The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address,

Smallest in the World.
Key West, Fla., April 3.—A woman appeared here yesterday who is said to be the smallest person in the world. She is Miss Isabella Pinder, of Spanish Wells, in the Bahama islands, and she is 35 years old, 36 inches tall, and weighs less than 50 pounds. Her physical development is perfect. She is on a visit to a cousin here, "General" Abe Sawyer, who is 31 years old, 41 inches tall, and weighs 55 pounds.

"Perhaps you would not think so, but a very large proportion of the diseases in New York comes from carelessness about catching cold," says Dr. Cyrus Edson. "It is such a simple thing and so common that very few people, unless it is a case of pneumonia, pay any attention to the cold. New York is one of the healthiest places on the Atlantic Coast and yet there are a great many cases of catarrh and consumption which have their origin in this neglect of the simplest precaution of every day life. The most sensible advice is, when you have one get rid of it as soon as possible. By all means do not neglect it." Dr. Edson does not tell you how to cure a cold but we will. It will relieve the lungs, aid expectoration, open the secretions and soon effect a permanent cure. 50 cent bottles for sale by Blakely & Houghton, druggists.

Must Not Appoint a Successor.
TOPEKA, April 3.—Judge Hazen, of the Shawnee county district court, today enjoined Governor Morrill from appointing a successor to J. C. Butler, steward of the Topeka insane asylum, who was recently suspended, pending an investigation. Judge Hazen held that the steward had certain vested rights with which the governor could not interfere. Butler was appointed by the state board of charities.

A severe rheumatic pain in the left shoulder had troubled Mr. J. H. Loper, a well known druggist of Des Moines, Iowa, for six months. At times the pain was so severe that he could not lift anything. With all he could do he could not get rid of it until he applied Chamberlain's Pain Balm. "I only made three applications of it," he says, "and have since been free from all pain." He now recommends it to persons similarly afflicted. It is for sale by Blakely & Houghton druggists.

The Shortage Increased.

A detective from San Francisco told a friend yesterday morning that the shortage was much larger than has ever been published."
