The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. CHENEY & Co., Toledo, O. Sold by all druggists, 75c.

ON THE ROAD to recovery, the young woman who is taking Doctor Pierce's Favorite Prescription. In maidenhood, womanhood, widowhood and motherhood the "Prescription" is a supporting tonic and nerve that's peculiarly adapted to her needs, regulating, strengthening and curing the derangements of the sex. Why is it so many women owe their beauty to Dr. Pierce's Favorite Prescription? Because beauty of form and face radiate from the common center—health. The best bodily condition results from good food, fresh air and exercise coupled with the judicious use of the "Prescription". If there be headache, pain in the back, bearing-down sensations, or general debility, or if there be nervous disturbance, nervous prostration, and sleeplessness, the "Prescription" reaches the origin of the trouble and corrects it. It dispels aches and pains, corrects displacements and cures catarrhal inflammation of the lining membranes, falling of the womb, ulceration, irregularities and kindred maladies.
