The Women Broke the Record.

BRIDGEPORT, Conn., March 30 .- The women broke the record for registration today, when 1450 qualified, a majority being Catholics, to offset the movement started Friday to defeat P. W. Wren, the largest wholesale liquor dealer in the state, for re-election to the presidency of the board of education. The so-called American Protective Association temperance movement is against Wren. It is expected that 1000 women will register Monday, making 3000 altogether. A large number had registered in other parts of the state. There has been intense excitement, men urging women to register, and a great throng has been about the city hall all day.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in ali its stages, and that is Catarrh. Hall's Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall'e Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimo. nials. Address,

HOW BAD HABITS ARE FORMED.

The New York Tribune says: "The habit of taking 'headache powders' is increasing to an alarming extent among a great number of wo-men throughout the country. These powders as their name indicates, are claimed by the manu-facturers to be a positive and speedy cure for any form of headache. In many cases their chief ingredient is morphine, optium, cocaine or some other equally injurious drug having a tendency to deaden pain. The habit of taking them is easily formed, but almost impossible to shake off. Women usually begin taking them to re-leve a raging headache and soon resort to the powder to alleviate any little pain or ache they may be subjected to, and finally like the mor-phine or optium fixed, get into the habit of taking them regularly, imagining that they are in pain if they happen to miss their regular dose."

In nine cases out of ten, the trouble is in the stomach and liver. Take a simple laxative and liver tonic and remove the offending matter which deranges the stomach and causes the headache. Dr. stomach and causes the headache. Dr. Pierce's Pleasant Pellets are composed entirely of the purest, concentrated, vegetable extracts. the disposition to it. Mr. E. VARDASON, of Olicy Lake, Lapeer Ca, Mich., writes: "I not infrequently have an at-tack of the headache. I usually comes on in the forenoon. At my inner I cat my regular meal, and take one or two of Doctor Pierce's Piesaant Pellets imme-diately after, and in the other every way for how worse, as is usual after taking other kinds of pills.
