Is a source of much suffering. The system should be thoroughly cleansed of all impurities, and the blood kept in a healthy condition. S. S. S. removes CHRONIC SORES.

Ulcers, etc., purifies the blood, and builds up the general health. It is without an equal. Ira P. Siles, of Palmer, Kan., says: "My foot and leg to my knee was a running sore for two years, and physicians said it could not be cured. After taking fifteen small bottles of S. S. S. there is not a sore on my limbs, and I have a new lease on life. I am seventy-seven years old, and have had my age renewed at least twenty years by the use of S. S. S."

## Venezuela's Foreign Affairs.

WASHINGTON, March 27.—Advice received here state Germany has sent a new minister to Venezuela, who recently passed through New York en route to his new post. This is regarded as the first step toward adjustment of the trouble arising over the departure from Venezuela of the ministers of Spain, Germany, France and Belgium, because they united in a communication to their governments reflecting on the president and officers of Venezuela. The subject has been watched with interest by the state department, owing to the part the United States has taken in the boundary contest between Venezuela and Great Britain.

Minister Andrade, of Venezuela, one of the Venezuelan claims commission, has given notice of a dissenting opinion from the award of the commission made yesterday. It will not vary Venezuela's purpose to pay the award according to the finding of the majority of the commission. The congress of that country is in session and it is expected that the first installment of the award will be included in the budget of this year. The treaty provides the award is to be paid in five annual installments, each of \$28,300.

## \$100 Reward \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. CHENEY & Co., Toledo, O. Sold by all druggists, 75c.

Rich Quartz Discovery in Esmeralda County, Nevada.

SAN FRANCISCO, March 27.—J. A. Yerrington of Nevada, arrived here yesterday, having come from the new mining camp of Silver Star, in Esmeralda county. He says there is great excitement there over the reported discovery of rich gold quartz, and people are going in by rail, on foot, by bronchos and every other way. The camp is eight miles from the railroad, in rounded, rather ragged mountains, and at an altitude of 7000 feet above the sea. Everywhere one goes, Yerrington says, there is gold. Yerrington was there a week ago, and in that time 16 houses were erected. He says the country is staked off for miles around.

"Perhaps you would not think so, but a very large proportion of the diseases in New York comes from carelessness about catching cold," says Dr. Cyrus Edson. "It is such a simple thing and so common that very few people, unless it is a case of pneumonia, pay any attention to the cold. New York is one of the healthiest places on the Atlantic Coast and yet there are a great many cases of catarrh and consumption which have their origin in this neglect of the simplest precaution of every day life. The most sensible advice is, when you have one get rid of it as soon as possible. By all means do not neglect it." Dr. Edson does not tell you how to cure a cold but we will. It will relieve the lungs, aid expectoration, open the secretions and soon effect a permanent cure. 50 cent bottles for sale by Blakely & Houghton, druggists.

Trial of Sugar Trust Barons. WASHINGTON, March 27.—In the criminal court this morning counsel for Havemeyer and Searles, recalcitrant sugar trust investigation witnesses, moved the trials be advanced to take place before April 15. A specified date will be fixed within a week.

## Thurston's Note to Gresham

WASHINGTON, March 27.—The notification sent by Minister Thurston to the state department of his intentions to leave the country and designating Secretary Hastings as charge d'affaires of Hawaii, was received by the department here. Mr. Hastings will be recognized as Hawaii's diplomatic representative until notice of the selection of a new minister is received.

It is understood Thurston's formal note to Gresham announcing his intended departure from Washington, which reached the secretary today, is brief almost to the point of curtness. It simply stated that he intended to depart for Honolulu this afternoon, leaving Secretary Hastings in charge of the Hawaiian legation. The note is said by those familiar with diplomatic communications of its class to be remarkable for its omission of customary courteous explanations and absolutely unique in failing to announce whether his government had or had not given him leave of absence.

## Specimen Cases.

S. H. Clifford, New Cassel, Wis., was troubled with neuralgia and rheumatism, his stomach was disordered, his liver was affected to an alarming degree, appetite fell away, and he was terribly reduced in flesh and strength. Three bottles of Electric Bitters cured him.

Edward Shepherd, Harrisburg, Ill., had a running sore on his leg of eight years' standing. Used three bottles of Electric Bitters and seven boxes of Bucklen's Arnica Salve, and his leg is sound and well. John Speaker, Catawba, O., had five large fever sores on his leg, doctors said he was incurable, one bottle Electric Bitters and one box Bucklen's Arnica Salve cured him entirely. Sold by Snipes & Kinerly.

## Not Known in Hawaii.

SAN FRANCISCO, March 27.—The steamer Australia arrived this morning from Honolulu. The latest Hawaiian advices contain no reference to the demand made by Secretary Gresham for the recall of Minister Thurston, and it is evident that no knowledge of this latest diplomatic incident has reached the Hawaiian people. Whether the Hawaiian government has any knowledge of the state of affairs at Washington is simply a matter of conjecture.

Dykeman Druggist, Catskill, N.
