from taking medicine. They don't like its taste. But they are eager to take what they like—Scott's Emulsion, for instance. Children almost always like Scott's Emulsion.

And it does them good. Scott's Emulsion is the easiest, most palatable form of Cod-liver Oil, with the Hypophosphites of Lime and Soda added to nourish the bones and tone up the nervous system. The way children gain flesh and strength on Scott's Emulsion is surprising even to physicians.

All delicate children need it. Don't be persuaded to accept a substitute! Scott & Bowne, N. Y. All Druggists. 50c. and \$1.

### Killed by Wild Animals.

HUNTINGTON, Va., March 8.—Yesterday afternoon Rev. Elijah Teller, who lives on Pigeon creek, Logan county, left home for a short walk down the creek. This morning pieces of his body were found scattered along the road. It is thought he was attacked by wild animals and torn to pieces.

"Perhaps you would not think so, but a very large proportion of the diseases in New York comes from carelessness about catching cold," says Dr. Cyrus Edson. "It is such a simple thing and so common that very few people, unless it is a case of pneumonia, pay any attention to the cold. New York is one of the healthiest places on the Atlantic Coast and yet there are a great many cases of catarrh and consumption which have their origin in this neglect of the simplest precaution of every day life. The most sensible advice is, when you have one get rid of it as soon as possible. By all means do not neglect it." Dr. Edson does not tell you how to cure a cold but we will. It will relieve the lungs, aid expectoration, open the secretions and soon effect a permanent cure. 50 cent bottles for sale by Blakely & Hough-Druggists.

### The Siamese Crown Prince.

LONDON, March 8.—The new crown prince of Siam, Cowfa Maha Vigaraval, who was solemnly proclaimed heir to the throne in Bangkok, January 7, was today formally invested with his rank and title at the Siamese legation in this city by a commission sent by the King of Siam for that purpose.

### The Discovery Saved His Life.

Mr. G. Caillouette, druggist, Beaversville, Ill., says: "To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians for miles about, but of no avail, and was given up and told I could not live. Having Dr. King's New Discovery in my store, I sent for a bottle and began its use, and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it." Get a free trial at Snipes & Kinerly's.

### Prominent Minister Drowned.

TAVARRES, Fla., March 8.—Rev. Joseph B. Cottrell, of Russellville, Ky., whilst standing on a half-sunken barge on the shore of Lake Dora, was seized with vertigo, fell into the lake and was drowned. Cottrell was a prominent Methodist minister.

### A Church Inevaded.

PARIS, March 9.—Socialists, headed by Eugene Fouré, went to the church of Notre Dame of Clinghan court yesterday, insulted the preacher and came to blows with the worshippers. The police were called and an hour passed before the riot was subdued.

A severe rheumatic pain in the left shoulder had troubled Mr. J. H. Loper, a well known druggist of Des Moines, Iowa, for six months. At times the pain was so severe that he could not lift anything. With all he could do he could not get rid of it until he applied Chamberlain's Pain Balm. "I only made three applications of it," he says, "and have since been free from all pain." He now recommends it to persons similarly afflicted. It is for sale by Blakely & Houghton Druggists.

Promptness is a commendable virtue. That's why we offer you One Minute Cough Cure. It is prompt in relief and prompt in curing. That's what it is made for. Snipes-Kinerly Drug Co.

### Indian Bravery, Endurance and Self-Sacrifice Well Shown.

Last Sunday evening the cable of the ferry across the Spokane at Fort Spokane broke and the boat swiftly drifted toward the rapids. Dr. Thomas, the agency physician, Captain Budd's youngest son, Robert Fleet, the agency interpreter, with his wife and baby, Indian Policeman "St. Paul," and another Indian, named Susep (for Joseph), were on the boat. John Nee, jr., was running it across.

Just after the boat passed the pier of the broken bridge, St. Paul took a line and tried to swim ashore with it, but before he could get a footing and assistance the line was jerked from his grasp. Interpreter Bob Fleet next took the line and started for the shore, which he reached, but before those who ran to his assistance could get hold of the line it was again pulled away, and the boat continued on toward the rapids.

Just before reaching the rapids, Mr. Nee jumped and swam ashore. The rest of those aboard waited their possible rescue with whatever coolness and courage they could. Captain Budd was coming down to the opposite shore, expecting to take the returning boat, and his anxiety can be imagined as he saw his little son on the boat so rapidly drifting into the churning waters below. The boat finally struck on a huge rock, and the force of the water held it for quite a time, and then the efforts at rescue began at once.

On both shores excited witnesses stood, watching almost breathlessly the little boat that was tied to a towline rowed up to a bend above and drifted down to the ferryboat. The first time Indian Charlie Poch-men-stula was alone in the boat, and could not catch the line thrown from the big boat. Then another Indian, "Barney" Rickert, got in, and they reached the anxious little group, taking off Mrs. Fleet and her baby. Then a Mr. Gray of Davenport got in the rescuing boat with Charlie, and they brought off Johnnie Budd and Dr. Thomas. Susep helped off every one else and was finally taken off himself. An agency team and Policeman St. Paul's horse and accoutrements, with some stores belonging to the Indians, were left. The old horses of the team were loosened, and later got off and swam ashore, but it is thought the other horse was drowned. These losses fall heavily on St. Paul, as it was about all he had.

All was cool, and the Indians' courage and aid were of vital importance. To Mr. Gray, also, all must feel deeply indebted. Mrs. Thomas was away and Mrs. Budd was ignorant of the danger till it was over, so they were spared the suspense of that long hour or two of fearful watching. The fear of seeing the ferryboat again drift on, and then watching the perilous trips to the shore, was unnerveing to all.

The water is very high, and the tiny rescuing boat was tossed and tumbled like a toy by the rushing, plunging torrent. The ferryboat finally drifted lower down and lodged again.—Spokane Review.

Dr. Thomas was located at Hood River for a number of years, and is well known in the western portion of the county.

Exposure to rough weather, dampness, extreme cold, etc., is apt to bring on an attack of rheumatism or neuralgia; chapped hands and face, cracked lips and violent itching of the skin also owe their origin to cold weather. Dr. McLean's Volcanic Oil Liniment should be kept on hand at all times for immediate application when troubles of this nature appear. It is a sovereign remedy. 25c, 50c and \$1.00 per bottle.

### Acquitted of Murder.

PROBIA, Ill., March 8.—Hansel B. Hoppmeyer, who November 3 last, shot and instantly killed Officer Joseph Schiller, who had arrested his son, was today acquitted. The plea was self-defense, and that the officer was acting without a warrant.

### Another Steamer Sinks.

MOUNT VERNON, Ind., March 8.—The steamer Rosedale sank in the Wabash, near New Haven, Ill., this morning. One man was drowned. The boat was valued at \$5,000. She was loaded with corn.

"Bacteria do not occur in the blood or in the tissues of a healthy living body, either of man or the lower animals." So says the celebrated Dr. Kock. Other doctors say that the best medicine to render the blood perfectly pure and healthy is Ayer's Sarsaparilla.

Writes Postmaster J. C. WOODSON, Forest Hill, W. "I have been using Ayer's Cherry Pectoral in my family for 30 years, with the most satisfactory results, and can cheerfully recommend it as being especially adapted to all pulmonary complaints. I have, for many years, made pulmonary and other medicines a special study, and I have come to the conclusion that Ayer's Cherry Pectoral occupies a position pre-eminent over other medicines of the class."—Chas.
