LOST ITS RECKONING

A Delayed Blizzard Sweeps the Middle West.

HEAVY SNOWFALL IN WISCONSIN

Frosts Have Destroyed Fruits, Grain and Vegetables From Pennsylvania to South Dakota.

MILWAUKEE, Wis., May 13.—A fierce northerly sweeping Lake Michigan today. A dispatch from Sheboygan says a life-saving crew has gone to the rescue of the scow Quickstep, which is being driven by a gale and in danger of going ashore. Snow is reported all through northern Wisconsin.

Killing Frosts in Ohio, Pennsylvania and Virginia.

PITTSBURG, May 13.—Eastern Ohio, Western Pennsylvania and West Virginia were visited last night by a heavy white frost. The mercury dropped to 32 degrees and in exposed places ice formed a quarter of an inch thick. Garden truck and grapes were nipped.

In Minnesota.

MINNEAPOLIS, May 13.—Last night the frost was severe in Minnesota and South Dakota. Snow fell at Ely, Tower, and Iron Range points. Garden truck and fruits suffered badly, and grain in a lesser degree. Wheat is reported damaged slightly, and oats badly in some quarters. Cranberries and other small fruits in western Wisconsin were frozen solid.

Heavy Snows in Michigan.

DETROIT, May 13.—Western Michigan dispatches received today indicate that fruit was not injured to any extent by frost last night. In the northern peninsula and northern part of the state, however, a heavy snow fell, with a freezing wind from the northeast, badly damaging vegetables and tender buds.

Fruit Destroyed.

DUNKIRK, N. Y., May 13.—Sunday night's frost desolated the Chautauqua grape belt. The vineyards appear black as if a fire had passed over them. Farmers report all small fruits as badly damaged. Cherries and strawberries are entirely destroyed.

Three Inches of Snow.

GREEN BAY, Wis., May 13.—A severe blizzard prevailed here from midnight to 9 a. m. today. Three inches of snow fell, accompanied by wind blowing 40 miles an hour. Great damage resulted to fruit, market gardens and growing grain.

Was a Regular Blizzard.

MENOMINEE, Mich., May 13.—A howling blizzard passed over the city last night, and snow is three or four inches deep today. All gardens and many fruit and shade trees are ruined.

Enormous Damage Done.

CLEVELAND, O., May 13.—Telegrams from numerous points throughout northern Ohio show that a heavy frost last night was most disastrous in its effect upon fruit and early vegetables. The damage is enormous.

May Be Worse Tonight.

CHICAGO, May 13.—Chicago shivered in a temperature of 40 degrees today, with a heavy gale blowing off the lake and the promise of colder weather tonight.

Snow at Oshkosh.

OSHKOSH, Wis., May 13.—An inch of snow fell here today and the thermometer is at freezing. Great damage has been done early fruit and gardens.

Below Freezing.

CINCINNATI, May 13.—Dispatches from northeastern Ohio report a heavy damage by frost. The mercury fell 4 deg. below the freezing point.

Late Reports From Cuba Favorable to the Insurgents.

NEW YORK, May 13.—A special to the World from Santiago de Cuba, says:

The situation in Cuba has changed. There is a continual exodus of white Cubans from Santiago now, whereas up to a week ago the reports of numerous departures for the field were incorrect. Nearly one hundred members of the Fial Armonica and San Carlos Clubs, have gone into the country. The government of the islands is alarmed, but is decided as to the expediency of sending to Spain for more troops. General Saldedo thinks it useless to bring over any more raw, unacclimated levies until the season changes.

It is proposed to call out those Spanish ex-soldiers who have served their time in the army, being given discharge papers, and enlisting in Cuba. Several thousand men can be obtained in this manner.

General Maceo has nearly 3,000 men at Barabacoa plantation, two leagues from Songo. All the Spanish troops at the latter place were sent to San Luis, which was threatened with a raid. One thousand Spanish soldiers left San Luis last night for General Maceo. They went in the direction of Palma.

Five For, Four Against.

NEW YORK, May 13.—A Washington special to a morning paper says:

"At the consultation of justices Saturday, Justice Jackson voted with Justices Brown, White, Harlan and Shiras, to sustain the constitutionality of the income tax law, and the vote, when announced, will stand five to four in favor of the law. It is learned that Justice Jackson's attitude was understood by his colleagues on the bench before he came to Washington. He has at all times been fully advised as to the merits of the case and was furnished with record and law briefs, so he was fully prepared to vote when the justices met in consultation yesterday. His only reason for coming to Washington was to gratify the desire of the court to have the income-tax settled decisively so that the court would not be left divided on such an important question, with the possibility of endless litigation. It is learned, moreover, that the argument did not change the views of a single justice.

