

Mothers

have never found a preparation so well adapted to the needs of thin, delicate children, as Scott's Emulsion of Cod-liver Oil, with Hypophosphites.

Children almost universally like the taste of it, which makes its administration easy, and it supplies their blood with the food properties that overcome wasting tendencies.

Scott's Emulsion enriches the blood, promotes the making of healthy flesh, and aids in a healthy formation of the bones.

Don't be persuaded to accept a substitute.

May Have Fired Upon the British Flag, Also.

WASHINGTON, March 19.—As far as can be learned, the state department has not yet heard from either United States Minister Taylor or from Consul-General Williams at Havana upon the question of the identity of the cruiser which fired upon the *Allianza*. As the commander of the *Conde de Venadito*, reported the steamer upon which he fired was flying the British flag, there is a possibility that his story refers to another incident, which may result in bringing Great Britain to the defense of her ensign, for the Spanish cruiser, according to the position taken by Secretary Gresham, was bound to accept the colors displayed in answer to the signals establishing the nationality of the vessels. It begins to appear that our government is not disposed to be unduly exacting in the matter of a speedy response from the Spanish government, inasmuch as the entire Spanish cabinet has resigned.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. CHENEY & Co., Toledo, O. Sold by all druggists, 75c.

Foundation for a Lawsuit Laid Seventy Years Ago.

GEORGETOWN, O., March 19.—The court which meets here next week will hear an interesting case in which \$300,000 worth of property is involved. Seventy years ago Samuel Gist, a rich Virginia slaveholder died in England. His will freed several hundred slaves, and the trustees were directed to purchase farms for them in Ohio. Several thousand acres were bought in Highland, Adams and Brown counties, and the negroes placed on them. The remoteness of the markets and the ignorance of the blacks of the North caused a failure, and the farms were sold for taxes. Now a railroad runs through the tract. Fine farms abound and several villages have sprung up. Gist's heirs have decided to contest.

The Discovery Saved His Life.

Mr. G. Caillouette, druggist, Beaversville, Ill., says: "To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians for miles about, but of no avail, and was given up and told I could not live. Having Dr. King's New Discovery in my store, I sent for a bottle and began its use, and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it." Get a free trial at Snipes & Kinersly's.

Spanish Minister's Report.

MADRID, March 19.—Senor Muranga, the Spanish minister at Washington, has informed his government by telegraph that the excitement and intemperate utterance of a portion of the American press in regard to the *Allianza* affair is abating. Cleveland, he says, has never shared in the resentment which these papers have expressed.

J. A. Richardson, of Jefferson City, Mo., Chief Enrolling force 38th general assembly of Missouri, writes: I wish to testify to the merits of One Minute Cough Cure. When other so-called cures failed, I obtained almost instant relief and a speedy cure by the use of One Minute Cough Cure. Snipes-Kinersly Drug Co.

Emphatically Denied.
New York, March 19.—The captain of the *Allianza* said this morning with reference to the Havana dispatch stating that a vessel flying the English flag had been fired on by a Spanish cruiser, that the vessel referred to was evidently the *Allianza*, but he declared emphatically that the captain of the cruiser lied when he said the English flag was displayed, and that the vessel was within a mile and a half of the Cuban coast. He declared if he had displayed the English flag the cruiser would not have dared to fire. The captain is busy getting affidavits to all members of the crew who witnessed the incident in order to forward them to Washington.

American Ensign Was Flying.
New York, March 19.—The cable dispatch from Havana to the effect that the commander of the Spanish cruiser *Conde de Venadito* has reported that he fired on a steamer March 8, off Cape May, after signaling her, and was replied to by the hoisting of the British flag, has brought affidavits from Captain Crossman, of the *Allianza*, and his officers that the American, and not the British ensign was flying from the staff of the *Allianza*. The report that the *Allianza* carried rifles on her south-bound trip was emphatically denied by the representatives of the Panama Railroad Company.

A Secret.
If all the ladies knew the simple secret that a bad complexion is due to a disordered liver, there would be fewer sallow faces and blotchy skins. This important organ must be kept active and healthy to insure a clear and rosy color. Dr. J. A. McLean's Liver & Kidney Balm as a purifier, beats all the creams and lotions in existence and will produce a more permanent effect. Removes bad taste in the mouth, offensive breath, yellow tinge in the skin, wind on the stomach and that dull, bilious feeling which so surely indicates the torpid liver. Price \$1.00 per bottle. Snipes-Kinersly Drug Co.

The hopraisers of this vicinity, says the *Independence Enterprise*, have been busy the past two weeks in getting their yards ready for the season's work. We have not heard of a single yard that has been converted to other purposes, and most of our hopgrowers feel confident that this year's prices will exceed those of last year.

The remains of an Indian's body were found along the track east of Pendleton Saturday evening. The victim was evidently asleep on the railroad track and run over by a freight. A whiskey bottle lay by his side, a criterion by which to judge the propensity of the man before his death and the cause for the fatality.

A severe rheumatic pain in the left shoulder had troubled Mr. J. H. Loper, a well known druggist of Des Moines, Iowa, for six months. At times the pain was so severe that he could not lift anything. With all he could do he could not get rid of it until he applied Chamberlain's Pain Balm. "I only made three applications of it," he says, "and have since been free from all pain." He now recommends it to persons similarly afflicted. It is for sale by Blakeley & Houghton Druggists.

B. H. Bowman, Pub. Enquirer, of Bremen, Ind., writes: Last week our little girl baby, the only one we have, was taken sick with croup. After two Doctors failed to give relief and life was hanging on a mere thread we tried One Minute Cough Cure and its life was saved. Snipes-Kinersly Drug Co.

Exposure to rough weather, dampness, extremes cold, etc., is apt to bring on an attack of rheumatism or neuralgia; chapped hands and face, cracked lips and violent itching of the skin also owe their origin to cold weather. Dr. McLean's Volcanic Oil Liniment should be kept on hand at all times for immediate application when troubles of this nature appear. It is a sovereign remedy. 25c, 50c and \$1.00 per bottle.
