

"Perhaps you would not think so, but a very large proportion of the diseases in New York comes from carelessness about catching cold," says Dr. Cyrus Edmon. "It is such a simple thing and so common that very few people, unless it is a case of pneumonia, pay any attention to the cold. New York is one of the healthiest places on the Atlantic Coast and yet there are a great many cases of catarrh and consumption which have their origin in this neglect of the simplest precaution of every day life. The most sensible advice is, when you have one get rid of it as soon as possible. By all means do not neglect it." Dr. Edmon does not tell you how to cure a cold but we will. It will relieve the lungs, aid expectoration, open the secretions and soon effect a permanent cure. 50 cent bottles for sale by Blakeley & Houghton, druggists.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address,

One in Four.
One person in four has a weak or diseased heart that entirely unites them for business and social life, or is simply a little annoying. Disease is never at a standstill.
When the trouble first commenced, "Oh! well, it don't amount to much," and you let it go, let the disease insidiously get the mastery of you. You lose all courage; the slightest exertion tires you; your feet, ankles and legs swell; you cannot lie on your left side. Finally, you become so weak that you cannot lie down without smothering and are compelled to get what sleep you can in a chair. You are invited to get well.
Have you the least little ambition left?
Mrs. Eliza Cassidy, a mill employee of Lowell, Mass., had slight heart troubles many years ago.
She neglected it for years.
Her son tells the story best in his letters. Lowell, Mass., April 6th, 1894.
"I must tell of the wonderful things your Heart Cure has done for my mother. She is 58 years of age, and always had good heart until a severe cold left her with a slight heart trouble, which kept getting worse and worse. Physicians called it bronchitis, and she had seven years ago, but they did not help her; we had the best physicians in Lowell. She would take walks and fainting and palpitations; several times we thought she would not live to see morning, and every spell seemed to be worse than the last. On March 18th, she was ever and don't have to stand and wait for breath. Her cough has left her. I write to let you know, as there are others suffering the same as she. Mother says, 'May God bless you every day of your life.'" Lowell, May 7, 1894.
"Mother tells everybody in praise of your medicine which she said her from the grave; she is gaining strength and flesh every day. No palpitation or trouble of the heart at all now, and as work every day as I write you last. If any person wishes any information, we will be only too glad to have them write or come to see. I will give them special attention concerning the good your valuable Heart Cure has done her. We remain yours

Dr. Miles' Heart Cure CURES ECZEMA
From early childhood until I was grown my family spent a fortune trying to cure me of this disease. I visited Hot Springs, and was treated by the best medical men, but was not benefited. FROM When all things had failed I determined to try S. S. S., and in four months was entirely cured. The terrible Eczema was gone, not a sign of it left; my general health built up, and I have never had any return of the disease. I have since CHILDHOOD recommended S. S. S. to a number of friends for skin diseases, and have never yet known a failure to cure. GEO. W. IRWIN, Irwin, Pa.
S. S. S. never fails to cure, even after all other remedies have. Our medicine is sold on Blood Purifier on Skin Diseases mailed free to any address.
