BRIEF MENTION.

Leaves From the Notebook of Chronicle Reporters.

Mr. James Thrall has leased a building from Mr. Phil Brogan, at Kingsley, and will open a general merchandise store.

Dr. Siddall is a victim of grippe, and consequently unable to be at his office. He will give notice of the fact when he is able to resume his duties.

Dr. Benedict has received so many applications from parties desiring to have their eyes examined, that he has concluded to remain here until further notice. He will be found at the Umatilla House during office hours.

The Wasco Warehouse Co. have on sale at their warehouse Seed Wheat, Feed Wheat, Barley, Chop, Oats and Hay. Are sole agents in The Dalles for the now celebrated Goldenale roller mills flour, the best flour in the market, and sold only in ton lots or over. 9-11

A petition with sixty-two signatures has been sent to the postmaster-general praying for the creation of a new post-office, to be located at the house of Isaac Matney, eleven miles southwest of town, on Mill creek. Mr. Matney was in the city today for the purpose of forwarding the petition.

This has been a day to delight those who enjoy the fresh breezes from the mountains. At an early hour old Zephyr commenced his work of scattering dust and small natural bric-a-brac, sweeping the streets and sidewalks and placing most of the dirt and dust where it would cause the most annoyance and greatest amount of profanity.

Many of our old residents will remember W. N. Bonham, who was engaged in teaming here in early days. Judge Liebe tells us that he heard from him through the Packard case, that he met with reverses, losing nearly all of his property, and that he was recently appointed deputy assessor of Kern county, California. He is living at Spotswood.

We do not know what some of the people on the hill want, and we doubt if they do. Since the new smallpox hospital has been built entirely away from them, they object to Dr. Hollister, who is attending the patients, passing

through that part of the town. We recognize every man's right to protect himself and his family from contagion, but regret that unreasoning fear has so warped the judgment of those persons who interfere with the doctor's visits.

Council Meeting.

At an adjourned meeting of the city council held Saturday evening, the following business was transacted: Present Councilmen Nolan, Adams, Thompson, Eshelman Lauer, Hood, Kuck and Johns. Acting-Mayor Nolan stated the object of the meeting, which was to fill the unexpired term of Mayor Bolton deceased.

No nominations were made, but it was agreed that an informal ballot should be taken, and the candidate appearing to be the most popular should be the unanimous choice, and upon said ballot being counted, it appearing that Frank Menetee had received a majority of the votes, he was thereupon nominated and elected by a unanimous vote.

A report of the physicians heretofore appointed to select a site for a pest house, recommending the location immediately south of the present city cemetery, was read, accepted and ordered placed on file.

Committee heretofore appointed to draft resolutions on the death of the mayor, presented the following, which were adopted and ordered made a part of the proceedings of this meeting and that a copy be sent to the widow of the deceased mayor:

WHEREAS, Death has removed from our midst an esteemed citizen the mayor of Dalles City, and

WHEREAS, Remembering his many virtues and faithfulness to convictions of right, we realize how great is our loss, and even greater the loss sustained by those nearest him. Therefore be it

Resolved, That we hold in grateful remembrance his wise counsels and his judicious actions in all matters pertaining to the public good.

Resolved, That we cherish his memory with sincere affection, and extend our heartfelt sympathy to those who have been bereaved.

Resolved, That a copy of these resolutions be sent to the wife of the deceased that they be spread upon the records of the proceedings of the common council, and that the local papers be requested to publish them.

R. B. HOOD,
S. B. ADAMS,
A. R. THOMPSON,
Committee.

On motion it was ordered that William Glasius be appointed special policeman to enforce the curfew ordinance on the bluff, and that he be allowed a reasonable compensation for all arrests made by him, where a conviction results.

On motion it was ordered that when the council adjourn it be to meet Saturday night, March 16th, at 7:30.

Last Night's Eclipse.

The eclipse of the moon last night was a genuine success, the curtain rising, so to speak, to the minute as advertised. The sky was clear at the beginning of the performance, and there were no big hats to shut off the view. The shadow of the earth came up from below, gradually spreading over the face of the moon until the eclipse was total. About this time more or less clouds had swept up from the west, but only enough to hide the show for a moment or two at a time. Taken all in all, it was just as fine an eclipse as any country ever had.
