NEW ROAD TO THE DALLES.

The project for a new road to The Dalles, mentioned in this paper some time ago, is not dead by any means.

Those who have never given any thought to the matter have no idea of the advantage such a road would be, not only to Fossil, but to Mayville and Condon and surrounding and intervening country.

There is not much danger of war however, as she is only running a bluff.

Baker City is the most moral town in the state, because it has a Virtue mine.

We invite you to inspect our new spring stock of mens' suits, boys' suits and children's suits, latest cuts.

The Wasco Warehouse Co. have on sale at their warehouse Seed Wheat, Feed Wheat, Barley, Barley Chop, Oats and Hay.

Choice two-year-old roses for 25 cents; also cut flowers and floral designs at the Rose Hill Greenhouse.

Miss Aimee Newman, teacher of piano-forte music. For terms apply at residence, corner of Fourth and Union.

The best is always cheapest. Herrin makes the best cabinet photographs for only \$2.50 per dozen.

Furnished room to rent Fourth Street near Lincoln.

Over the proposed road we could have a daily mail route, and a man could drive to The Dalles in a day with a light rig.

These are but some of the advantages that would accrue to the people of Gilliam county.

ACTING LIKE A BULLY.

A dispatch from London, April 25th, shows the desire of England to have this country stand in with her to help her get a slice of China.

vent Russia, France and Germany from interfering. It says:

"Member of Parliament Howorth, in a letter to the Times, advocates a common policy on the part of England and America in regard to far eastern affairs.

England is a bully when she has the power, as witness her course with Nicaragua; but when it comes to facing Russia or France she is not so handy with her guns and her warships.

There is not much danger of war however, as she is only running a bluff.
