbar on the Missouri, and started to search for the bulk of an old steamer, that was sunk below the war, with a valuable cargo on board, including 100 barrels of whisky and a large amount of farm machinery. After some effort they located the vessel and sank a shaft 15 feet to it.

Highest of all in Leavening Power.—Latest U. S. Gov't Report

# Royal Baking Powder

**ABSOLUTELY PURE**

They are clearing the hold and will try to take the whisky out as soon as it can be reached. It is the only part of the cargo that is expected to be of any value. The steamer was one of the best on the river in its day, and was scuttled when on fire. The river channel changed before it could be raised and the boat was left buried deep in the bar.

### Strike in Full Force.

PITTSBURG, March 7.—The strike of miners in the Pittsburg district is on in full force, and it is expected today will see a general suspension of work except by less than 1,000 men. It is estimated that before night 15,000 miners will have quit work.

Reports received at the miners' headquarters up to noon show a general suspension of work throughout the district. From the report of the commissioner of labor it is estimated that the number on the strike is over 21,000, and the number employed at the mines where there will be no strike is about 1800.

### The Story is Unconfirmed.

WASHINGTON, March 7.—Neither the state department nor the Spanish legation here has had any confirmation of the reported demand for the recall of United States Consul-General Williams, at Havana. Williams was made consul-general in 1884 and has held the place ever since, owing to it is said to his high ability. It is surmised here that he became persona non grata to the Spanish government in the discharge of some diplomatic duty connected with the protection of American citizens in Cuba.

### Income-Tax Cases Before the Supreme Court.

WASHINGTON, March 7.—Argument in the income-tax cases was begun in the supreme court at 3 o'clock today. Mr. Guthrie, one of the counsel for appellants, first addressed the court. He attempted to show the unconstitutionality of the income-tax law because of its discrimination in favor of individuals and certain corporations. He will be followed by Seward, counsel for appellants.

### The Brakeman Wins.

SAN FRANCISCO, March 7.—The United States circuit court of appeals has affirmed the judgment of the lower court in the case of the Northern Pacific Railroad Company against H. Poiver. ### Factory Hands Quit.

TRENTON, N. J., March 7.—Six hundred of the 750 employees of S. K. Felton's wool mill have struck for the restoration of the second 10 per cent reduction made in wages last summer. They claim the promise to restore wages January 1 has been violated.

### The Atlanta Sails.

COLON, Colombia, March 7.—The United States warships Atlanta has sailed from this port for Bocas del Toro, under orders from Washington. It is reported that she intends to overhaul a schooner supposed to have a cargo of arms.

### Mult Use Great Care.

WASHINGTON, March 7.—The Spanish government has been notified that customs officers at all United States ports will be instructed to be particularly careful in allowing doubtful vessels to leave. The order is to prevent aid being rendered Cuban insurgents.

### Poisoned Himself.

CHICAGO, March 7.—Charles Teigs, a housemover, was found dead in bed today, having killed himself with poison because a \$3000 judgment in a breach of promise suit against him had been awarded Mrs. Matilda Stuart.

### England's Army Estimate.

LONDON, March 7.—Right Hon. Henry Campbell-Bannerman, the war secretary, issued army estimates for 1895, today. They are placed at £17,683,800, a decrease of \$221,000 from the figures of 1894.
