

Recent Storms in Kansas and Colorado.

DENVER, April 8.—Belated travelers from the East report the storm through Kansas the worst ever known in that section. Many passenger trains, now more than forty-eight hours late, are still battling with snow and sand on the prairie.

Superintendent Bogard, of the Union Pacific, with headquarters at Cheyenne Wells, has a large force of men cleaning tracks. In places within sixty or seventy miles of Denver snow was found in cuts from thirty to forty feet deep, being over the tops of telegraph poles. Trains are getting through on all roads today.

The loss of range stock in some portions of eastern Colorado, it is said will amount to 20 per cent. of the cattle. Many cattle drifted into Hugo, Colo., and perished, which had been driven before the wind from the north over one hundred miles.

A Household Treasure.

D. W. Fuller, of Canajoharie, N. Y., says that he always keeps Dr. King's New Discovery in the house and his family has always found the very best results follow its use; that he would not be without it, if procurable. G. A. Dykeman Druggist, Catskill, N. Y., says that Dr. King's New Discovery is undoubtedly the best cough remedy; that he has used it in his family for eight years, and it has never failed to do all that is claimed for it.

The President Pleas.

CHICAGO, April 8.—A special to the Daily News from Washington says: I am deeply gratified by the stand Senator Palmer has taken against the proposed free silver convention in Illinois," said President Cleveland to one of his callers today. The president discussed the new silver movement at considerable length, and deprecated the action of the Illinois state committee. Politicians who are acquainted with Senator Palmer's private views on the silver question read between the lines of his published interview this morning a plain warning to his party that if the June convention declared for free silver he will leave the party and carry with him a large following of administration democrats.

A severe rheumatic pain in the left shoulder had troubled Mr. J. H. Loper, a well known druggist of Des Moines, Iowa, for six months. At times the pain was so severe that he could not lift anything. With all he could do he could not get rid of it until he applied Chamberlain's Pain Balm. "I only made three applications of it," he says, and have since been free from all pain." He now recommends it to persons similarly afflicted. It is for sale by Blakeley & Houghton Druggists.

Symptoms of kidney troubles should be promptly attended to; they are nature's warnings that something is wrong. Many persons die victims of kidney diseases who could have been saved had they taken proper precautions. The prompt use of Dr. J. H. McLean's Liver & Kidney Balm has saved thousands of valuable lives. If you have any derangement of the kidneys try it. Price \$1.00 per bottle. Sold by Snipes & Kinerly, druggists.

We have made arrangements with the San Francisco Examiner to furnish it in connection with THE CHRONICLE. Having a clubbing rate with the Oregonian and N. Y. Tribune for our republican patrons, we have made this arrangement for the accommodation of the democratic members of THE CHRONICLE family. Both papers, the Weekly Examiner and SEMI-WEEKLY CHRONICLE will be furnished for one year for \$2.25, cash in advance.

Notice.

To WHOM IT MAY CONCERN: On and after April 1, 1895, the price of horse-shoeing will be \$2 per head in the places of the undersigned.
