

A SUFFERING CHILD

Head and Scalp Raw with Places Size of Silver Dollar. Various Remedies only caused Fresh Eruptions. Applied CUTICURA. Change in Twenty-four Hours. Perfect Cure in Two Weeks.

My little son, aged three, was very much troubled with a breaking out on his scalp and behind his ear. The places affected were about as large as a silver dollar; the flesh seemed raw and covered with little ulcers. The child suffered considerably, and was naturally very fretful. I tried several remedies without obtaining any beneficial results; in fact the eruptions seemed to be spreading and new places breaking out. I concluded to try the CUTICURA REMEDY. I washed the affected parts with the CUTICURA SOAP, applying care not to irritate the flesh, and applied CUTICURA. I noticed a change for the better in the appearance of the eruptions in twenty-four hours, and in two weeks the eruptions entirely disappeared, leaving the skin smooth and the scalp clean; in fact a perfect cure, as I have not seen any indications of any eruption or breaking out since. I gave the child only a few doses of the CUTICURA REMEDY. I consider your CUTICURA REMEDY very valuable. I believe CUTICURA would be excellent for applying to insect bites, which are very annoying in this country. C. A. ... TRONG, Swift Island, N. O.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. CHENEY & Co., Toledo, O. Sold by all druggists, 75c.

A Low Rate Expected.

CHICAGO, May 4.—It is expected that during the early part of next week the Western railroad companies will order an open rate of \$10 from Denver to the Missouri river. This low rate will be in effect for about 30 days, or until the last of the return portions of the tickets for homeseekers' excursions have expired. It is charged that the Denver market has been stocked with the return portions of these tickets. The object of the proposed reduction is to keep the scalpers from absorbing the lion's share of the business.

The "Sound-Money" Men.

CHICAGO, May 4.—Three hundred democrats were present at the banquet when the monetary question was discussed from the "sound-money" standpoint. President Vincent, in his opening remarks, declared flatly against free silver, and was greeted with loud applause as he did so. Senator John M. Palmer made an extemporaneous speech on "Democracy and Money," and got back in vigorous fashion at the free-silver democrats for denouncing him and his attitude on the money question at the convention this morning. Professor J. L. Loughlin, of the Chicago university, followed with a talk on "Silver and prices." Richard W. Knott, proprietor of the Louisville Evening Post, spoke at some length on "Currency and Commerce."

McLean's Liver and Kidney Balm is especially adapted for disorders of this kind. Price \$1.00 per bottle. For sale by Snipes-Kinersly Drug Co.

A severe rheumatic pain in the left shoulder had troubled Mr. J. H. Lopez, a well known druggist of Des Moines, Iowa, for six months. At times the pain was so severe that he could not lift anything. With all he could do he could not get rid of it until he applied Chamberlain's Pain Balm. "I only made three applications of it," he says, "and have since been free from all pain." He now recommends it to persons similarly afflicted. It is for sale by Blakeley & Houghton Druggists.

Warranted Superior to any Bicycle built in the World, Regardless of Price.

Read the following opinion of one of the most prominent American dealers who has sold hundreds of these wheels: RICHMOND, Va., Oct. 2, 1894. Indiana Bicycle Co., Indianapolis, Ind.: GENTLEMEN—The Waverley Scorcher and Belle came to hand yesterday. We are afraid you have sent us the high-priced wheel by mistake. You can't mean to tell us that this wheel retails for \$85? We must say that it is, without exception, the prettiest wheel we have ever seen, and, moreover, we have faith in it, although it weighs only 22 lbs., for of all Waverleys we have sold this year and last (and you know that is a right good number), we have never had a single frame nor fork broken, either from accident or defect, and that is more than we can say of any other wheel, however high grade, so called, that we sell. We congratulate ourselves every day that we are the Waverley agents. Yours truly, WALTER C. MEBBER & Co.
