Merely a Bluff.

WASHINGTON, April 12 .- The St. Petersburg Nova Vremya's utterances to the effect that Russia, will oppose by land and sea Japan's demand, if England than fifty thousand dollars, each bond concedes them, are regarded here as a to be of the face value of five hundred bluff, well understood and satisfactory to Japan. It is stated that it is known that if Russia interferes the other powers will hold aloof, and Russia wants to convey the impression that she is about to interfere to obtain such a result until the peace negotiations are concluded. Russia is favorable to the independence of Corea because thereby she can obtain an outlet to the sea for the Siberian railroad.

A Household Treasure.

D. W. Fuller, of Canajoharie, N. a very large proportion of the diseases in New York comes from carlessnes about catching cold,"says Dr. Cyrus Edson. "It is such a simple thing and so common that very few people, unless it is a case of pneumonia, pay any atten-Ion to the cold. New York is one of Coast and yet there are a great many cases of catarrh and consumption which have their origin in this neglect of the simplest precaution of every day fife. The most sensible advice is, when you have one get rid of it as soon as possible. By all means do not neglect it." Dr. Edson does not tell you how to cure a cold aid expectoration, open the secretions and soon effect a permanent cure. 50 cent bottles for sale by Blakely & Houghton, druggists.