Cubans in Key West.

NEW YORK, May 13.—A special from Key West says: An excited movement has been noticed among the prominent Cubans in this city. It was reported by Cuban leaders here that upward of one-hundred carrier pigeons will be used by filibustering expeditions.

Two prominent young Cubans arrived in this city Saturday on the Mascotte from Havana. One is a son of Fabio Friere, a leading member of the home-rule party in Camagya, and the other is Silvestero Angeda. It is rumored they will join an expedition from some point in Florida.

The government has committees collecting funds from business men and others in Havana. They only collected \$30 in two days. Several suspicious-looking vessels are reported off Pinos del Rio and Santiago. It is supposed they are landing expeditions and arms.

Bloomers Are Barred.

TIFFIN, O., May 13.—At a meeting of the Ladies' Cycling Club, the question of wearing bloomers was thoroughly discussed. This was made necessary by two of the members appearing in bloomer costume one evening when a "run" was called, and the rest refused to ride with them. After a spirited discussion a vote was taken, which resulted by a narrow majority in favor of skirts. When a rider goes out alone she can wear what she pleases, but when she appears with the club she must wear the regular skirt.

The President Expected to Appoint Two Today.

WASHINGTON, May 13.—President Cleveland, it is expected, will announce today the appointment of civil service commissioners to succeed Messrs. Roosevelt and Lyman, republicans. It is un-

derstood the new appointees will be Colonel Rice, of New York, once private secretary of Governor Hill, and John Harlow, formerly superintendent of the mails in the St. Louis postoffice, who was promoted to be postmaster by President Harrison. The effect of these appointments will be the reorganization of the commission as regards the principal leaning of its members. Mr. Proctor, who continues on the commission, is a democrat, Colonel Rice is a democrat, and Harlow a republican. The two outgoing commissioners are republicans. Both new commissioners are ardent advocates of civil service reform.

A Dastardly Attempt on Life and Property.

ST. LOUIS, May 13.—The third attempt to destroy life and property in connection with the strike at the Tudor iron works was made early today, at Sixth street and Trendley avenue, East St. Louis, where the miscreants hurled a dynamite bomb into the premises of Henry Vilas, a saloon and boarding-house, in which are quartered thirty-one non-union employes. Nobody was killed or injured, but the building was badly damaged. The strikers deny all knowledge of the affair.

A Laborer Sues Railroad Companies for Boycotting Him.

TOLEDO, O., May 13.—James O'Shea has commenced suits for \$10,000 each against the Lake Shore, Ohio Central and Wabash railway companies. The suits are based on his discharge and boycott during the A. R. U. strike two years ago and his subsequent blacklist. He is unable to secure employment on any of the roads, and he has seen it there. Should this be successful a hundred others will follow.

Any one who has ever had an attack of inflammatory rheumatism will rejoice with Mr. J. A. Stumm, 220 Boyle Heights, Los Angeles, over his fortunate escape from a siege of that distressing ailment. Mr. Stumm is foreman of Merriam's confectionery establishment. Some months ago, on leaving the heated work room to run across the street on an errand, he was caught out in the rain. The result was that when ready to go home that night he was unable to walk, owing to inflammatory rheumatism. He was taken home, and on arrival was placed in front of a good fire and thoroughly rubbed with Chamberlain's Pain Balm. During the evening and night he was repeatedly bathed with this liniment, and by morning was relieved of all rheumatic pains. He now takes especial pleasure in praising Chamberlain's Pain Balm, and always keeps a bottle of it in the house. For sale by Blakeley & Houghton, Druggists.

To Settle the Wage Question.

TERRE HAUTE, Ind., May 13.—The Indiana operatives' executive committee meet Tuesday to make another effort to settle the wage question, at least temporarily. Some of the operators are indicating a purpose to make terms with the men without regard to the state association, and it is to prevent this that the meeting is called.

While in Stockton, Cal., some time ago, Thos. F. Langan, of Los Banos, that state, was taken very severely cramps and diarrhoea. He chanced to meet Mr. C. M. Carter, who was similarly afflicted. He says: "I told him of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and we went to the Holden Drug Store and procured a bottle of it. It gave Mr. Carter prompt relief and I can vouch for its having cured me." For sale by Blakeley & Houghton, Druggists.

Machinists in Session.

CINCINNATI, O., May 13.—The international Association of Machinists today asked for a charter of affiliation with the National Federation of Labor. A resolution was adopted declaring that none should be employed on typesetting machines, in union offices, except those of good standing in the typographical union.
