Approves Our Course.
 LONDON, April 25.—The Pall Mall Gazette says the courteous stand taken by the United States in connection with the Nicaraguan episode is favorable augury for a close understanding between the United States and Great Britain upon the China-Japanese question. It asserts that England's action toward Nicaragua will teach the South American republics better manners.

 The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address,

Making It Emphatic.
 LONDON, April 25.—A dispatch from St. Petersburg says besides the note of protest sent to Tokio in concert with France and Germany, the Russian government has made a vehement protest to the Japanese agent in St. Petersburg.

A severe rheumatic pain in the left shoulder had troubled Mr. J. H. Loper, a well known druggist of Des Moines, Iowa, for six months. At times the pain was so severe that he could not lift anything. With all he could do he could not get rid of it until he applied Chamberlain's Pain Balm. "I only made three applications of it," he says, and have since been free from all pain." He now recommends it to persons similarly afflicted. It is for sale by Blakely & Houghton Druggists.

Germany Weakening.
 BERLIN, April 25.—At the request of the minister of foreign affairs, the motion protesting against Japan's acquisitions of China's mainland territory, which it was proposed to introduce in the reichstag, has been withdrawn.

Dr. J. H. McLean's Strengthening Cordial and Blood Purifier is admirably adapted to make "a little health go a long way." Its curative power is largely attributable to its stimulant, tonic and nutritive properties, by which the energy of the system is recruited. It is pleasant to taste, easily borne on the stomach and harmless under prolonged use. Price \$1.00 per bottle. For sale by Snipes-Kinersly Drug Co.
