"Perhaps you would not think so, but a very large proportion of the diseases in New York comes from carlessnes about catching cold,"says Dr. Cyrus Edson. "It is such a simple thing and so common that very few people, unless it is a case of pneumonia, pay any attention to the cold. New York is one of Coast and yet there are a great many cases of catarrh and consumption which have their origin in this neglect of the simplest precaution of every day fife. The most sensible advice is, when you have one get rid of it as soon as possible. By all means do not neglect it." Dr. Edson does not tell you how to cure a cold but we will. It will relieve the lungs, aid expectoration, open the secretions and soon effect a permanent cure. 50 cent bottles for sale by Blakely & Houghton, druggists.
