

Stop that Cough!

It may lead to serious consequences. Cough remedies will not do it, because it means more than a simple cold. Scott's Emulsion of Cod-liver Oil with Hypophosphites will do it, and at the same time will build up and fortify the system against further attacks.

We are putting up a 50-cent size for just these local difficulties. For ordinary Coughs and Colds that quantity will doubtless cure. If it is deep-seated it may require more.

Don't be persuaded to accept a substitute!

Prisons in Havana Are Now Empty.

TAMPA, Fla., March 22.—Incoming passengers from Havana report sympathizers with the Cuban revolution arrested during the disturbances have been released. They are watched, and should they be re-arrested will be confined at Mantanzas.

This release is designed to clear the prisons of Havana so no evidence of the rebellion will be observed by visitors.

It is reported that the insurrectionists have discovered that General Sanquilly, who was expected to lead the rebels, but was arrested before the uprising came, has been receiving \$200 a month from the Spanish government for eight years past to keep it advised of plots against the government by Cubans.

General Guillermo is reported near Santiago with 4,000 men, divided into companies of 500. For the next two months it is stated there will be no great progress, as the Cubans do not intend to now assume the aggressive. Early in June, at the opening of the rainy season the Spanish troops not acclimated will be exposed to the elements and yellow fever is relied upon to kill more troops than the Cubans might with rifles.

"Perhaps you would not think so, but a very large proportion of the diseases in New York comes from carelessness about catching cold," says Dr. Cyrus Edson. "It is such a simple thing and so common that very few people, unless it is a case of pneumonia, pay any attention to the cold. New York is one of the healthiest places on the Atlantic Coast and yet there are a great many cases of catarrh and consumption which have their origin in this neglect of the simplest precaution of every day life. The most sensible advice is, when you have one get rid of it as soon as possible. By all means do not neglect it." Dr. Edson does not tell you how to cure a cold but we will. It will relieve the lungs, aid expectoration, open the secretions and soon effect a permanent cure. 50 cent bottles for sale by Blakely & Houghton, druggists.

Miners Will Strike If Wages Are Not Restored.

NEWCASTLE, Pa., March 22.—At a mass meeting of miners yesterday it was decided, unless the old scale of wages was restored, to strike Saturday. The miners are getting 50 and 60 cents a ton, and want the old rates of 60 and 70 cents.

\$100 Reward \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. CHENEY & Co., Toledo, O. Sold by all druggists, 75c.

Spaniards Not Yet Satisfied the Alliance Was Fired Upon.

WASHINGTON, March 22.—The Spanish naval commander at Havana is still investigating the firing upon the steamship Allianca. It is officially said that Spain will make no reply to Gresham's note until the Spanish naval commander now investigating the matter shall report to the official authority that Spain has assured the United States she is disposed to act fairly, and that a detailed answer will be made to Gresham's dispatch at the very moment the government is in a position to speak intelligently. No apology, however, will be made until Spain is satisfied that it is proper that she should do so.

A Secret.

If all the ladies knew the simple secret that a bad complexion is due to a disordered liver, there would be fewer sallow faces and blotchy skins. This important organ must be kept active and healthy to insure a clear and rosy color. Dr. J. A. McLean's Liver & Kidney Balm as a purifier, beats all the creams and lotions in existence and will produce a more permanent effect. Removes bad taste in the mouth, offensive breath, yellow tinge in the skin, wind on the stomach and that dull, bilious feeling which so surely indicates the torpid liver. Price \$1.00 per bottle. Lieutenant-Governor Millard.

SAN FRANCISCO, March 22.—It is authoritatively stated today by intimate friends of Lieutenant-Governor Millard that he is dangerously ill with consumption at Indio, and that he will not live to assume the duties of his position. Those in a position to know say that in the event of the fatal termination of Mr. Millard's illness, Governor Budd will appoint Mr. Jeter who was the democratic candidate for lieutenant-governor at the recent election.

A severe rheumatic pain in the left shoulder had troubled Mr. J. H. Loper, a well known druggist of Des Moines, Iowa, for six months. At times the pain was so severe that he could not lift anything. With all he could do he could not get rid of it until he applied Chamberlain's Pain Balm. "I only made three applications of it," he says, and have since been free from all pain." He now recommends it to persons similarly afflicted. It is for sale by Blakely & Houghton Druggists.

ASK THEM WHY?

Ask the men who are making imitations of COTTOLENE, the new vegetable shortening, why they give up lard and try to trade on the merits of COTTOLENE? Perhaps you can guess why.

ASK HIM WHY?

Ask the grocer who attempts substitution, why he tries to sell an imitation when people call for that pure, palatable and popular vegetable shortening, COTTOLENE? Perhaps you can guess.

ASK YOURSELF WHY?

Why should not YOU use COTTOLENE, instead of lard or any other compound, for all cooking purposes? It has the highest possible endorsement; from Physicians as to healthfulness; from Cooking Experts as to superiority; from housekeepers as to economy. Use COTTOLENE and stick to it.
