

Restoration of Silver.
 SAN FRANCISCO, May 7.—Senator Culom of Illinois, who came to the Pacific coast as a member of the senate committee on commerce to look into the merits of San Pedro and Santa Monica as harbors, in an interview in this city, was asked:
 "Do you think the establishment of bimetalism will restore confidence and produce good times?"
 While I believe in bimetalism and the parity of values of both gold and silver, giving to both metals equal chance and equal privileges, I am not so sanguine as to believe that the United States alone can by simple decree produce the desired result. We ought to have an international agreement which shall establish the proper relations as to metallic currency. The country is worried by theories of charlatans who provide unfailing remedies for every ill, ignoring the teachings of experience. Much as we may wish to give to silver its equal and rightful position as a money metal, we must look to existing conditions where they demand it at our hands. The duty of a statesman is to look after and care for the interests of the entire country. He must sacrifice no interest for the benefit of any other interest."

 The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address,

McLean's Liver and Kidney Balm is especially adapted for disorders of this kind. Price \$1.00 per bottle. For sale by Snipes-Kinersly Drug Co.

A severe rheumatic pain in the left shoulder had troubled Mr. J. H. Loper, a well known druggist of Des Moines, Iowa, for six months. At times the pain was so severe that he could not lift anything. With all he could do he could not get rid of it until he applied Chamberlain's Pain Balm. "I only made three applications of it," he says, and have since been free from all pain." He now recommends it to persons similarly afflicted. It is for sale by Blakely & Houghton Druggists.

Mitchell Notes.
 The much needed showers have come at last and brought brightness to nature's face. Now all is beautiful in the fast developing of tree and plant. Man is smiling because of the crops which he now expects, of which he had no hope before.
 The waters are higher than they have been before since last spring, but still there is not too much rain.
 Mitchell is still being much improved. One dwelling and a store is going up, a church will go up as soon as lumber can be gotten to the grounds, a water ditch for the town is fast nearing town, beside minor improvements. Mitchell will be some place yet, if next spring's waters do not carry it away.
 The Baptist minister, Rev. Mr. Moor, of Heppner, gave us the benefit of some valuable discourses, beginning at 7:30 every night for two weeks. He will locate at Mitchell for the coming year.
 Charley Flock and Lum Nashburn are the proprietors of the stage line between here and Canyon City now. They took possession last Monday.
 Circuit court in Prineville this week has almost drained our town of inhabitants.
 Ban Post, of this place, was badly hurt one day last week by having a horse striking him in the mouth, knocking one tooth out and badly cutting his tongue and the inside of his mouth.
 Frank Edmunson while riding after horses, had his horse fall on him and break a limb.
 One day last week Mr. Sam Lester, our druggist, went to Heppner and when he returned he brought a wife with him. We are glad there is one more in Mitchell. If I must stay here I am glad to have others. E. V. E.

 Read the following opinion of one of the most prominent American dealers who has sold hundreds of these wheels:
 RICHMOND, VA., Oct. 2, 1894.
 Indiana Bicycle Co., Indianapolis, Ind.:
 GENTLEMEN:—The Waverley Scorchers and Belle came to hand yesterday. We are afraid you have sent us the high-priced wheel by mistake. You can't mean to tell us that this wheel retails for \$57. We must say that it is, without exception, the prettiest wheel we have ever seen, and, moreover, we have faith in it, although it weighs only 22 lbs., for of all Waverleys we have sold this year and last (and you know that is a right good number), we have never had a single frame nor fork broken, either from accident or defect, and that is more than we can say of any other wheel, however high grade, so called, that we sell. We congratulate ourselves every day that we are the Waverley agents.
 Yours truly,
