SPRAY NO. 1.

Winter Spray for San Jose Scale and Curl Leaf of the Peach.

Lime, unslacked.....30 lbs
Sulphur, powdered.....20 lbs
Salt, Liverpool.....15 lbs

The above is a very efficient remedy for the San Jose Scale and Curl Leaf of the Peach, and is an excellent fertilizer for the trees. It not only destroys the scale and prevents the spread of the curl leaf, but removes all lichens and keeps the bark soft.

In the case of curl leaf, the greatest good will result from the early spraying, as it prevents to a large degree the dormant spores of this parasitic fungus coming to life, and destroys any that may have started.

DIRECTIONS.

To be most successful, this spray should be applied just before the buds swell in the spring. It can be used at this time stronger than later, and should be thrown upon the trees when it is warm.

Use for winter spraying, 1 pound to 2 gallons of water; for summer work use 1 pound to 8 gallons of water. Maier & Benton, sole agents, The Dalles, Or.

BRIEF MENTION.

Leaves From the Notebook of Chronicle Reporters.

The courts are barren of items today. Wheat has gone up a few cents and in consequence considerable of it is being sent to market.

Don't forget the Easter opening of fine millinery, hats and bonnets at Mrs. Briggs' Monday.

The captain of the Spanish gunboat that fired upon the American steamer *Allianza* has been relieved of his command.

Mrs. Phillips will have a display of new Easter goods and pattern bonnets on Monday and Tuesday, April 1st and 2d, at her new store on Washington street, between Second and Third.

Japan has declared an unconditional armistice pending the settlement of the terms of peace with China. It is said this move was almost forced upon her by the idiotic shooting of Li Hung Chang by a crazy Jap.

Mrs. Le Ballister will display her spring stock of millinery next Tuesday and Wednesday. She has just received a fine stock of the very latest shapes and the most popular and fashionable shades in trimmings. A cordial invitation is extended to the ladies to call and inspect the selections. 28-4t

Taxes are coming in quite lively, and one wonders where all the money comes from. However it comes, and that is explanation enough. This is the last day for paying taxes before they become delinquent, but it is probable the time will be extended, owing to the fact that the roll has only been in the possession of the sheriff for two weeks.

Mrs. Obarr and family have moved back into their house and it is again open for business. The carpets, bedding and furniture of the rooms where Mr. Monahan and his nurse stopped, were burned, and the balance of the rooms fumigated and disinfected. This work was done under the supervision of Dr. Hollister, and all danger from contagion is past.

Mrs. F. M. Hendershott, late of Portland, has located on Second and Liberty streets, and is prepared to do fashionable dressmaking in all the latest styles. Elegant designer and fitter.

In Memoriam.

Wm. Edward McLeod, son of Alexander and Ellen J. McLeod, was born in Milwaukee, Wisconsin, on the 28th day of October, 1865. He emigrated with his parents to California in 1869, and then to Kingsley, Or., in 1878, and was married to Miss Ella Roth Oct. 24, 1888, settling on his farm near Rutledge, Sherman county, where he resided till his death, which took place on the 25th of March, 1895. He was complaining the most of the winter, but his last illness covered a period of only eight days. He was an exemplary young man, beloved by all who knew him; was converted last winter at Rutledge, and was to have been baptized and united with the Baptist church at Grass Valley the day previous to his death. He leaves a wife and three children, father, mother and three sisters to mourn his loss. The sisters are Mrs. Remi Rondeau of Kingsley, Mrs. Ella Bassoni of Oakland, Calif., and Mrs. T. E. Herbert of Brown City, Mich.

The funeral services were conducted by the Rev. M. F. T. Henton at the residence of his parents, near Kingsley. A large concourse of people were present to show their last kind evidences of esteem as his remains were laid to rest in the Kingsley cemetery.

The wife and children lose a loving husband and a kind father, and the father and mother and sisters a dutiful son and an affectionate brother.

His bereaved relatives wish to thank the people of Rutledge and Grass Valley for their kindness and assistance during his illness, and also the people of Kingsley. M.

The Prineville Cremation.

Mr. Arthur Hodges, county clerk of Crook county, writing to Register Moore of the land office, gives the following account of the burning of the jail and prisoner confined therein at Prineville:

"Shortly before 3 o'clock this morning the fire alarm was sounded, and it was discovered that the town jail and old engine house were ablaze. Before the fire department could reach the spot, the fire in these buildings was beyond control, and it was with the greatest difficulty that the blaze was kept from extending to other buildings in the vicinity. Frank McNally was locked in the jail a few hours before by Marshal Dobson, and it is supposed he set fire to the bed. He was burned to death, and his charred remains were found beneath the debris after the flames had been subdued. Coroner Pringle called a jury today to inquire into the cause of the death of McNally, and the jury rendered a verdict in accordance with the above. The victim of the fire was about 40 years of age. He came from Michigan to this state, and has resided in Crook county for the past six years. He appeared to be a man of education, and had many good traits of character; but his love for drink had wrecked his life, and brought to an untimely end the existence of one who otherwise would have been a useful citizen."

PERSONAL MENTION.

Robert Mays, jr., came in from Antelope yesterday.
