The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. CHENEY & Co., Toledo, O. Sold by all druggists, 75c.

Newspaper Comment.

DENVER, April 16.—Regarding President Cleveland's letter to the Chicago committee, the Republican says: "If his letter contains the best arguments that can be advanced in favor of a single gold standard, intelligent people in this country are certain to repudiate that standard as soon as they can get an opportunity."

The News says: "An actor at Washington now appears without his disguise. Obedient to the money power of which he is the friend, ally and servant, he openly throws the weight of his great position on the side of the money kings and against the people. No more striking confession of the growth of bimetalism has been wrong from unwilling lips."

Great Silver Demonstration.

DENVER, April 19.—The weather this afternoon is fine, and the silver demonstration will be a great success. Seats for 5000 people have been placed in the state capital grounds, where an open air meeting will be held, and the indications are that ex-Congressman Sibley and General Warner will be greeted by an audience of at least 10,000. Their speeches will be impromptu.

Exposure to rough weather, dampness, extreme cold, etc., is apt to bring on an attack of rheumatism or neuralgia; chapped hands and face, cracked lips and violent itching of the skin also owe their origin to cold weather. Dr. McLean's Volcanic Oil Liniment should be kept on hand at all times for immediate application when troubles of this nature appear. It is a sovereign remedy. 25c, 50c and \$1.00 per bottle.

Another Jail Break.

MADERA, April 16.—Six prisoners broke jail here last night. They were Jim Lawson, held for attempted murder and jailbreaking; Jim Hansell, an Indian, convicted of murder, and sentenced for life, and four hobos. It is the second jailbreak here in two months.

A severe rheumatic pain in the left shoulder had troubled Mr. J. H. Loper, a well known druggist of Des Moines, Iowa, for six months. At times the pain was so severe that he could not lift anything. With all he could do he could not get rid of it until he applied Chamberlain's Pain Balm. "I only made three applications of it," he says, and have since been free from all pain." He now recommends it to persons similarly afflicted. It is for sale by Blakeley & Houghton Druggists.

Residence Burned.

GRIDLEY, Cal., April 16.—The residence of D. T. Biggs, near here, was totally destroyed by fire last night. The loss is \$10,000: covered by insurance. The building was formerly the property of ex-Congressman Marion Biggs, and his valuable library was destroyed.

"Perhaps you would not think so, but a very large proportion of the diseases in New York comes from carelessness about catching cold," says Dr. Cyrus Edson. "It is such a simple thing and so common that very few people, unless it is a case of pneumonia, pay any attention to the cold. New York is one of the healthiest places on the Atlantic Coast and yet there are a great many cases of catarrh and consumption which have their origin in this neglect of the simplest precaution of every day life. The most sensible advice is, when you have one get rid of it as soon as possible. By all means do not neglect it." Dr. Edson does not tell you how to cure a cold but we will. It will relieve the lungs, aid expectoration, open the secretions and soon effect a permanent cure. 50 cent bottles for sale by Blakeley & Houghton, druggists.

MERCURIAL POISON

Is the result of the usual treatment of blood disorders. The system is filled with Mercury and Potash. Mercurial Poison is more dreaded than the disease—and in a short while is in a far worse condition than the disease. The most common result is RHEUMATISM for which S. S. S. is the most reliable cure. A few bottles will afford relief where all else has failed.

I suffered from a severe attack of Mercurial Rheumatism, my arms and legs being swollen to more than twice their natural size, causing the most excruciating pain. I spent hundreds of dollars without relief, but after taking a few bottles of S. S. S. I improved rapidly and am now a well man, completely cured.

Can't honestly recommend your wonderful medicine to anyone afflicted with this painful disease.
