

Kingsley Notes.

We are informed the entire family of Walter Henderson are down with la grippe.

John Russell, our road supervisor, is doing some excellent work on the roads.

Mr. Fred Clark has been visiting in The Dalles the past week.

Mrs. Jane Emerson of Dufar, spent a few days with her sister, Mrs. Hugh Morehead this week.

Mr. M. Thourbourn reports splendid luck with his band of sheep this spring.

Tommy Morris has set out a fine young orchard.

Will Gardner has purchased a cart and harness and will fly his kite high hereafter. Be careful whose range you trespass on, Mr. G.

J. C. Thrall is receiving his new goods and expects to be running in full blast by next Monday.

Harry Burns, who was kicked by a horse last week, is having quite a serious time of it. We learn he was much worse on Tuesday.

Ernest Mayhew and the Hix brothers will start wool-hauling the first of the month.

We are reliably informed Kingsley will have a lumber yard at no distant day. Good enough.

Arbor day was observed in a fitting manner at the Kingsley schoolhouse. We intended attending, but circumstances over which we had no control, prevented us. However, a little bird tells our services could have been used to a good advantage. "Kindly invite us to the next "broom entertainment."

The Eight Mile Picnic.

EDITOR CHRONICLE:—I see in a letter from Enderby, that the committee in charge of the May-day picnic had concluded to change the picnic from my place to the Campbell grove. I would beg leave to state that such is not the case, as I am chairman of that committee and know where I speak.

I admit there has been some dissension and they have started an opposition picnic at the Campbell grove, but the picnic on the first of May will be at my place, as formerly announced.

Everybody is cordially invited to attend as a good time is expected.

There will be singing, speaking and games of amusement too numerous to mention.

The grove will be well cleaned up for the occasion. Professor Parrott will have charge of the singing and Miss Nellie Allen will preside at the organ, and everything will be done to make this a grand success.

Come one, come all, with your baskets well filled and let us enjoy ourselves.

W. H. WILLIAMS.

Advocates a Common Policy.

LONDON, April 25.—Member of parliament Howarth, in a letter to the Times, advocates a common policy on the part of England and America in regard to far Eastern affairs.

The Pall Mall Gazette favors Howarth's suggestion. It says: "America has received many marks of respect from China and Japan. Joint diplomatic action with the United States by England would prevent stronger action on the part of others. Our stake on every side of the Pacific, in China, Canada and Australia, forbids us to remain passive."

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address,

Judge Horton's Speech. TOPEKA, Kan., April 25.—At the opening meeting of the republican State League today, Judge Horton, associate justice of the supreme court, made his first political convention talk in many years.

Judge Horton declared for the importance of the recognition of silver. Senator Baker, in a lengthy speech, opposed Cleveland's foreign and domestic policies. He said: "We must not place either metal, silver or gold, above the other."

A severe rheumatic pain in the left shoulder had troubled Mr. J. H. Loper, a well known druggist of Des Moines, Iowa, for six months. At times the pain was so severe that he could not lift anything. With all he could do he could not get rid of it until he applied Chamberlain's Pain Balm. "I only made three applications of it," he says, and have since been free from all pain." He now recommends it to persons similarly afflicted. It is for sale by Blakeley & Houghton Druggists.
