

Astoria hopeful.

ASTORIA, Or. April 15.—The committee for securing the right-of-way through the city started out this morning, and at night had fully one-third of the deeds. By Wednesday night it expects to have the entire right-of-way through the city. The line from Goble to Astoria has been secured, with few exceptions, and suits will be entered at once to condemn the rest of the right-of-way.

Few fish are being caught just now, this morning's haul being very light. One of Kinney's boats was found bottom up on the sands late this afternoon. It has not been reported who the occupants were or whether they were saved.

Coming down the river Saturday night the steamer Signal went over a net, which became entangled with the propeller. She was beached yesterday and had the net removed.

A Household Treasure.

D. W. Fuller, of Cansjobarie, N. Y., says that he always keeps Dr. King's New Discovery in the house and his family has always found the very best results follow its use; that he would not be without it, if procurable. G. A. Dykeman Druggist, Catskill, N. Y., says that Dr. King's New Discovery is undoubtedly the best cough remedy; that he has used it in his family for eight years, and it has never failed to do all that is claimed for it. Fort Dir Taken.

CALCUTTA, April 15.—Later news from the Chitral campaign states that the British have captured Fort Dir, on the north bank of the Panjkora river, together with the garrison, including Mohammed, Umra Khan's brother. Colonel Kelley's march to Chitral has been retarded by rains and freshets.

Perhaps you would not think so, but a very large proportion of the diseases in New York comes from carleesnes about catching cold," says Dr. Cyrus Edson. "It is such a simple thing and so common that very few people, unless it is a case of pneumonia, pay any attention to the cold. New York is one of the healthiest places on the Atlantic Coast and yet there are a great many cases of catarrh and consumption which have their origin in this neglect of the simplest precaution of every day life. The most sensible advice is, when you have one get rid of it as soon as possible. By all means do not neglect it." Dr. Edson does not tell you how to cure a cold but we will. It will relieve the lungs, aid expectoration, open the secretions and soon effect a permanent cure. 50 cent bottles for sale by Blakely & Houghton, druggists.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. CHENEY & Co., Toledo, O. Sold by all druggists, 75c.
